MONTANA WESTERN FOUNDATION ANNOUNCES THE FOREVER M.J. #18 SCHOLARSHIP.

The University of Montana Western
Foundation is honored to announce
the Forever M.J. #18 Scholarship,
established by the Simkins family in
honor of the memory of
Mark James (M.J.) Simkins Jr.

M.J.'s passion to teach, coach, and make a difference in the
lives of our youth," said Kathy Simkins, M.J.'s mother.

The scholarship criteria specify that recipients must be
education majors, maintain a 2.5 GPA or higher and be a
football player in good standing with the university.

"There is much more to life than the game of football.
It's all about the memories you create along the way with the
great people you meet," wrote McElroy in his thank you letter
to the Simkins family. M.J. was one of McElroy's first friends
at Montana Western. Both recipients feel honored to represent
this scholarship in its foundational year. Ferris was a lifelong
friend of M.J.'s.

The support received from friends and family has helped
to endow this scholarship at the Montana Western Foundation.
"The outpouring of love and support towards this young man
and his family is truly remarkable. The foundation is honored
to be able to offer this scholarship to student-athletes who will
forever represent the characteristics that M.J. personified,"

The University of
Montana Western
Foundation is honored
to announce the Forever
M.J. #18 Scholarship,
established by the
Simkins family.

Mark James Simkins
Jr., also known as M.J.,
was passionate about his
family, faith, football, and
friends. His family chose
to endow a scholarship
at the University of
Montana Western
where his legacy will be
remembered forever.

M.J. was active in his
community, excelled
academically, and was
a leader on and off the
football field.

The Forever M.J. #18
Scholarship was awarded
for the first time this
spring to J.D. Ferris and
Jake McElroy for the
2018-19 academic year.

commented UMW Foundation Executive Director Roxanne Engellant.

M.J.'s high school classmates organized a wristband fundraiser, while his Montana Western friends sold T-shirts in his honor with the phrase "All Dawgs go to Heaven." The Simkins family then contributed all of the funds raised directly to the Football Program to assist with upgrades to the football locker room in the B.A.R.C. facility.

The scholarship and locker room project fall in line with M.J.'s passion for "making it better for the next one up!" In one of M.J.'s previous interviews, he stated that he wanted to leave this place better than he found it.

Those wishing to contribute to the Forever M.J. #18 Scholarship can contact the UMW Foundation by calling 406-683-7305, by donating online at umwfoundation.org or donations can be mailed directly. Please address donations to the Forever M.J. #18 Scholarship Fund, C/O the UMW Foundation, 710 S. Atlantic St., Dillon, MT 59725.

Letter to the Editor

Dear County Commissioners,

We need to state a position on how federal lands should be managed in Beaverhead County. These positions should be thought through, best with public input, published and available to the public. These positions should be specific and parcel by parcel if warranted. Positions need to address wilderness, tourism, fire, mining, oil and gas, economic development, pollution, roads, timber, public access through private land, motorized and non-motorized access, hunting, grazing, leasing of land, taxes, payments in lieu of taxes, and services to be provided by the County, the State or the Federal Government. I am sure their are more topics to be added to the list.

The Commissioners' letter on Wilderness Study Areas should have said there is not strong public support for releasing the WSAs, rather than the other way around. Commissioner McGinley's definition of strong public support is 80%. Clearly there is not "strong public support" to release WSAs based on the public hearing and communications received by the Commissioners. There is strong public interest in moving forward to both designate some areas as wilderness, release others, and better provide for public access to federal land. The 'fake news' put into the letter of support for our congressmen's bills does not represent the public view and smacks of political cronyism.

Why are you, along with our congressmen, saying let the Feds decide how the land will be used through their processes without our input? We have been living with the Feds inability to act for too long. Congress sent a bill to President Regan in the 1980s involving WSAs which he vetoed. Circumstances, science and public thinking has probably changed since that time. The information collected and recommendations of the BLM and Forrest Service have been updated. Let's use that knowledge to act proactively.

WSAs were created to determine if those land areas should become wilderness areas. Well, the studies have been done. Some should become wilderness and some should be released. Releasing any WSAs will do nothing to get the Federal Government out of our lives. In fact, the Feds will become more involved managing Federal land in Beaverhead County.

My Commissioners, this topic is of the highest order to all of us who live in Beaverhead County, so let's give it the attention it deserves. You have the ear of our congressmen, so do the work, represent us, and give them our best thinking on Beaverhead County federal lands.

I volunteer to help.
