MEDICARE HELP

State Health Insurance Assistance Program counselors will be available in Dillon on October 15, 2018 to help beneficiaries review current Medicare Prescription Drug Coverage or Medicare Advantage Plans. The event is by appointment only and will be held at the Dillon City Hall. Those interested in meeting with a counselor are asked to call Southwest Montana Aging and Disability Services at 782-5555 or 800-551-3191 (toll free). We encourage all seniors to take advantage of the Medicare Open Enrollment Period, (Oct. 15 -Dec. 7), and review their coverage to make sure that their current Prescription Drug or Medicare Advantage Plan is still the best one for them.

The State Health Insurance Assistance Program trains counselors to provide unbiased information to seniors regarding their Medicare coverage. This service is provided at no cost to the beneficiary, although donations to the program are appreciated.

Special Library Meeting

By: MJ

A special meeting was held to discuss strategic planning for the future of the Dillon Public Library.

Public Discussion: Censorship regarding the library's computer policy on how a person's search for information might be linked to their library card. Anonymity was a topic of discussion. One way was to use an anonymous library cards. In order for the library to be a viable entity and serve the community there is certain information they do need to collect. An anonymous card would not give that information.

If a person did not want their name connected to a search sight and they used the library computers would that information and their name be made available? The library

does not censor where people can search. The computers are not linked to any other computers therefore a person can't hack into a patron's information. When you scan your card to use a computer all that information goes away when you unscan, or quit using the computer. *It was discussed that the library was the last refuge for free exchange of information.* **Question:** Where is there privacy in today's world and how much of your life style are you willing to give up to have it?

They have computer downstairs for children that are filtered. If the computers upstairs are being used by someone under 17 years of age they must have parental consent.

Future Expansion: The hands-on board is looking into the future and starting to prepare today. As Dillon grows the library will also have to grow. Having a fund in place for future growth was discussed. It was decided that an active fund would be set up and money set aside during a year for the future. Study and tech rooms with things like 3D printers and computers, having the library serve as the hub for continuing education programs and have a craft and movie room... The land the library is owned by the city however the building does not belong to city.

Dillon BLM reviewing plan to remove mine waste dump in Beaverhead County

The Bureau of Land Management's Dillon Field Office is reviewing a plan of operations to remove a mine waste dump for further processing in Madison County.

The plan of operations was filed by Birdia LLC and includes BLM lands that are part of the Dillon Field Office approximately two miles east of Norris, Mont.

The mining activities include removing about 2,500 tons of previously discarded waste rock from the Birdia Mine, crushing it, and hauling the material off-site for further processing. The proposed activities would take place during winter of 2018.

The plan of operations is available for review at the Dillon Field Office. The Environmental Assessment is expected to be completed in October and will be posted online at the agency's ePlanning website (bit.ly/2uJQUvJ). The public is invited to review the plan of operations and provide comments specific to this project. Comments would be most helpful if they are received by Oct. 25.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment–including your personal identifying information–may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The BLM welcomes and values diverse views from the public.

For more information, contact BLM Geologist Steve Lubinski at slubinski@blm.gov or (406) 683-8011.

RED HAT SOCIETY NEWS

On Tuesday Sept 25th, the Red Hat Belles met at Papa T's. This was their first meeting since June and one that many had been looking forward to attending. Fourteen of our Red Hat Belles were able to attend. Janie Falconer attended as a guest of Darlene Rose and Trudy Carlin. We hope to see Janie again soon, as a Red Hat Belle.

A Get Well card was passed around for everyone to sign for Sylvia Roberts, who is in the hospital.

Alyce Wassail took up a collection for the Humane Society.

Door prizes in the form of gift certificates were given out to Margie Nelson and Harriet Chambers. Congratulations!

Phyllis Davenport and "Pete" Tarleton volunteered to co-host in October, thank you. Time and place will be announced at a later date.

Thank you to the staff at Papa T's for their fine food and service. Many of us were seen taking home a To Go Box. A "special" thank you to our co-hostesses, Irene Nesgoda and Mary Staples who made this event really "SPECIAL!".

Hopefully the last weed pulling effort before the winter arrives!

The native bushes are in, the grass seed mix is growing well! But there are still a lot of invasive weeds that menace our effort to bring you a beautiful park and fishing access!!! So we will have a weed day at Selway Park this Saturday September 29th from 2 pm to 5 pm.
