STRONG PEOPLE PROGRAM New Session Begins September 10

The program will help participants look and feel better while increasing strength, bone density, and balance. Since 2010, when the program began locally as Strong Women, participants have reported improvement in all of these areas. It is a good program for people of all ages and activity levels.

Participants use ankle weights and dumbbells (provided) in exercises done slowly, beginning with minimal weight and increasing the weight very gradually as the exercise repetitions seem easily completed.

The program is not for profit and leaders volunteer their time. A minimal fee of \$20 per month is charged so equipment and supplies can be purchased and rent paid to the Elks Lodge. New participants are encouraged to try the program for two meetings before making the monthly payment. If they choose to continue the program, the monthly fees are charged at that time.

Currently the program is being run two days per week (Monday and Thursday) in sessions eight to 12 weeks long, after which participants have the opportunity to continue a maintenance program (no fee charged) until the next session begins. A new session begins Monday, September 10, 2018, from 10:00 until 11:15 at the Dillon Elks Lodge, 27 E. Center St. All former and new participants (including men) are encouraged to attend. Wear comfortable clothing and closed toe footwear. Anyone new to the program should arrive 15 minutes early to complete a small amount of paperwork.

For further information call or text Jeannette Pittman at 660-2777 or Lois Volkening at 925-3774.

THE UNIVERSITY OF MONTANA WESTERN INVITES COMMUNITY TO BIRCH CREEK OUTDOOR EDUCATION CENTER

The University of Montana Western Birch Creek Outdoor Education Center will be hosting an Open House on Wednesday, Sept. 12 from 6-9 p.m.

The center was constructed in 1935 as a Civilian Conservation Corps (CCC) camp. The CCC was a direct outgrowth of President Roosevelt's "New Deal" program in response to high unemployment during the Great Depression.

Camp Birch Creek served as a CCC camp until 1941. In 1985, the University of Montana Western took over the operation of the center.

The center serves to provide a comfortable and safe environment for diverse educational, recreational and social opportunities. It also encourages field-based and group enriching experiences for the surrounding communities.

The Birch Creek Outdoor Education Center accomplishes this through hosting private events, retreats, and outdoor education courses for experiential university events and classes. At the Open House, there will be tours of the historic Birch Creek Civilian Conservation Corps camp and many activities related to geology, forest science and stream ecology.

The Montana Western Birch Creek Outdoor Education Center will be hosting an Open House on Wednesday, Sept. 12 from 6-9 p.m.

Bible Truth...Genuine Christian Love [Part 2]

----We believe the following: (1) the Bible was given by the inspiration of God, 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with the Bible are false.

Our last article referred to the subject of Biblical love as recorded in 1 Corinthians 13:4. This verse states that love is enduring, kind, not envious and is not 'puffed up' (meaning it's all about me). The next verse continues speaking about what love is not.

Verse 5

1. Love doesn't "behave itself unseemly" (in a rude, disgraceful, or shameful way). Genuine love doesn't act in a manner that would be a "violation of decency". Christian love will prevent the use of "profane and indecent language, improper allusions, double meanings and innuendoes, coarse and vulgar expressions." (Barnes) In a society where rudeness seems to be the norm, this kind of love will stand out like ray of light on a dark night.

2. "Seeketh not her own" is the next attribute of love listed in this verse. This attitude is a contradiction to general idea that "if you love me you will do what I want." Biblical love neither desires nor requires having its own way. How many heated arguments would be settled if this principle were applied?

3. Not being "easily provoked" is the next characteristic of genuine love. This refers to not being easily irritated or annoyed. Quite often people get "easily provoked" because they are not practicing the previous attribute, i.e., love not insisting on having its way.

4. "Thinketh no evil" is the final statement about Christian love in this verse. This refers to thinking unkind or hostile thoughts of others and keeping track of what we may consider to be the faults of others. Consider the following quote by Dr. Warren Wiersbe: "Love always gets the truth and wants the best for others. Love cannot thrive on lies, gossip, and suspicion. Love thrives on truth, honesty, and sincerity. Let this simple statement be your guide and protection: "'Love thinketh no evil.'"

[Next week: what does and doesn't cause love to rejoice]
