Big Hole Valley Historical Society wants your stories

The Big Hole Valley Historical Society wants your stories about people and events in the valley for the book they are working on to get printed. How many of you know about the youngest volunteer in the Battle of the Big Hole? Have you heard the story about the "Spook of the Ajax"? What about the shootings that happened in the valley? In 1929 the students at the Wisdom School made a righteous resolution- want to hear about it? We have stories about the Civil War Military burials in most of the cemeteries in the Valley right up to the Vietnam War. If you have been in Jackson- you would have walked where Clark and Sacajawea did in 1806 on their return trip. Our early pioneers left great stories that we want to share- Please share any stories or photos with us. You can send them to Box 847-Jackson, Mt 59736 or give them to our members, Dodie Husted, Pat Peterson, John Wilke, Sandra Lapham, Jim Boetticher, Beverly McDougal, EB Rebish, Heidi Hirschy, Alta Miller!

Carol Harvey, Ellen Rai Thiel, Bob Nelson, Mary Rangitsch or Ruth Little

Also we need to have money donated to get the books printed. We are a 501C3 so it is tax deductible. There will be a Snowplane exhibit at the Beaverhead County Fair where we will be selling raffle tickets at \$10 each or 3 for \$25. We will also pre-sell the book for \$50 down and \$25 when you get the book there. Thank you.

Dates announced for over-the-counter and surplus license sales

A few important dates remain for hunters looking for license for this upcoming hunting season:

On Aug. 6, hunters can buy over-the-counter and surplus B licenses (antlerless) for deer and elk.

On Aug. 9, general antelope and antelope B drawing results will be available.

On Aug. 13, surplus general antelope, antelope B and antelope archery 900-20 licenses go on sale.

On Aug. 15, antelope archery season opens for the 900-20 license.

The 900-20 archery antelope licenses were drawn on July 16. These licenses allow bowhunters to hunt antelope from Aug. 15 to Nov. 11 in any hunting district starting with 3, 4, 5, 6 and 7. All other antelope licenses will be drawn Aug. 9.

In the past, all antelope licenses were drawn at the same time, typically late July or early August, which did not give biologists enough time to complete their antelope surveys and make any final changes to license numbers. Antelope surveys cannot begin before mid-July because fawns typically are not up with herds before then. By drawing the 900-20 archery licenses early, it allows those archery hunters time to plan their hunt, and by drawing all other antelope licenses on Aug. 9 it gives biologists time to do their final surveys.

This year, archers applied for the 900 licenses as the first and only option. It wasn't available as the second choice on other antelope license applications as in the past. This change allowed FWP to offer elk and deer surplus licenses earlier.

Surplus licenses are those that remain after Montana's recent special hunting license drawings. The remaining licenses are sold on a first-come-first-served basis. A list of available surplus licenses for deer and elk will be posted on the FWP website at fwp.mt.gov beginning Aug. 2. A list of available surplus licenses for antelope will be posted on the afternoon of Aug. 9.

These licenses and permits can be purchased online, over the counter or by downloading a paper application (the latter is not recommended due to first-come-first-served basis).

FWP offices open at 8 a.m. on Aug. 6; online sales will begin at 5 a.m. at fwp.mt.gov, and FWP license providers will also have access to the licenses. License providers are listed on the FWP website—click on Hunting and then click License Providers.

BUSINESS MEETING SCHEDULED FOR ROTARY

The Dillon Rotarians will conduct their business meeting on Wednesday, August 1, 2018. Visitors are welcome.

Anyone interested in learning more about Rotary should come at noon to be a guest for lunch. The Club meets in the Guild Hall of St. James Episcopal Church, 203 East Glendale St. For more information, email David Brastrup at dbrastrup@gmail.com or Tina Giem at tgiem@barretthospital.org.

Beaver Head Hunters Genealogical Society

The Beaver Head Hunters Genealogical Society will host the eighth annual Cemetery Walk on Friday, August 3. Meet at the cemetery at 6:00 pm. Watch for the balloons. This year we will learn about Elmer Mikus, the Driscoll family, and Jean Bishop. It is recommended to bring a folding chair and water. At the end there will be refreshments. In case of inclement weather (lightening and rain), we will meet in the Depot Theater.

Plant Identification

The Range Days organization will set up their plant identification field at the High Trails in 2019. What a great way to learn more about what's growing there and how to protect native plants! But that's not it, Range Days offers a myriad of learning opportunities around rangelands.

If you are interested in participating in the 2019 Range Days, please see below the information concerning their organizational meeting next Wednesday August 1st at 9am at the 4-H building.

The summer Hunter Education course will be held at the Dillon Middle School on August 20, 21 from 9 am to 1:00 pm each day and August 22 from 9 am to 2 pm. In order to successfully complete the Hunter Education course, students must attend all 3 classroom sessions and pass a written test.

Students must be at least 10 years old to enroll. Students under 18 years of age must have the consent of a parent or guardian. Class enrollment will be capped at 35 students.

Online registration is required by going to the Fish, Wildlife and Parks website at fwp.mt.gov, clicking on "Education", then "Hunter Education", then "Find a Class or Field Course." Students must print, sign and bring the Acknowledgement of Risk, Student Agreement Form and Hunter Education Student Code of Ethics (found on the event registration page) the first day of class. Prior to the first class meeting, student are required to read the Hunter Education manual and complete all chapter quizzes. Manuals can be picked up at FWP's Dillon Field Office located at 730 North Montana (behind the old Job Service) or the Dillon Public Library.

We hope this course will be successful for all students and they enjoy a safe and rich hunting experience this fall.

Slow Down and be Cautious

The building of the playground and the splash pad at Jaycee Park is officially underway. A big thank you to all who have contributed in any way to make this happen.

There will be plenty of construction going on in this area for the next month and the City of Dillon would like to remind everyone to slow down and be cautious when driving or walking in this area.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.
