Phyllis Baril Peterson

Phyllis Baril Peterson went home to her Savior on September 28th, 2018. She was born August 6th, 1940 to Wilfred and Thelma Baril. Phyllis was raised on her parent's ranch in Sheridan Montana attending Sheridan schools and graduating from Beaverhead County High School. She married Kenneth Walton Peterson on August 15, 1958 in Helena, Montana. Phyllis and Walton lived and worked on the Baril family ranch near Sheridan, Montana; later buying and moving to a ranch near Twin Bridges.

Despite her many physical challenges, she was a busy ranch wife and active in church and Bible studies. She was an accomplished watercolor artist, participating in many art shows around Montana as well as teaching watercolor classes in the Ruby Valley. Her creativity extended to writing, crafts, and gardening. Phyllis was a lover of nature and raised many an orphaned critter.

She was preceded in death by her parents Wilfred and Thelma Baril; her mother-in-law, Louise Johnson; her brother-in-law Gary Dedman; daughter-in-law Patsy Peterson; niece, Donna VerHow; and nephews Dan Dedman and Billy Backus.

She is survived by her husband of sixty years, Walton Peterson; her four children, Ben Peterson (Bonnie Rate), Laura (Jim) Brunzell, Jay (Lea) Peterson, and Andy Peterson (Amber Mason); her grandchildren, Joshua Peterson, Jared Peterson, Ryan Backus, Meaghan Peterson, Paul Peterson, Zachary Peterson, Jamie Wren, and Kelly Wait; and four great-granddaughters. She is also survived by her siblings Barbara Dedman, Bud (Lyn) Baril; Sandra Baril, and Barry (Bev) Baril; sister-in-law, Beverly (Jim) Backus; along with numerous nieces and nephews.

The family would like to thank Judi Janelli, Lela Wendt, Madison Valley Manor, and Hospice of Bozeman for their loving care of Phyllis.

Viewing at K&L Mortuaries Twin Bridges; Wednesday and Thursday, October 3rd and 4th from 9:00 AM to 6:00 PM. Services will be Friday, October 5th 2:00 PM at Dayspring Church 3648 Hwy 287 Sheridan, Montana.

For those wishing to give a memorial in lieu of flowers, please consider a gift to a charity of your choice.

Labor Day Karaoke Contest Winners

Boots had a very successful 24th Anniversary Karaoke Contest this year. The weather was perfect for outdoors activities.

The three preliminary contests were held at the Beaverhead County Fair during Labor Day. The finals contest was held September 1st on the street in front of Mac's Last Cast and Blacktail Station. The results are as follows.

In first place and winner of \$1000.00 and a first place plaque was Joe Vannett with his performance of the Collin Raye song "My Kind Of Girl".

Joe is currently living in Great Falls, MT. Joe is a 2007 graduate of Beaverhead County High School where he was active in both Men's Chorus and Symphonic/Jazz Band. After graduating from the Motorcycle Mechanics Institute in Phoenix, Joe worked for the Big Sky Harley Dealership in Great Falls, first as a Sales Associate and then as the Assistant Manager of the service department. He is currently employed by the Bison Ford Dealership in Great Falls as the Service Writer in the service department. His two sons, Leland and Cian, are the light of his life. Joe has entered the "Boots Country" Karaoke contest for several years and is very proud to be chosen as the 2018 1st place winner.

In second place and winner of \$100.00 was Kelton Lochridge. His choice was a Mumford & Sons song "The Cave".

Kelton is 21 years old and was born and raised in Dillon. Kelton has had open-heart surgery to remove blood clots from his lungs. He grew up singing with his family. Kelton's sister was a 1st place winner in a previous "Boots Country" Karaoke contest.

In third place and winner of \$50.00 was Cody Grimes-King. Cody's choice for his performance was the Blake Shelton song "Ol' Red". Cody is from Tennessee.

**Beaverhead Conservation District Salutes Harold Peterson**

Beaverhead County's third generation Big Hole rancher Harold Peterson is being honored by the Beaverhead Conservation District for his involvement to keep the Big Hole River fluvial grayling off the endangered species list. Through his efforts in seeking the cooperation of his neighbors, in conjunction with over a half a dozen state and federal organizations, the Big Hole Watershed Committee was formed in 1994. Consensus was reached during the 1994 drought year to have Montana Fish, Wildlife, and Parks haul water to livestock. In return, ranchers involved in the project voluntarily agreed to shut their head gates down to keep more water in the river for the fish. The program expanded in 1995 when Fish, Wildlife & Parks drilled eight stock water wells to provide water to cattle where they grazed rather than water flowing long distances in ditches. This decrease resulted in less evaporation and seepage. Later the Beaverhead Conservation District provided a \$50,000 grant for another four wells drilled on four different ranches.

Harold was also one of the leaders in a phone tree program where ranchers would be called and asked to turn more water back into the river. Longtime Beaverhead Conservation District chairman Art Christensen said at the time that "it was probably one of the most positive projects the district had done in a long time." Those sentiments were echoed by County Commissioner Garth Haugland who, along with Harold and Art, put in a lot of unselfish time to bring about the Big Hole Watershed Committee. Harold was one of the founding board members and served for 23 years. US Fish and Wildlife Service grayling biologist Jim Magee said Peterson's roll in making the project a success was invaluable. "He knows the river. He knows the ranchers and what they need to manage their operations and he has their respect."

Jim Olsen, FWP fisheries biologist for the Big Hole River talked about being at a meeting and someone asked why a rancher would want to work with the Fish & Game to help save fish. Jim remembers his answer was, "You keep your friends close and your enemies closer." Through the efforts of Harold and others a total of 33 ranches voluntarily enrolled in the project known as the CCAA—Candidate Conservation Agreement with Assurances. This program started in 2006 and is still in place today.

Letter to the Editor

Do you suffer from P.C.S.?

Political Commercial Syndrome! Don't those commercials drive you crazy? Every other commercial is political fabrication. He said, she said, they said, somebody said, nobody said, he lied, she lied, everybody lied, he's too liberal, he's too conservative, on and on!

Crazy, crazy. You know who you were going to vote for before any of the commercials were on television. Why don't they tell you some real facts?

From now until election day we will hear the woes, the lies, the outlandish stories from the Democrats and Republicans. They will try to persuade us, confuse us, bait us, make our live down right irritable.

You already know not much will get done for progress. The good parts will be torn down by the other side, while the other side is digging up dirt that was already dirty before they started.

They will confuse us with numbers, with names, with charts, with past lies and future lies. They will tell us made up stories with tears in their eyes and with phony smiles.

When they get all through, (but they never do) they make you feel ashamed of being an American. They make you feel ashamed that these so called grown up people are less than childish.

I can't wait for election day--but it never comes!

3D Mammography detects threats like no other

When it comes to breast cancer, early detection is essential. In fact, early detection saves lives.

That's why we are so passionate about our 3D mammography capabilities at Barrett. And while it might be tempting to choose thermography instead of a mammogram, the FDA warns that thermography should be used only as an adjunct to mammography. The American Cancer Society has stated that thermography is not an effective screening tool for finding breast cancer early.

3D mammography has been proven to detect breast cancer sooner and better. With 3D mammography, callbacks are reduced by 40% and detection is improved up to 50%. Trust the experts at Barrett Hospital & HealthCare. We are here for you and your health.

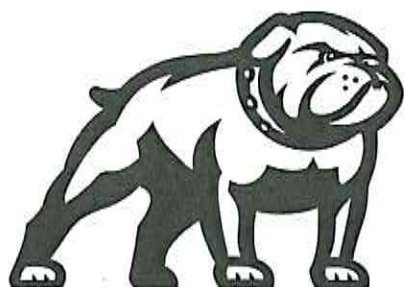

Talk to your provider about scheduling your mammogram at Barrett Hospital & HealthCare, call **406-683-1188**.
