George Clemow, 85

We are sad to announce the passing of George Clemow, age 85 of Dillon, Montana. While truly unexpected, he passed away peacefully at home while sitting in his chair reading a book.

He is survived by his children, Chris and Beth, and grandchildren Samantha and Loreen. He is also survived by his siblings RoseAnn, Bea, Diane, and Tom. He is preceded in death by his wife Aspascia "Bobbie" Clemow and sisters Irene and Ruth.

George was an avid fisherman (having recently returned from a trip to Alaska), a voracious reader, a skilled pinochle player, and loved board games, occasionally 'inventing' Scrabble words. He was a member of the Beaverhead County Planning Board and was active in the Senior Center, Eastern Star, Masons, and Elks Lodge.

George was born in Dillon in 1933 to Tom and Rose Clemow, and grew up on the family ranch outside of Jackson. Following graduation from Beaverhead County High School, he obtained a bachelor's degree from Montana State University and was commissioned in the US Army. Following military service, he briefly returned to the Tom Clemow family ranch before becoming a high school teacher in Hamilton. It was here he met his future wife, Bobbie, and after a brief courtship they married and decided to return to the Big Hole and start their own ranch.

While ranching consumed most of their time, George and Bobbie did raise two wonderful, headstrong, and independent children, one of whom is writing this obituary. George loved to camp, hunt, and fish, often turning the latter into a family challenge to see who could catch the most for him to bring to the next Elks night. Upon retirement and moving to Dillon, George stayed active in the community and he and Bobbie traveled to see their children and grandchildren in Oregon and Florida. George also remained active in the outdoors and continued to fish and go on family outings. In the most recent years, George continued his yearly sojourns to Florida to visit his daughter and family, to fish, and to watch spring training baseball.

There will be a visitation on Friday November 9th from 5:00 PM to 7:00 PM at Brundage Funeral Home. Memorial service will be held on Saturday November 10th at 11:00 AM at Brundage Funeral Home. There is a guestbook available online at www.brundagefuneralhome.com

Join family and friends in celebrating George's life at 12 pm at the Senior Center, 126 S. Montana St. Saturday after the service. The center will open at 9:30 am to drop off food for the reception.

Memorials are suggested to Beaverhead Senior Citizens, Jackson School, Beaverhead Museum, or Shrine Children's Hospital in Spokane.

Deer Season to End in Part of Region 4, CWD Check Stations Reduce Hours

Hunters need to be aware that the deer season will soon close in four hunting districts in Fish, Wildlife and Parks Region 4.

Deer hunting ends Nov. 11 in HD's 400, 401, 403 and 406, which are in north central Montana. The early end to the deer season in the four districts north of Great Falls is a long-standing tradition, and it's listed in the hunting regulations each year.

The statewide general season for deer and elk runs until one-half hour past sunset Nov. 25. For complete information, hunters should check the hunting regulations.

Because the early end to the deer season is in that part of FWP Region 4 where the department is conducting surveillance for chronic wasting disease, FWP's check stations in Chester and Shelby will reduce their hours.

All hunters must stop at all check stations, but submission of CWD samples is voluntary.

If hunters would like to submit a sample for CWD testing that was harvested outside of the priority surveillance area, they may do so on their own. Instructions are available on the website at fwp.mt.gov/cwd, and there is a fee of \$18 to Colorado State University for the test in addition to shipping costs.

American Education Week November 12-16

After World War I, it was noted that 25% of our country's draftees were illiterate and 9% were physically unfit. The American Legion and National Education Association joined together with the intent to raise public awareness to the importance of education. In 1921 the NEA called for "An educational week to be observed in all communities annually for the purpose of informing the public of accomplishments and needs of the public schools and to secure the cooperation and support of the public meeting those needs."

Education should be given priority as one of our nation's greatest needs. As citizens, it is our responsibility to keep in touch with what is happening in our schools and make sure all needs are met in order to provide a sound base for learning. We need to give support for equal and unbiased education to every child in America, and not be afraid to question where and how our tax dollars are being spent. We need to be sure our students are safe, have no fear of going to school, and have a positive learning environment. Every student should be given the opportunity to develop to his or her potential without fear of suppression due to income, color, race, religion, or ethnic background. We need to support public education and stand strong to make sure each child receives the opportunity to excel to their potential without being bullied or pressured by others because of anger, jealousy, and hatred. We need competent and dedicated teachers and pay them a salary that is well compensated for all they are expected to accomplish in their classrooms. Classroom materials and supplies should not have to come from the teacher's pocketbooks. Positive goals develop each and every child to their potential of learning, and are accomplished through encouragement and positive support. Students need learning that develops their skills and talents with the curriculum that reaches to the fullest level of achievement. We need to make sure teachers are not overloaded because of class sizes and overcrowded classrooms. Class size and student/teacher ratio are very important for successful learning and teaching. Students must be challenged to develop each individual's potential.

Give support to education in order to develop a country of literate individuals who will take care of America and preserve it as a free country. Give thanks to all who are involved with education and who definitely make a difference in the lives of our country's future leaders. Join the American Legion, NEA, and many other organizations that support literacy in America. Celebrate Nov. 12th -16th by first saying thanks, then give support to improving America's education.

Sincerely, MREA State President, Frances Schisler
