Charlotte Rae (Williss) Olsen

Charlotte Rae (Williss) Olsen passed away peacefully at home on Thursday August 23, 2018. Charlotte was born in Sheridan Montana, September 26, 1934, the eldest child of George and Mabel (Koontz) Williss. Charlotte grew up in Dillon, Montana and married Fredrick Lee Olsen. The navy life had them moving back and forth across the country, until they settled in San Diego in 1968. After retirement Charlotte made it a priority to spend quality time with her children and grandchildren. She spent several years in San Diego near her daughter, Kristina (Olsen) and son-in-law, Danny Summers before she moved moved back to Dillon to be near her parents and her son, Fredrick Olsen, and daughter in-law, Jeannie. She enjoyed many years back "home," then spent several years living in New Hampshire with her daughter, Jeri (Olsen-Anderson) and son-in law Brian Davidson. In 2012 she moved to Hamilton Montana, to be near her daughter Pamela (Olsen) and son-in-law James Shea, where she resided at The Remington. In 2015 Charlotte moved back to New Hampshire again living with Jeri and Brian. Known by many simply as "GM," Charlotte was adored by her large family and will be dearly missed.

Charlotte is survived by her Brother Frank Williss and sister-in-law Cheryl, her eldest daughter Pamela (Olsen) Shea and Son-in-Law James. Her son, Fredrick Lee Olsen II, and daughter-in-law Jeannie, her Daughter Kristina (Olsen) Summers and son-in-law Danny and her youngest daughter Jeri (Olsen-Anderson) Davidson and son-in-law Brian, 18 grandchildren, 23 great-grandchildren and numerous nieces and nephews.

Charlotte is preceded in death by her Parents, George and Mabel (Koontz) Williss, her Sister Janet Kaye (Williss) Miller, her Brother William Benton Williss, her husband Fredrick Lee Olsen I and her Grandson Zachary Arthur Anderson.

A graveside service will be held at Mountain View Cemetery in Dillon, Montana Saturday September 8, 2018 at 2:00 pm. A gathering will be held after the service on Aurora Lane, Dillon, Montana.

In remembrance of Charlotte the family asks that in lieu flowers donations may be made to the Central New Hampshire VNA/Hospice or charity of your choice.

Beaverhead Trails need volunteers!!!

Hello BTC community!

Selway Park is coming along very nicely thanks to all the volunteer efforts provided so far, thank you to those who participated!

We need to keep up the effort so that vegetation gets a strong start! Remember that we seeded a native grass mix so that maintenance would be very minimum down the line. But until the plants are well established, we need to keep up the effort!

We will be watering until mid-september and I have the schedule wide opened starting Monday. Let me know if you are available to fill in. If you are new to it, I will meet you on your first time to train you.

We also need to remove weeds that are competing with the seed mix plants. See a guide in attachment, and again, I can meet you at the park to show you around. You can weed whenever you have time, any little bit helps!

Finally, we will be planting natives bushes such as buffalo berries, willows... tentatively on Saturday September 22nd and we will be glad to get help! Bring your gardening gloves and tools!

You can see pictures of the park on our website: https://www.beaverheadtrails.org/laknarselway-public-park

Thank you for helping us making this park enjoyable for all!

Goldstone and Beaver Creek Fires

Both the Goldstone and Beaver Creek Fires received measureable precipitation overnight. There has been little observable smoke and no fire movement on either fire for several days. Both fires are currently holding within the established firelines and crews have begun suppression repair work throughout both fire areas.

Goldstone Fire Operations: The Goldstone Fire has burned 1,510 acres on the Salmon-Challis National Forest and 7,827 acres on the Beaverhead-Deerlodge National Forest. Repair work will continue today in accordance with the Fire Suppression Repair Plan provided by the Beaverhead-Deerlodge and Salmon-Challis National Forests. Those firefighting resources who camped at Skinner Meadow spike camp have left the spike camp at Skinner Meadow and have relocated to the spike camp at Kajin Ranch.

Beaver Creek Fire Operations: Depending on weather conditions, crews will attempt to complete suppression repair work along the Mystic Road today. At this time, only local firefighting resources are still assigned to the Beaver Creek Fire, as all other resources have been reassigned to the Goldstone Fire or demobilized back to the home units.

AUTHOR NICK NEELY TO READ AT DANCES WITH WORDS SERIES

On Thursday, Sep. 6, 2018, at 7:30 p.m., author Nick Neely will visit the University of Montana Western for a reading of his nonfiction work as part of the "Dances with Words" series. Each performance in the series takes place at The Cup, Montana Western's coffeehouse located below the library on campus.

"Dances with Words" is produced by English Professor Alan Weltzien. The series, free and open to the public, provides the community with a unique opportunity to listen to writers reading their own works, including Montana Western student writers.

Neely's first book, "Coast Range: A Collection from the Pacific Edge" (Counterpoint 2016), was a finalist for the John Burroughs Medal for natural history writing and CLMP's Firecracker Award in Creative Nonfiction. He has an MFA in nonfiction from Hunter College and an MFA in poetry from Columbia University, and his work is published in magazines such as "Orion," "Kenyon Review," and "The Georgia Review."

He is the recipient of the John Burroughs Nature Essay Award, an AAAS Kavli Science Journalism Award, and the PEN Northwest Boyden Wilderness Writing Residency. For his next book, "Alta California: A Journey on Foot to Rediscover the Golden State" (Counterpoint 2019), he completed a twelve-week walk from San Diego to San Francisco on the route of the first overland Spanish expedition into California in 1769. Neely lives in Hailey, Idaho with his wife, the painter Sarah Bird, and their daughter.

Author Nick Neely

Attorney General Fox Urges Congress to Close Deadly Fentanyl Loophole

Montana Attorney General Tim Fox, as part of a bipartisan group of 52 state and territory attorneys general, called on Congress to close a loophole that allows fentanyl traffickers avoid law enforcement. In a letter to Congressional leaders, the attorneys general asked Congress to pass S. 1553 and H.R. 4922, the Stopping Overdoses of Fentanyl Analogues (SOFA) Act. Fentanyl is currently a Schedule II controlled substance. When used as prescribed by a physician, it can be a safe painkiller. However, outside of careful supervision, fentanyl and analogues manufactured illicitly can be lethal. (Analogues, often referred to as "designer drugs," are made to mimic the effects of a certain drug while avoiding laws.)

"Congress needs to do all it can to help our nation's law enforcement and first responders as they battle our opioid crisis," said Attorney General Tim Fox. "Swift passage of the SOFA Act would be an important step in our fight against fentanyl abuse and the manufacturers of its lethal and illicit analogues, which kill people all across the country."

The SOFA Act, if passed by Congress, eliminates the loophole that keeps the controlled-substance scheduling system one step behind those who manufacture fentanyl analogues and introduce these powders into the opioid supply. The SOFA Act allows the Drug Enforcement Administration to proactively schedule all newly modified fentanyl analogues.

Last fall, Attorney General Fox hosted training for Montana's law enforcement officers and prosecutors on how to best investigate and prosecute death cases resulting from overdoses of heroin, fentanyl, and methamphetamine. The training was part of Attorney General Fox's Aid Montana initiative, which seeks to strategically and comprehensively address the state's substance abuse epidemic.

According to Montana's State Crime Lab, fentanyl was detected in 29 postmortem cases in 2016 and 15 postmortem cases in 2017. In autopsied cases, it was determined to be the cause of death in nine cases in 2016 and three cases in 2017. In 2016, there were three overdoses tied to designer opiates (furanyl-fentanyl, U-47700, and carfentanil) and four overdoses in 2017. For more information, read the Crime Lab's 2017 Annual Report.
