PEO Education Grant

Dillon's Chapter AD of the P.E.O. Sisterhood (Philanthropic Educational Organization) is pleased to announce that Katie Myllymaki has been awarded a \$1600 P.E.O. Program for Continuing Education Grant. These funds will go toward Katie's educational goal of completing her Masters in Physician Assistant Studies at Rocky Mountain College.

She is a graduate of Beaverhead County High School and has earned a bachelor's degree in biology from the University of Montana Western. Katie is the daughter of Tim and Whitney Myllymaki of Dillon.

The P.E.O. Program for Continuing Education, established in 1973, is a need-based grant program providing one-time financial assistance to women whose education has been interrupted and who find it necessary to return to school

to complete a degree or certification that will improve their marketable skills. Since its inception 44,000 women have been awarded over 52 million dollars and in 2017, just in Montana, 46 women received \$96,000 to help achieve their goals. Any woman who is within 24 consecutive months of completing her educational program and has had at least 24 consecutive months as a non-student sometime in her adult life is eligible to apply.

If you are interested in learning more about the Program for Continuing Education call 683-4708 for more information. Congratulations to Katie and we wish you the greatest success!

Letter to the Editor

In June Kathleen Williams won the primary to run against Greg Gianforte for the House of Representatives seat in Washington.

Kathleen has served three terms in the Montana House of Representatives. She is a water conservation expert and was also a staff member of the non-partisan Environmental Quality Council of the Montana Legislature and the Montana Department of Fish, Wildlife and Parks.

Kathleen has been endorsed by the National Organization for Women (NOW).

Throughout her career she stood up for reproductive rights, economic justice (equal pay for equal work), ending all forms of violence and discrimination against women and girls, as well as racial equality and the rights & sovereignty of Indigenous People.

Candidate Williams has fought hard for these issues in the Montana Legislature and she vows to not back down from them in the U.S. Congress.

Mrs. William's career includes 30 years in Natural Resource Management much of which pertained to issues of river health, water and water policy. Her behind the scenes work eventually helped lead to the Confederated Salish-Kootenai water compact.

Kathleen also recognizes that we all need to change our approach involving our use of the earth's natural resources. As a U.S. representative she will protect our public lands and work to join the polarized views of our resources and how to address a hotter climate.

Kathleen wears many hats and has accomplished many things, only a few of which are mentioned in this letter. If nothing else she has been elected to help make and keep things fair, equitable and healthy for the people and the natural resources of Montana.

Kathleen Williams has the resume to get the job done.

Dillon Garden Club to Make Living Pictures

Dillon Garden Club will meet Thursday, July 19, at 7 pm at the home of Diana Pippen, 143 Sweetwater Estates in Dillon. We will be planting a "Living Picture". Participants need to bring a 1 inch deep frame (like a shadow box) which can be purchased for a dollar in town. Any dimension is fine but smaller is better as we are limited on the number of plants. If possible, bring any small succulents, Hen & Chicks, and/or sedum plants. We will provide screen, soil, moss and some plants to get everyone started. Please RSVP to Diana at 406-865-0372 by Tuesday 7/17 so we know how many will be attending or to ask questions.
