Brent Prophet

Brent Prophet, our beloved husband, father, brother, grandfather, and great grandfather met our heavenly father on August 23rd, 2018. He was born on January 29th, 1936, in Sugar City, Idaho to Harold "Shorty" Prophet and Alt M. Prophet and later moved to Armstead, Montana, where he met his future wife Barbara Harwood. Brent graduated from Beaverhead County High School in 1954. Brent served 4 years in the US Navy assigned to the USS Cimarron and USS Mount Katmai. He had a stroke in 1959 and was paralyzed on the right side of his body. He didn't allow this to hinder him in any way.

He and Barbara were married in 1961 and were blessed with a daughter Dawn Marie in 1966. They moved to Trout Creek Montana in 1967 where he worked at the sawmill for 11 years and then was the school janitor for 11 years.

He was blessed with a granddaughter, twin grandsons, and a great-granddaughter and was known as Dad, Papa, and Grandpa to many others he considered his own.

Brent was known best for his stories and his strong opinions. He loved horses and books and talking to people in general. He kept his witty sense of humor right up until the end. He was loved and respected by many, he will be truly missed.

He is survived in life by his wife of nearly 57 years, Barbara Prophet, Brother Val (Sandy) Prophet, Son-in-Law Dave McMillen, Grandchildren Misty (Travis) Beckett, Shawn and Kendal McMillen, Great Granddaughter Payton Beckett and numerous nieces and nephews. He was preceded in death by his daughter Dawn Marie McMillen, his parents Harold and Alt Prophet and brothers, Larry and Michael Prophet.

Campaign Propaganda

Coming up is an election where there will be several candidates running for one position. I am listing the conditions that I will follow when publishing 'Letters to Editor' for a candidate.

Note: Letters to the Editor addressing a candidate running for public office will be printed only if:

1. Letter provides verifiable factual data about a candidate. Provide where facts and figures were taken from for verification purposes.
2. Letter must include a phone number and address where the writer may be reached if there are questions?
3. No letter will be published that has negative, offensive opinions or belligerent statements.
4. I will publish letters when I have room available.

I am happy to provide a way you may support a candidate running for public office. Thank you for honoring my position.

If that is not what you wish to do please use social media

All political ads must have a disclaimer on them that lists the name of secretary, address and who is paying for the ad.

As editor of the Dillonite, I feel that in our small town, negative smear campaign ads are not needed. We continue to live, work and belong to organization with these people and we don't need the hurt and anger it causes. If I put a letter to the editor that is against someone - my business and I get blamed by the other side by many with calls and threats. I will not take a public stand for or against a candidate.

Daines Helps Secure Funding to Prevent Meth, Opioid Use in Montana

U.S. Senator Steve Daines today announced over \$375,000 in grant funding to help prevent youth substance abuse in Montana. The grants, awarded by the Drug-Free Communities (DFC) Support Program under the Office of National Drug Control, will be given to three community coalitions including the Lincoln County Unite for Youth Coalition, Be the Change 406 Coalition, and Anaconda Community Intervention, Inc.

"Supporting our community leaders and coalitions is a key component to helping combat the drug epidemic in Montana," Daines said. "This funding is critical to protecting our youth from getting involved in drug use and keeping our streets clean and our families safe."

The Lincoln County Unite for Youth in Libby, Be the Change 406 Coalition in Dillon, and Anaconda Community Intervention, Inc. in Anaconda will each receive a \$125,000 grant. The goal of the funding will help the groups establish and strengthen community collaboration in support of local efforts to prevent youth substance misuse. The grant awarded to the Anaconda Community Intervention, Inc., is an extension from a grant awarded a previous year.

In May 2017, Daines introduced a bipartisan bill to combat meth use across Montana and to strengthen Tribes' ability to help fight the epidemic.

Bible Truth...Genuine Christian Love [Part 1]

(#92)

----We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

Love is a word often spoken but rarely practiced in the genuine, Christian manner referred to in the scriptures. 1 Corinthians 13 lists these Christian characteristics. I challenge the reader to compare his/her attitude with God's requirements for love as named in this scripture reference. It is obvious that the love spoken of in this passage of God's word isn't the fleshly variety that really isn't love, but selfish desire or lust.

Verse 4

1. Love is 'long-suffering', meaning it is enduring and it perseveres. Compare this with the general idea in society that love is brief and can end when a person doesn't get his own way.

2. It is 'kind' which means it shows mildness. Note the contrast between the general actions in a world filled with 'road' and other types of rage and Biblical love, which requires kindness. The lack of kindness that emanates from Christian love is seen in the constant put-downs that seem to be a part of our current culture.

3. Love does not 'envy'. This means that love doesn't covet what it doesn't have & is not jealous when others get attention and it doesn't. It seems obvious that our society doesn't understand this one. How often have terrible things happened as a result of jealousy & envy?

4. Love is not puffed up. This refers to pride, vanity, and an inflated ego that leads to constant boasting. This one really stands out in a world where egotism and boasting is a common occurrence. From the athlete beating himself on the chest and boasting in his abilities to the individual wearing a T-shirt proclaiming "It's all about me". This attitude is also observed in individual's that seem to want every conversation to be about what they have done, what they know, and where they have been.

(Next: Love isn't rude, selfish, easily angered and doesn't think evil.)
