**American Education Week
Nov. 12-16, 2018**

Monday-Kickoff

Happy American Education Week! One of the most important constants in American society is education. Therefore, Elementary School District #10 would like to celebrate public education and honor all individuals who make a difference each day in ensuring every child receives a quality education. So, thank you to our secretaries, classroom teachers, paras, administrators, clerk, parents and grandparents, school board trustees, bus drivers, cafeteria workers, custodial staff, counselors and behavioral specialists, speech and occupational therapists, technology specialists, Title One Director, school psychologist, and substitutes/guest teachers.

GIVING TREE

Six more weeks until Christmas, which means it is time for the Giving Tree! The Giving Tree is a community tree to help low income children receive a gift for Christmas. Parents can stop by Rattlesnake Alpacas (on the corner of Idaho & Sebree) and pick up an application to fill out. The Giving Tree will soon be set up at Rattlesnake Alpacas, and decorated with tags requesting gifts. Community members can then stop by and take a tag, fill the tag, and return the wrapped gift (with the tag attached so we know who it goes to). Gifts will need to be returned to Rattlesnake Alpacas by December 19 so we can deliver the gifts to the excited child. Thank you for your support of this wonderful project!

SNOW REMOVAL REMINDER

With winter rapidly approaching and snow in the air, The City of Dillon would like to remind all homeowners and businesses about the requirements of clearing sidewalks.

The City of Dillon Ordinance 12.40.040 requires that all sidewalks in the Central Business District be freed from the night's accumulation of snow before 10:00 a.m. of the same day.

All other areas of the city must be kept clean of snow and not be allowed to remain on the sidewalks for a period longer than 12 hours.

Any person convicted of violating the provisions of this title shall be guilty of a misdemeanor and shall pay a fine of not less than twenty-five dollars and not more than one hundred dollars.

If you have any questions please contact Todd Hazelbaker, Director of Operations, at 683-4245.

By: MJ

Question: If the city adopts the LGBTQ Ordinance, would the city be putting a band-aid on a festering wound existing within the hearts of people? Let us remember that any incidence or happening in our lives, has a Cause and Effect. **Example:** A person who sexually molests a young person (child) establishes the Cause of the lifetime Effect imprinted on the child. Bullying is another area of discrimination that occurs at young ages and imprints children for life. Does discrimination have a root system that is so deep and far reaching that it will take much more than an ordinance to fix. Should the town be working on other ways to solve the problem?

Questions: Can a local government justify giving special treatment to one segment of a community? Is separating the LGBTQ society discriminating against those who do not choose an alternative lifestyle? Would innocent people and families be destroyed? Division provides the source for anger on all sides of an issue. History has taught us that division allows people to think you are better than others and falsely elevating themselves in society. Dividing sections of a population sets a stage to conquer, destroy, deny, discount...

At the Oct 16th Judiciary Committee meeting PFLAG representatives were seeking a majority vote for an Ordinance they would like the city to adopt for individual protection for LGBTQ society. **Questions:** Why did the group not provide the committee with more actual facts on the effects the Ordinance would have on the entire community; facts on what the percentage of population is affected, facts on where in Dillon's society discrimination is happening, how many suicides in Dillon are the results of discrimination against LGBTQ...? Cause and Effect categorize the two (2) sides to this issue and that is why facts must be on the table before any decision can be made. I have asked this question before and feel it is important enough to ask again. Why is this group not seeking to pass the ordinance at the County level thus allowing for equal protection for all? **Note:** Businesses and employment are located throughout Beaverhead County.

This is a complicated issue and has many facets. Question: Is it possible to provide other solutions to correct discrimination against LGBTQs in Dillon, providing the facts show there is a problem? The City Council, Committees, City Personnel and City Attorney have the difficult job to sort out the factual data from opinions and emotions. It is the factual data that will enable them to fairly represent and benefit the entire community. Opinions and emotions do not make educated decisions.

**Dillon Middle School news for the
week of November 12th through 16th, 2018**

The lunch menu for the week is as follows: On Monday we will enjoy a beef soft shell taco with trimmings, black beans and fruit. On Tuesday a sub sandwich will be served with trimmings and chips, and on Wednesday, we will have a BBQ pork sandwich on a school made bun. Thursday, we will enjoy chili salad with trimmings and corn bread. And on Friday we will have lasagna served with French bread. The Dillon Middle School Veterans Day Assembly was one of the best ever. The BCHS choir performed to honor the occasion and the lunchroom staff decorated the cafeteria welcoming more than 30 local veterans. Thank you to those veterans who allow us to attend school daily and display our patriotism with pride!

Congratulations to Laura Martin, winner of the brainteasers' contest challenge in Mr. Anderson's classroom. The boys' basketball A teams had participated in the Montana City / East Helena basketball tournaments. The 7th grade team won the championship in their tournament. The 8th grade came away second. Great job guys. The boys' basketball B teams traveled to Deer Lodge last week. 7B pulled off a win, while 8B came up short. Way to play hard, guys.

In boys' basketball, today, Monday, DMS hosts Anaconda. 7th plays in the DMS gym, while 8th grade plays in the new gym. B teams play at 4:30, followed by A teams at 5:30. Then on Thursday, November 15, the A teams will host Ramsey in the new gym. 7A will begin at 4:00 pm followed by 8A at 5:00.

This week the girls participating in cross training will be going to the YMCA for bike blast. Seventh grade will participate Monday and Thursday, while eighth grade will go Tuesday and Friday. Parents need to pick up their students at the YMCA at 5:00 pm except for Friday when pickup time will be 4:00 pm.

Life can sometimes be hard. What's hard on adults is just as hard, if not more, on kids. Resilience, the ability to adapt to challenges, is the most important tool a parent can give a child. Learn more about resilience by joining the Beaverhead County ACEs Task Force. We're focused on building healthy families in our community.

Lunch & Learn

Tues. November 13th at 11:30 am
First Presbyterian (Glendale & Pacific)
In fellowship hall, downstairs.

We would love you to share a hearty soup luncheon and great fellowship. Come to learn about a program much used but little known in our county.

Shelli Schuett, rancher, will talk about the H2A Program which is a legal guest worker program for agriculture in the US. Shelli will explain how it works both for the migrant worker, the rancher and the community. And how it provides huge benefits to our local agriculture as well as our foreign workers. We may also have a member of the Ag Worker Health & Service office explain health care and outreach service in this part of the country. It's Free!

You will no doubt recognize friends and absorb some hopefully new, relevant information about life, people and the work around us. Questions: Chris 865-0722 or
