MARY CATHERINE WATTERS

Word has been received that Mary Catherine Watters passed away September 12, 2018
Obituary to follow.

Jesse Raymond Koontz (Ray Ray), 80

Jesse Raymond Koontz (Ray Ray), 80, of Lima, Montana and Quartzsite, Arizona, passed away August 24, 2018, in Dillon, Montana after a long, hard-fought battle with cancer.

Ray was born March 28, 1938, in Dillon, Montana, to Sherman T. Koontz and Emma June (Brown) Koontz. He was the oldest of 6 children. He married Neva Rae Brown on December 6, 1957, in Idaho Falls, ID, and they were later divorced. To this union were three daughters, Debra Ann, Katherine Lynn and Teri Rae.

He served as a Chief Petty Officer in the U.S. Navy as a Nuclear Submarine Mechanic and retired after 20 years. He re-enlisted into the Navy and served 10 additional years. He was a lifetime member of Veterans of Foreign Wars.

Ray Ray became a "snowbird" living summers in Montana and winters in Arizona and was a well-known friend and family member in both communities. He had many interests including softball, desert golf, hunting, shooting, and he loved to sing karaoke. Ray had a great sense of humor and he loved to tell stories and to make people laugh.

He is survived by his daughters Debra Ann Koontz of Quartzsite, Arizona; Katherine Lynne Martin (Bart) of Idaho Falls, Idaho; and Teri Rae Koontz of Quartzsite, Arizona; grandchildren: John Koontz (Jamie), Jamie Ryder, Amanda Sturgeon (Kenneth), Scott Ryder, Matthew Grindrod Zachary Grindrod (Anna), Katlynn Holdgate (Daniel, and Cassidy Martin; brothers: Thomas Koontz (Doris), Ronald Koontz, Steven Koontz (Susan; sister: Barbara Schwartz (Robert); and 12 great-grandchildren.

He was preceded in death by both parents; grandson, Shawn Ryder; and one brother, Richard Koontz.

The family would like to thank Dillon Hospice, Barrett's Hospital workers in Dillon, Montana; Dr. Weed, Dr. Murray, and Dr.McIntyre, as well as Dr Ellie Maghami at the City of Hope and Dr. Samir Patel and Dr. Mahesh Seetharam at the Mayo Clinic in Phoenix.

Memorial services to be held September 22, 2018 at Mountain View Cemetery in Dillon at 1:00 pm under the direction of Brundage Funeral Home in Dillon.

Beaverhead Search and Rescue Call Out

Beaverhead Search and Rescue Locates Overdue 4 Wheeler at approximately 10:00 PM on September 7, Beaverhead Search and Rescue search managers were paged to the S&R building. The Sheriff's office had received a call about an overdue 70 year old male who had been 4 wheeling in the area west of Melrose. After an initial evaluation of the situation, the membership was paged and a full blown search was in progress. Family members reported that the overdue individual would not be off a main road. The initial search area encompassed all major roads west of Melrose to Vipond Park, located west of Canyon Creek. Ten members of the Beaverhead S&R searched all major roads in the area until 4:00 AM. At that time all teams returned to town and the search resumed at daylight that morning.

On Saturday, September 8, day two of the search concentrated on the same area but included all other roads and trails in the area. Fourteen members of the unit participated in the search efforts during the day along with six community volunteers and a forest service helicopter which was stationed at Wise River. After multiple search teams had driven numerous roads and trails in the search area, at 2:45 PM, S&R members Mark Sanders and Gabe Hupp located the 4 wheeler approximately 400 yards off a jeep trail on the side of a very steep ridge. It had been rolled in a rock pile. The 70 year old male was not at that location.

It was apparent the individual had suffered severe injuries in the accident. Russ Sigman, a trained man tracking member of the unit determined the direction the individual was traveling. While the tracking team continued verifying his movement and direction of travel, the forest service helicopter flying the area was called to the location to see if they could locate the missing male from the air. After a short time the individual was located by the air ship. He was about 300 yards from his machine and had been on the mountain for 24+ hours waiting for assistance. Several search and rescue members converged on his location. They found the individual to be coherent but very weak. After a field evaluation of his condition, it was deemed feasible to load him into a side by side and transport to a waiting ambulance.

Sheriff's deputy Dan Mulkey worked with search managers, Lawrence Morrisroe and Alan Holt to help coordinate the initial search efforts. On day two of the search the command base camp was set up just outside of Melrose and all incident efforts were managed from there. A total of 19 S&R members participated in the search efforts. Members included: Cole Cottom, Chuck Clark, Casey Crawford, Tommy Goins, John Helle, Alan Holt, Gabe Hupp, Kolby Malesich, Lawrence Morrisroe, Shane Puyear,

There were also six volunteers from the surrounding area. They included: Weston Helle, Brandon Turney, Gerry Goody, Mike Marsh, Daryn Engesser, and Johnny Harrison. The Search and Rescue would also like to offer a special thank you to Matt Mickelson, US Forest Service LEO; Nate Alexander and his flight team, Dillon Helitack; and Holly and Travis Carpenter of Melrose for letting the unit use their property as a base camp…

In all, the Beaverhead S&R unit and volunteers accumulated 231 man hours during the search and covered 371.4 miles on the ground. This did not include flight time for the Forest Service helicopter and team.

Road to Highland Lookout Remains Closed to Vehicles

The Forest Service is reminding visitors who wish to travel the Highland Lookout Road (Forest Road 8514) south of Butte, that the road is closed to motorized vehicles. The road has been closed since 1989 to protect the natural resources in the area, however, it is still accessible to other types of non-motorized travel.

"People are driving their motorized vehicles beyond the closure and I am concerned for their safety said District Ranger Dave Sabo, "the road is narrow with multiple switchbacks and steep drop-offs. If folks would like to walk, bicycle or horseback beyond the closure to visit the lookout it's absolutely fine and much safer."

The road is normally closed by a gate that was vandalized last fall leaving the road open. Reflective barriers have been placed at the gate closure until Forest crews can replace the gate. The Forest Service is asking visitors to please respect the closure and not remove or drive beyond the barriers.

For more information contact the Butte Ranger District at (406) 494-2147.
