2nd ANNUAL BIG SKY BEHAVIORAL HEALTH SUMMIT TO TAKE PLACE AT THE UNIVERSITY OF MONTANA WESTERN

On Sep. 13-14, 2018, the Beaverhead County Mental Health Local Advisory Council (LAC), in cooperation with the Madison County LAC, will be hosting the 2nd Annual Big Sky Behavioral Health Summit. The focus of this year's summit will be trauma responsive care and will include a nationally-renowned panel of presenters. The summit consists of two full days of presentation including Toolkit Workshops during day one and a Know-and-Grow-Your-Network luncheon on day two.

Trauma responsive care is a community-based approach to childcare that involves a understanding of the impact of toxic stress and trauma on the brains of children. It is believed that such an approach can help to effectively treat and avoid severe mental health issues, lower school suspensions, enhance resilience, avoid future medical issues, and reduce the rates of suicide and criminal behavior.

Perhaps the highlight of the event will be the keynote address to be delivered by mental health and wellness activist Chamique Holdsclaw. Chamique is regarded as one of the greatest basketball players of all time owning an Olympic Gold Medal, Multiple WNBA All-Star selections, and two NCAA Player of the Year Awards. A critically acclaimed documentary film, "Mind/Game: The Unquiet Journey of Chamique Holdsclaw," was released in 2015 and Holdsclaw is also the author of her autobiography "Breaking Through: Beating the Odds Shot after Shot."

In addition to Chamique Holdsclaw, presentations and workshops will be delivered by Dr. Judy Cameron, Professor of Psychiatry at the Translational Science Institute of the University of Pittsburgh and Dr. Dawn Cureton, Clinical Psychologist for Healthy Care Solutions and the Child & Family Clinic in Idaho Falls. Additionally, University of Montana Western Education Professor Dr. Vikki Howard will present together with Great Falls Public Schools Student Mental Health Coordinator Erin Butts.

Summit programming will resonate with a broad range of professionals, including mental health providers, addiction care providers, primary care providers, all medical staff, law enforcement officials, and public service/elected officials. All are welcome and we encourage community members to attend who would like to become more trauma informed and enhance their insight regarding mental health issues.

The cost of the two-day summit is \$150 and 13.5 Idaho and Montana CEUs will be available at no extra cost. 13.5 OPI CEU's will also be available for Montana teachers at no extra cost. Additionally, one undergraduate EDU credit will be available through the Montana Western School of Outreach at an additional cost of \$115. Registration and payment for the single credit will take place on site the morning of day one check-in. Summit registration and information, including the summit schedule, can be found at: <https://bvhdclac.eventbrite.com>. To register, simply click on "tickets," then follow the registration instructions - a credit or debit card will be required. The registration deadline for this event is September 10th.

If you have questions regarding the summit please contact Jerry Girard at (406) 925-0642.

City Prepared for Weekend Events:
 By: MJ
 Thank you goes out to Stacy and Phillip for doing an outstanding job representing Dillon as the bazaar manager. They were on hand circulating and welcoming the distributors while helping them get set up. Phillip's short legs were trying to keep up. There were more entries this year. An added feature this year was a dunk tank.
Dunk Tank Results: Jeremy Alvarez was winner with 33 dunks followed by Sheriff Kluesner (23), Rep. Tom Welch (26) and Mayor Klakken (22) and Commissioner Rice with (17). Revenue received will go into city hall building repair fund.
 Thank You goes to the Mr. Gutcheck, City Park Manager for the city parks. He had the grass mowed and dog poop left by thoughtful pet owners cleaned up.
 Thank you to Mr. Hoems and all of the hard-working street crew that completed the repairs to water lines that had broken last winter on Bannack and Idaho streets. The crew was cognizant of the businesses on the street and only closed street when necessary for the safety of employees and citizens of community. The crew was aware of the upcoming Labor Day celebration and completed the job with time to spare.
 I hear many complaints about; street closures, cost of water, the neighbor's weeds, a rabbit enjoying a delicious desert in gardens, dog at large, barking dog, parked trailers... **Question:** Why is it humans love to control, and ridicule others. You can only control yourself and how you choose to act. *When you do this, you stop allowing you're expecting another person who 'should' act a certain way to affect who you are and how you feel. Why is it that we refuse to control what we know we can control and instead we want to control the uncontrollable? In reality when we try to control the uncontrollable we suffer because someone is not complying with our wishes, desires and commands.*
 You are not controlled by outside factors, people or events. Let go of your desire to control the uncontrollable. *When you act upon what you are in control of you build within yourself the resources and character that is likely to make you more attractive to the things that you desire. That might be a job, a promotion, getting elected...*

FIRE UPDATES

- Monument fire: 6,614 acres, 56% contained.
 - Wigwam fire: 4,087 acres, 100% contained.
- Assigned resources: Fire Engine 1; Total Fire personnel: 10

A Burned Area Emergency Response (BAER) team has been assembled and is currently assessing the burn severity of these fires. The team will make recommendations and develop a plan for future rehabilitation needs in the burn areas to include erosion control, road maintenance, and removal of hazard trees.

Road closures have been lifted, however, people traveling in the fire area need to use caution as there are fire personnel working in these areas and there is still active fire and many fire weakened trees within the interior.

Archery hunting season has opened and it is recommended hunters carry a saw with them as they travel roads and trails due to fire weakened trees that may block trails and roads.

Additional Information:

Bears: There have been multiple black bear and grizzly bear sightings in the area, visitors are advised to take precautions by storing all attractants appropriately and to carry bear spray.

For updates on wildfires and other activities across the Beaverhead-Deerlodge and Salmon-Challis National Forests, follow their Facebook pages.

The 20th Annual KDBM-AM and KBEV-FM school supply drive items will be distributed next week. Last year we were able, with your help, to send school supplies to over 805 students in Beaverhead county plus Twin Bridges and Sheridan.

We have a school supply deposit box at Womack's Printing and one right here at the Radio Station. If you would like to help by writing a check, make it payable to "The School Supply Drive". If you can help, please do so by Friday so supplies can be distributed as the school year gets it start. If you have any questions, please call the radio at 683-2800.

State Motor Vehicle Division Launches REAL ID Website

As part of its ongoing efforts to inform the public about REAL ID, the Montana Department of Justice's Motor Vehicle Division (MVD) has launched mtrealid.gov. The site provides answers to frequently asked questions and allows interested individuals to sign up for MVD's email notification list when appointments are available to obtain a REAL ID compliant license.

During the 2017 Legislative Session (Senate Bill 366), Montana's legislature and governor directed MVD to create an optional driver license that complies with the federal REAL ID Act of 2005. Montanans can apply for a REAL ID beginning in January 2019.

"Over the last year, we've been working toward REAL ID implementation by acquiring the necessary equipment to issue compliant credentials and producing outreach materials like this new website," MVD Administrator Sarah Garcia said. "Before the end of the year, we will launch a public service announcement campaign, created through a partnership with MSU-Billings students. We want to give Montanans ample time and accurate information to decide if a REAL ID license is right for them."

Last fall, Montana received an extension from the U.S. Department of Homeland Security for REAL ID implementation. The extension expires October 10, 2018. At this time, Montana drivers' licenses are accepted by the Transportation Security Administration to board domestic commercial flights and access federal facilities. MVD has requested another one-year extension and is awaiting the decision. MVD continues work closely with DHS to ensure full compliance with the law.
