Jack Russell Smith, 83

Jack Russell Smith, 83 of Dillon, Montana went to be with his Lord and Savior on September 16, 2018. He was born on October 15, 1934 in Dillon to Clyde Hunter and Madge Susannah (Ray) Smith. He was the baby of the family the last of 8 children.

Jack met Marion the love of his life when he was in 3rd grade they were together all through school. He attended Beaverhead County High School and worked on the family ranch as a young man. In June of 1957 he entered the armed forces and proudly served our country in the United States Army he was discharged to the reserves where he served until June 5, 1959 he then married Marion on December 26, 1960. One of the things that Jack wished that he had done earlier was get married to Marion. They had two children Craig and Deborah.

His fondest working memories were ranching with his father, unfortunately his working career was cut short in 1968 when he suffered a major head injury while he was working in the Centennial Valley, that left him unable to continue working. That did not hinder his creativity and determination as he and his wife and son Craig built a one room pioneer cabin north of Dillon from rocks that they had gathered from all over the area. The cabin is still standing today. He, Marion and Craig built many rock walls, flower planters and several more projects. Jack loved making things with rocks and he enjoyed welding and making things with horse shoes. When visiting his home, you might have sat on one of his horse shoe chairs that were on the porch. He had a lifelong mischievous side, loved to tease his brothers, sisters, nieces and nephews.

Jack would like to be remembered for always trying to do what was right, being honest and a hard worker. Jack lived his life for the Lord. His sentiments to those he loved were that they should receive Jesus Christ as their personal Savior. He felt that was the best thing that anyone could do with their life.

Jack is preceded in death by his wife, Marion and his daughter, Deborah. He is survived by his son, Craig and numerous nieces and nephews. Services are scheduled for Monday, August 24th, 2018 at 1 PM at Brundage Funeral Home with military honors scheduled at Mountain View Cemetery. Memorial contributions may be made to the First Presbyterian Church or the YMCA. A guestbook is available online at www.brundagefuneralhome.com.

**Volunteers Sought to Host at Popular
Gordon Reese Cabin**

The Forest Service is looking for winter recreation enthusiasts to volunteer at the Gordon Reese Cabin located at the Chief Joseph Cross Country Ski area this winter.

Volunteers are welcome to assist in maintaining this popular facility throughout the winter season. Each Tuesday and Friday during the ski season is set aside for volunteers to serve as Forest Service cabin hosts, helping maintain the cabin and trailhead facilities during the day and staying overnight for free. It is not necessary for volunteers to stay in the cabin through the entire day. Volunteers and their guests are encouraged to enjoy and explore the trails and surrounding winterscape. The Forest Service asks that volunteers occasionally return to the cabin to tend the woodstove fire, ensure snow is melting for hot water, and make the cabin clean and comfortable for visitors to use as a warming shelter during the day.

General volunteer host duties include: meeting and greeting the public; answering visitor questions; shoveling paths leading to both outhouses at the cabin and the trailhead; clearing snow from the deck and doors; stocking and cleaning the cabin and both outhouses; restocking firewood from the basement to the main floor and tending the woodstove fire.

To volunteer at the Gordon Reese Cabin, call the Wisdom Ranger District office at (406) 689-3371 beginning Monday, November 5 at 8 a.m., MST. Due to

the popularity of the cabin volunteer program, this will be the only number used for volunteer sign-up; the main District Office phone number will be kept open for regular business calls.

The Gordon Reese Cabin is available to the general public to rent from December 1 through April 15. Reservations are \$10 per day and can be made on-line beginning Monday, November 5 at 8 a.m., MST at www.recreation.gov or call (877) 444-6777. Cancellations are also handled through www.recreation.gov. However, due to the popularity of renting the cabin, last minute reservations and cancellations may be filled by contacting the Wisdom Ranger District office at (406) 689-3243.

As with other rental cabins, renters are responsible for cleaning the cabin, and packing out everything they pack in. During the day, the cabin is available as a warming hut to cross-country skiers, so renters do not have exclusive use of the facilities and are expected to act in a welcoming manner. The upstairs sleeping area can be closed off to provide limited privacy during the day. Pets are not allowed at the cabin or on the trails. Visitors, volunteers and overnight guests must bring their own drinking water and are encouraged to share the large snow-melting pot for boiling water.

The cabin is located approximately ½ mile from the Chief Joseph Pass parking area/trailhead on Montana State Highway 43, 10 miles south of Sula, MT and 25 miles west of Wisdom, MT. Access to the cabin is an easy ½ mile snowshoe or ski on well groomed trails. The

Chief Joseph Cross-country Ski Trail system encompasses over 30 miles (48 kilometers) of groomed trails of various difficulty. The trails are groomed and maintained throughout the ski season by a partnership between the Bitterroot Cross Country Ski Club, Lost Trail Powder Mountain ski area, the Forest Service, and the State of Montana. Contact the Wisdom Ranger District for more information at (406) 689-3243.

Attorney General Fox Urges Congress to Renew Violence against Women Act

*Program has brought more than
\$73 million to Montana since 2005*

Attorney General Tim Fox and 55 other state and territory attorneys general are urging Congress to reauthorize the Violence against Women Act (VAWA).

Today, the attorneys general sent a letter to congressional leaders and chairs of the Senate and House Judiciary Committees, urging lawmakers to vote to reauthorize VAWA before it expires this year.

"Congress must renew the Violence against Women Act. It is an important law that brings resources into our communities to aid victims and to advance prevention efforts," Attorney General Fox said. "Over the last few years, at the state level we have improved the legal and law-enforcement response to sexual assault crimes, and we need to continue moving forward. Allowing the Violence against Women Act to expire would be a significant step backward."

Enacted in 1994, VAWA has brought over \$6 billion in grant funding to government and nonprofit organizations nationwide. Montana agencies and organizations have received more than \$73 million since 2005. The grants have funded training and assistance to address and reduce domestic violence, dating violence, sexual assault and stalking. The grants have also funded resources and services to assist survivors, prosecute offenders and facilitate partnerships between prosecutors, judges, advocates, community organizations and health care providers.

In their letter, the attorneys general emphasize the importance of VAWA in reducing the rate of sexual violence toward women and addressing the devastating impacts of these crimes. They urge Congress to continue funding for programs that have helped millions of domestic violence and sexual assault survivors.

The letter is available online: <https://dojmt.gov/wp-content/uploads/VAWA-Letter.pdf>

Details on grant recipients in Montana are available online: <https://www.justice.gov/ovw/awards/fy-2017-ovw-grant-awards-by-state>

Be Responsible with your Warming Fire

After the sun sets, temperatures drop and your outdoor survival instincts beckon for warmth. You build a small, tightly controlled warming fire that provides life-giving heat that lasts throughout the night. The Beaverhead-Deerlodge National Forest wants to remind you that vegetation is dry and wildfires can occur. Do your part to ensure that you do not start a wildfire.

Be responsible and incorporate these tips to have a safe and enjoyable fire:

Constructing your warming fire:

- Clear away all leaves and other combustibles from your fire circle.
- Do not build a fire underneath overhanging branches, against a stump, or directly on organic matter.
- Stash your firewood a safe distance upwind of your fire.
- Never leave your fire unattended.

Extinguishing your warming fire:

- Drown the fire with water. Make sure all embers, coals and sticks are wet.
- Stir the remains, add more water and stir again. Be sure all burned material has been extinguished and cooled. If you do not have water, use dirt. Mix enough soil or sand with the embers. Continue adding and stirring until all material is cooled.
- Feel all materials with your bare hand. Make sure that no roots are burning. Do not bury your coals.
- If you used charcoal briquettes, "dunk 'em!" Don't sprinkle them around. Soak the coals with water; stir them and soak again. Be sure they are out cold. Carefully feel the coals with your bare hands to be sure they are cold to the touch.

Each fall firefighting crews respond to a number of fires started from unattended or uncontrolled campfires. Campfire ignitions have already burned several hundred acres this fall, costing taxpayers thousands of dollars. Fire suppression costs can be extremely high and those at fault can be held liable. Please be responsible and ensure your warming fires are controlled and completely extinguished.

Be prepared and responsible. We can all make a difference in reducing human-caused fires this season.

McCartney Mountain Kennel & Hagenbarth Shooting Preserve
2018 Youth Hunt Results

At 8:00 AM on Saturday September 15th twenty- three young men and women from the ages of 10-17 enjoyed a beautiful fall day and participated in a Youth Shoot Sponsored by: Paul Cleary-Glen, Dr. Dan Downey-Dillon, Stockman Bank-Shane Puyear-Dillon, Eric Hammer/ Dr. Sandra McIntyre-Dillon, The Bank of Commerce-Dillon, Beaverhead Home and Ranch-Dillon, McCartney Mtn. Kennel-Don Richardson-Glen, and Hagenbarth Shooting Preserve- Jim Hagenbarth-Dillon. All hunters were required to be properly licensed under Montana Fish and Game Laws. This youth hunt started with a gun and hunter safety seminar presented by Craig Fager, a Montana Fish, Wildlife and Parks biologist and gun safety instructor. Teams were drawn for age groups 10-13 and 14-17. Each team member shot 5 clays under the instruction of Craig before they entered the field. Each team shot from five stations in the field under the supervision of the field judges, Paul Manus and Mike Marsh . Three Chukar and three rooster Pheasants were released for each team and bird dogs managed by their handlers fetched the harvested birds. The field judges scored each team based on safety, hunter etiquette and marksmanship, with shots fired used as a tie breaker. The hunt ended at one and refreshments, cookies and hot dogs were served to the participants throughout the morning. The junior class (10-13) team winners were: 1st Hunter Rahn & Gunner Westfall, 2nd Hank Hagenbarth & Parker Smith and 3rd John Bramlet & Neal Brandon. The senior class winners were: 1st Anders Fanning & Connor Curnow, 2nd Treyton Graham & Bjorn Fanning, and 3rd Forrest Wagner & Coby Regan. A special thanks needs to be given to: the young men and women participants, Don and Janet Richardson and Bob Wolfe for management of the event, Shelby Westfall on trap, Carol Bryan for running the books, Craig Fager for safety instruction, Nila Wolfe photographer, Laurie Hagenbarth cookies, the judges, the retrievers and their handlers, all the supporting parents and friends, and especially the sponsors who recognize the importance of our youth in the community. We all had a great learning experience and are looking forward to next year.
