THE UNIVERSITY OF MONTANA WESTERN RANKED AMONG THE BEST COLLEGES

The University of Montana Western was recently ranked among the "Best Colleges" by U.S. News & World Report and was also ranked in the top five "Best Colleges in Montana for 2018" by Best Colleges.

U.S. News & World Report has bestowed the University of Montana Western, a public institution founded in 1893, with several impressive rankings in the Western region. The rankings include #9 in Best Regional Colleges, #4 in Top Public Schools and #7 in Best Colleges for Veterans. One of the most unique aspects of Montana Western is the Experience One program, an innovative scheduling system that allows students to focus on a single course at a time.

BestColleges.com ranked the University of Montana Western among the top five "Best Colleges in Montana for 2018." The Best Colleges scores are calculated based on a combination of reports from the National Center for Education Statistics and academic quality, affordability, and the breadth and depth of online learning opportunities.

The fields of academic study at Montana Western include Biology, Business and Technology, Environmental Sciences, Education, English, Equine Studies, Health and Human Performance, Fine Arts, Mathematics, and History, Philosophy, and Social Sciences.

Students at the University of Montana Western enjoy a tight-knit community atmosphere and small class sizes where they work closely with peers and professors alike. The 20-acre campus is an excellent choice for students to take advantage of the experiential learning offered by the Experience One program, where they can build on critical and creative thinking skills to prepare for real-world job and graduate school opportunities. Montana Western's commitment to engagement and support offer an incredible experience for students while maintaining a high standard of academic excellence and low tuition costs.

For more information about Experience One and the University of Montana Western or to schedule a tour, visit www.umwestern.edu or call 877-683-7331.

Once Again - For What It's Worth

As a, now retired career military veteran, I was never involved in political affairs. As a soldier you just follow the orders of your superiors.

You do not choose them. But now comfortably retired from 26 years military and 10 years on federal civil services, I can now be a civilian.

Paul Craft has been a friend and neighbor for almost 20 years now. He was of significant help to me in dealing with my mother's (Charlotte Kistler) final years. His dog doesn't even bark at me any more.

As our former chief of police he is obviously well trained and experienced in law enforcement procedures and protocol. As a fellow Montana outdoors man, I'm sure he has caught many fish, shot a few gophers and maybe even a few deer or elk.

Correct me if I'm wrong, but I think Beaverhead County is the largest land area wise in Montana. I am certain that Mr. Craft is well familiar with the entire area.

Paul's years in city law enforcement show that he is very capable of serving in the county sheriff position. I encourage my fellow county citizens to support him in his election bid. I would also ask for your support in maintaining Senator Testor in office.

Celebrate public lands at cleanup events

Join the Bureau of Land Management in celebrating public lands at several events taking place throughout September in western Montana.

The volunteer-driven cleanup activities center around National Public Lands Day, the nation's largest, single-day volunteer effort for public lands, but the fun is not limited to just one grid-square on the calendar: several opportunities on multiple days are available to those who want to pitch in and give back to their public lands.

The BLM's Western Montana District invites the public to join them at the following events celebrating public lands and people's connection to the landscape throughout history:

Sept. 15-16 at Devil's Elbow Campground: Native American Pow-wow. For a complete schedule, call (406) 533-7600, or email kscarbrough@blm.gov

Sept. 22 at the Copper City trail system: 9 a.m. to noon, trail maintenance. Volunteer to help clean up and maintain one of the BLM's newest mountain-biking networks in the west. A barbecue lunch will be provided after the work is done, followed by several group rides leaving from the trailhead at 1:30 p.m.

Sept. 24 at Log Gulch Campground: 9 a.m. to 1 p.m. Meet at the campground on the shores of Holter Lake, north of Helena, for a day of planting trees around the recreation area. Bring a lunch, water, and weather-appropriate clothing. For more information on the cleanup day, call (406) 533-7600.

Sept. 29 at Revenue Flats: 9 a.m. to noon, campsite and trail cleanup. Volunteers should follow the signs along Highway 287 at Norris to meet at the first left-hand turn after entering public lands. For more information, contact McGrath at (406) 682-4082, or by email at cmegrath@blm.gov

For more information, check out NEEFusa.org/ NPLD. Everyone is encouraged to follow and participate in the conversation on social media using the hashtags #NPLD and #NEEF25thNPLD.
