DUI Accountability Court

The Beaverhead County DUI Accountability Court has graduated three more participants from the program. Annette Newman graduated July 19, 2018; Wallace Arney graduated August 9, 2018; and Keith Broussard graduated August 16, 2018.

Each of these participants completed weekly individual and group chemical dependency treatment, twice a week self-help groups, weekly court appearances, and appointments with the DUI Accountability Court Coordinator as well as frequent random UA testing.

The Beaverhead County DUI Court has now expanded to include participants from Helena, Belgrade, and Bozeman. Participation in treatment court is a 12 to 18-month commitment where the participant is able to stay in their community keeping their job and responsibilities.

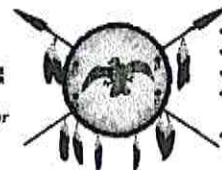

Not all cities have DUI Courts; therefore, there has been more interest in the Beaverhead County DUI Court. Participants from other areas are required to comply with the same requirements as those sentenced locally.

Since the DUI treatment court's inception in 2015, 8 participants have graduated.

Council

By: MJ

Present: The entire council was present. **Note:** Councilman Garry in the next day or so presented the mayor with his resignation letter. Councilman Garry represented Ward 1.

Mill Levy: (Park District) Councilperson O'Rourke asked the council to vote to put the parks mill levy on the November 2018 ballot. The city sent out a letter to all property owners asking them for their YES or NO vote on a mill levy for the parks district. 48%± of the letters were signed and returned with a NO vote. There was another 12%± of letters that were return with a NO vote however they were not signed. An unsigned letter could not be counted. If those votes could have been counted that would have been 50%± of the property owners against the mill levy and the issue would have been tabled until next year. Without a vote of 50% NO vote O'Rourke was able to present it to the council and

ask them to put it on the November 2018 ballot. The council was up against a time crunch to get it on the ballot and had to vote whether to put it on the ballot or not to at this meeting. **Note:** If the levy passes it will not be assessed on this year's taxes. I am not sure what the hurry was to get the council to vote so quickly unless those in favor did not want people to gather additional information before a vote, which is what some councilman wanted to do.

The vote was 4-YES and 3-NO. Councilman Schwandt, Nye, Graham, voting NO thought that according to the letters returned most property owners did not want the mill levy at this time. They felt that more time was needed to discuss the Pros and Cons of the levy. **Note:** Councilwomen O'Rourke did not present any information like; who would be paying for the the mill, how much it would cost, who would be allowed to increase the price of the mill and when, how it will affect low income families along with the extra cost they will be paying for the new police and school mill levies... **Oath of Office:** Representatives take an oath to represent the whole and the question is: did the council take the time to represent the whole?

EMAIL: It appears there was an email sent out prior to the council meeting by one of the council members. It appears that this email sent may not have followed statute. **Note: Section 9 Right to know statute.** No person shall be deprived of the right to examine documents or to observe the deliberations of all public bodies or agencies of state government and its subdivisions, except in cases in which the demand of individual privacy clearly exceeds the merits of public disclosure.

Mayor Klakken went into detail explaining how emails can be used effectually and at the same time following the laws. He talked about what the consequences of not following laws are. The email issue has been discussed in detail at several prior council meetings. As humans we have a way of shutting our ears off or hearing only what we want to make an issue fit what we and our constituents want. By shutting the ears, we can ignore statues and push issues through for a speedy vote. **Do we have W.D.C. action going on in our local Podunk government?**
