Robert Wooley Talks about Writing

Local author, Robert (Bob) Wooley, will be talking about writing and his approach to writing at The Bookstore on Thursday, August 23. He grew up in the eastern hardwood forest where he learned woodsmanship. In the 1960's he served as a US Naval officer. It was after becoming a botanist and forester that he migrated to the west. It was here that he worked as a forest ecologist and entomologist. He lived and worked in several locations in the west, including the Greater Yellowstone Ecosystem. Now retired he calls Dillon home. He has spent his life exploring the natural landscapes, the towns and the cities both east and west of the Mississippi observing how they enmesh in the lives of the people inhabiting those spaces.

Wooley was adopted when he was six months old. At the age of 55 he felt the need to search for his birth family. It took ten years but he managed to discover who his birth mother was and the difficult decision she made in putting him up for adoption. He also came to understand how vastly different his life would have been had she not done so.

Bob will be signing copies of his books from 5:00-7:00 with a reading and brief presentation starting at 5:30. Titles available are: Dawn of the Northern Plains (a novel exploring origins), Chasing the Western Moon (a novel that seeks the truth), Blue Camas (a novel that pushes the boundaries of love and the law), Letting of Eltanzer (a novel about imagination, healing, letting go, accepting change and accepting that which we cannot see). Call 683-6807 if you have any questions or would like to reserve copies of the books.

"Clash of Cultures"

Bannack State Park will be giving a historical presentation this Saturday at 2pm.

NEW SESSION of STRONG PEOPLE WILL START ON SEPTEMBER 10, 2018 FREE TRIAL August 23 - 30

The Strong People program is a research based fitness program. The program will help participants look and feel better while increasing strength, bone density, and balance. Since 2010, when the program began locally as Strong Women™, participants have reported improvement in all of these areas. It is a good program for people of all ages and activity levels.

Participants use ankle weights and dumbbells (all provided) in exercises done slowly, beginning with minimal weight and increasing the weight very gradually as the exercise repetitions seem easily completed.

The program is not for profit and leaders volunteer their time. A minimal fee of \$20 per month is charged so equipment can be purchased and rent paid to the Elks Lodge. New participants are encouraged to try the program free during the two weeks prior to the beginning of the new session (August 23 - 30). If they choose to continue the program, the fees will be charged at the beginning of the September - November session.

Currently the program is being run two days per week (Monday and Thursday) in sessions eight to 12 weeks long, after which participants have the opportunity to continue a maintenance program (no fee charged) until the next session begins. A new session begins Monday, September 10, 2018, from 10:00 until 11:15 at the Dillon Elks Lodge, 27 E. Center St. All former and new participants (including men) are encouraged to attend the free sessions August 23 - 30. Wear comfortable clothing and closed toe shoes.

Anyone new to the program is asked to arrive 15 minutes early to complete a small amount of paperwork.

For further information contact Jeannette Pittman at 660-2777 or Lois Volkening at 925-3774.

Letter to the Editor

Many are very concerned with Donald Trump using the "N" word. We should also be concerned with his use of many other words:

The "B" word. "Bully", Mr. Trump is very good at being a bully. His name calling and belittling of people are beyond reproach. And we try to teach our children not to be bullies.

The "L" word. "Lie", It has been reported in the past 558 days Mr. Trump has told 5,229 lies. Some say they were misstatements or falsehoods. Which means they were lies.

The "H" word. "Human Rights" The Trump Administration allowed over 2,000 children to be held in cages. And we criticize other countries for their human rights conditions.

The "G" word. "Golf" Donald Trump has spent over \$16 million dollars each month since he has been President to play golf. He calls himself a conservative. The so called conservative congress has said nothing about this spending!

The "A" word. "Ability" Mr. Trump does not have the ability or capability to work with other people. Thirty five people that he personally picked to work with him have either quit or been fired. The swamp water could not be contained or controlled.

The "D" word. "Debt" Spending, spending, the Trump Administration has raised the National debt by \$1.5 trillion. Most went for tax breaks for the super rich and corporations that pay no taxes. Another conservative program!

Now for the "N" word. "Nice" Donald Trump has never used the word nice. It is not in his vocabulary. Mr. Trump is not a Nice person. He is a bully. He cannot tell the truth. He cannot work with other people. Mr. Trump is destroying this country and democracy. He has never ever said the "N" word.

Pot Holes

By: MJ

I have heard many people talk about the streets in Dillon in a negative way. Have you seen the city street crew continuing to fix the pot holes on the streets of Dillon? Fixing pot holes is more than just filling with asphalt. It means fixing the foundation of the pothole also. The city has purchased equipment this year that allows them to do a better job at fixing the holes from the foundation up to the asphalt. You might say that the city needs to hire a contractor to fix pot holes. If a contractor was hired, the city may or may not have to let bids and get the permission from the council to accept the contractor. By the time this protocol has been completed summer is gone. Having the equipment, the employees can do their jobs efficiently. Without the equipment the mayor and employees' hands were tied behind their backs.

Mayor Klakken presented the council with data on the cost of equipment and suggestions of how the city would pay for it. Purchasing the equipment was discussed at the council meetings in detail as to whether it was cost effective to have the city own its own equipment and use the street crews. *City elected to send a member of the street crew to a Continued Ed class on asphalt application thus giving the city the expertise needed on staff.*

Fixing pot holes in the past meant the city would go out and fix the same holes every year. Today the city is fixing the hole, so the repairs will last. The city now does not need to spend money to fix the same holes every year but can make progress moving forward restoring and fortifying more holes.

The crews are digging out the clay dirt and filling with dirt/gravel that will allow for drainage. By using this method your street maintenance dollars are spent wisely and provides longevity for the repaired holes.

Give the street crews grace for doing a better job. You may be inconvenienced for a short time by having to detour. You will reap the rewards with a better street. If you appreciate the repairs take the time to give a thank you. If you have better ideas for the repairs discuss them with Mayor Klakken. He can be reached at 683-4245.
