BEAVERS FOOTBALL

Billings Central ran over the Dillon Beavers with a 38-13 win in the Class A quarterfinals playoff. Justus Peterson didn't have much time in the pocket the entire game as the defense had him moving and hit him for seven sacks.

The Rams hauled in two interceptions from the Beavers also on two consecutive plays.

The highlights for the Dillon Beavers were the two touchdown passes to Cole Truman and Bradley Rakich although it was not nearly enough to keep the Beavers in the game. Dillon had 209 yards of offense while Billings Central had almost 450.

Western Falls to College of Idaho

The Western Montana Bulldogs had a chance to tie the game with about 5 minutes left but missed a field goal and that was just one of several opportunities they had to put more points on the board.

There was a couple minutes left in the third quarter with Nate Simkins got a catch for 50 yards and a score. The COI ended the quarter with a weave through the Bulldogs defense to put up an answering score on the boards. Western quarterback Jon Jund had 317 yards passing hitting 24 of 37 attempts.

Beavers out in Volleyball Class AA playoffs

Thursday Whitefish defeated the Dillon Beavers 3-0. Friday in loser out play Polson defeated Dillon 3-2.

BOBCATS TAKE 49-42 WIN OVER CAL POLY

The Bobcats rushed for 430 yards, the 4th highest yards in school history. Troy Andersen came back in the second half after a knee injury earlier in the game. He had two rushing touchdowns for 104 yards on the ground. Isaiah Ifanse had a great game for the Bobcats with 227 rushing yards. The only down side for the Bobcats was giving up 21 points in the 4th quarter to Cal Poly.

The members of PFLAG Dillon are seeking to introduce a city ordinance making it against the law to refuse to hire or promote or rent rooms or housing to anyone whose sexual proclivities differ from the norm.

Protecting such people from persecution is both commendable and necessary.

But refusing to hire, promote, or rent one's property or rooms to such people because of their proclivities does not constitute persecution. Employers, and landlords have a right to employ, promote, and rent rooms or houses to whomever they please. (Unless of course they are government employers or private employers accepting government contracts) Anyway, how are people of differing sexual propensities recognized by employers, landlords and others? Unless they adopt an "in your face" attitude and insist on flaunting their propensities in public.

Creating a protected class by law affords all members of that class privileges available to no one outside of that class. For example members of a protected class can bring a charge of discrimination under section 1983 of the Civil Rights Act (42 USC 1983) against an employer who refuses to hire or promote them for any reason; and the burden of proof falls on the employer, "SUBJECT TO STRICT JUDICIAL SCRUTINY" To prove that only non discriminatory reasons actuated the decision.

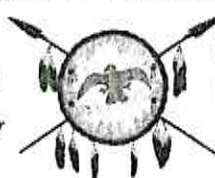

This is a heavy burden to carry. It is analogous to being considered guilty until you can prove your innocence.

I have no illusions that the foregoing arguments will dissuade the members of PFLAG Dillon. Once a group of people arbitrarily decide they are entitled to special privileges, they never give up seeking them.

However, I note that the insert in last week's Dillon Tribune was, for all intents and purposes, anonymous, hidden under the acronym PFLAG with no signatures. Their reasons for seeking this ordinance were based on an admitted anonymous survey they made indicating alleged discrimination against anonymous members of the community of Dillon. Furthermore, the anonymous "board member of PFLAG Dillon" claiming to represent "many [anonymous] community members who are committed to ensuring that Dillon is inclusive and amiable for all people" is seeking a utopia that never was and never will be: "All people" would obviously include convicted rapists, pederasts, child molesters, flashers, murderers, thieves, kleptomaniacs, etc.

Inasmuch as this PFLAG Dillon organization is anonymous, and relies on anonymous surveys, and anonymous allegations it seems only fair that their request, which will have a significant and lasting impact on the residents of Dillon, be put to a referendum in which Dillon residents will have an opportunity to vote, anonymously, whether or not to adopt the requested ordinance.

I propose this to take the onus from the shoulders of the members of the city council, who are not anonymous, and who may unfairly feel pressure to vote in a "politically correct" manner.

YouthVote 2018 Results

Students cast their votes across Montana. "Although these votes don't count toward the actual election, Montana's youth continued the tradition every American has inherited since we declared our independence," said Montana Secretary of State Corey Stapleton, whose office sponsored the event at schools across Montana.

Here are the results of Montana YouthVote:

Montana students chose Republican Matt Rosendale with 46.01% of the votes over Democrat Jon Tester's 42.15%, in the race for United States Senate, which is perhaps Montana's most closely watched race. Libertarian Rick Breckenridge received 11.84%.

Students also chose Republican Greg Gianforte with 46.35% to be our United States Representative over Democrat Kathleen Williams (40.4%) and Libertarian Elinor Swanson (13.25%).

The race for Clerk of Supreme Court proved to be the closest race, with Republican candidate Bowen Greenwood receiving 47.02% to Democrat Rex Renk's 46.01%. Libertarian Roger Roots took the remaining 6.97%. Students also returned Beth Baker to the State Supreme Court but denied Ingrid Gustafson an unexpired term.

On ballot measures, the student voters approved LR-128 (The Six-Mill), LR-129 (Ballot Safety), I-185, and by a narrow margin approved I-186.

Elementary students weighed in on their favorite lunch item. Pizza is their preferred choice. Older students selected basketball as their favorite sport.

"It is an honor for me to help Montana's youth learn a little bit more about the process of electing the leadership in our republic form of government. If we can introduce this process to our kids at a younger age, I know we will have even higher levels of voter participation," Stapleton stated.

Montana Secretary of State Corey Stapleton joined 19 kindergarteners at Billings Alkali Creek Elementary School today as they cast their votes. He spent time discussing the importance of voting and answering their questions, as well as reading with them.

Thursday, we will have spaghetti with meat sauce and French bread. And on Friday we will enjoy a local beef hamburger on a school made bun with trimmings.

First quarter grades go home with students this Friday. Please call the office if you do not receive these. The red ribbon dance was well attended and fun was had by all. Students, great job on all your participation in red ribbon week. Make good choices, and keep yourself drug free.

Congratulations to those students making the Academic Olympics Team: Quincee Anderson, Neal Brandon, Olivette Copple, Max Davis, Trapper Doering, Andy Egan, Aliyah Gardner, Gavin Garrison, Jacob Harvey, Henry Hawes, Josiah Jones, Micaiah Kizzar, Abbi Lemelin, Laura Martin, Cole Miles, Sean Regan and Josi Ward. Sixth grade alternates are: Xavier Currie, Elekta Mock, and Ellie Sherwood. Great job students. Practices will be held each Tuesday and Thursday over lunch, so competitors please bring a cold lunch.

This week in girls' cross training, the students will be doing water aerobics at the YMCA. Seventh grade will meet Monday and Thursday, and eighth grade will meet Tuesday and Friday. The girls will finish at 5:00 pm, except on Friday when the end time will be 4:00 pm. Parents will need to pick up their children at the YMCA.

Last Monday, boys' basketball played in Anaconda. Seventh and Eighth "A" teams pulled off a win. Seventh "B" came up short. All the players worked very hard. Great job boys.

Congratulations to Carter Curnow for becoming the 2018 BOLF champ. BOLF is a combination of basketball and golf. Each 6th grade class competes and then the top 5 out of each class competed. Great job Carter.

During the first Spanish Club of the year, students decided that they would like to learn about and discuss Spanish speaking countries. So, today, Monday, November 5th, we will learn about the history and geography of Chile. During the next Spanish Club on Monday, November 19, we will make and sample an authentic Chilean dish. So bring your lunch to Mrs. De los Rios' room and have fun learning about Chile.

I AM A REPUBLICAN BECAUSE ...

I BELIEVE the strength of our nation lies with the individual and that each person's dignity, freedom, ability and responsibility must be honored.

I BELIEVE in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

I BELIEVE in free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.

I BELIEVE government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

I BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is that which governs least.

I BELIEVE the most effective, responsible and responsive government is government closest to the people.

I BELIEVE Americans must retain the principles that have made us strong while developing new and innovative ideas to meet the challenges of changing times.

I BELIEVE Americans value and should preserve our national strength and pride while working to extend peace, freedom, and human rights throughout the world.
