ZONING NOV. 13th

By MJ

Present: Committee Chair Mr. Stoker, Councilmen Schwandt, Franks, Graham, Mayor Klakken, Secretary Ms. Diane, Fire Chief Later and several public citizens.

Public Hearing: A public hearing was for community comment of the proposed zoning change; Block 26, Lots 1-20 and Block 22, Lots 1-10, 19-20. At the present time this area is Unzoned (U). The proposal was to zone area as Residential High Density (R-3). Several property owners with a business in the area stated they would like to see it zoned Commercial if it had to be zoned. The committee took into consideration all testimony with no decision made.

Zoning Certificates:

1. Permit No. 2560 -- Remodel at McDonald's restaurant at 576 No. Mt. St. You may review the complete plans at the City Hall.
2. Permit No. 2463 -- Hengler building permit; was brought up for discussions. The committee had several questions concerning the building and if it was done as approved and permitted for by the city. The owner answered all questions. As often happens when you have several people involved in a project, dialog gets lost and that appeared to be what happened in this case. All was okay.
3. Permit No. 2536 -- Smith was tabled.

Building Permits/Inspector: Chairman Stoker contacted the county to see if they had interest in sharing the cost of a building inspector. He is waiting to hear back from them.

Discussion/Residential/Off-Street Parking/Driveways: The zoning board is working to find ways to get past the stalemate it appears they have on parking issues. **Note:** Mr. Stoker stated that there had been 72 building permits in Beaverhead County this year. **Note:** Builds within the city limits increased the tax base for the city and helps with the infrastructure burden. Conversation continued with topics from; is off-street parking good & why, is it inhibiting growth or not... The board discussed how many parking spaces should zoning require for new builds and what information would be used to define the needed spaces. Would it be bedrooms or some other method that may entice growth in Dillon.

Mayor Klakken has presented information that may be used for guidelines that other communities resembling Dillon use to quantify off street parking. Mr. Mooney spoke up and stated he had presented evidence to the board showing that the parking requirements in the zoning document was not inhibiting growth in Dillon.

Mayor Klakken ask the committee for a definition of a "driveway". Mr. Stoker read Google's identification of a driveway; "a short road leading from a public street to a house or garage".

The environment of Dillon and surrounding area provides a need for long bed pick-ups, camp/horse/flatbed/trailers, side-by-sides, boats... On the flip side of coin, the community has folks to accommodate who want a quiet, tidy town with no vehicles on streets. Off-street parking needs to be put to bed and stop taking valuable time of board members.

Another gentleman rose and asked why off-street parking was an issue. They moved to Dillon and love the fact that they can find a parking place anywhere they go. They love it.

HOLIDAY BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, December 4, 2018 from 12:00 to 6:00 PM at the Elks Lodge. The drive is facilitated by Vitalant (formerly United Blood Services) and sponsored by the Presbyterian Church. Appointments can be made by calling 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome, but those making appointments will receive priority.

This blood drive will help replenish Montana's blood supplies for the upcoming holiday season. Blood can only be stored for 42 days, so the blood that is collected now will save the lives of hospital patients or those receiving medical treatments during the holidays.

To donate blood, volunteers must be at least 17 years old, weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks. Your blood donation is very important, so if you can donate, won't you call or go online?

Please bring your United Blood Services Donor card or photo ID. Join us for some holiday treats and save a life!

WARNING TO ALL FISH

All fish are warned to be aware and extra vigilant for getting caught. Dr. Ronald V. Logie is retiring after many years of service to this community and will have some free time to devote to angling.

Our family and many others were blessed to have Dr. Logie as our physician. He was always caring, committed, and competent as a doctor, but even more importantly, he is a good man. May his transition to professional fisherman and grandfather bring him great joy. We'll be fine, Doc. Well done.

She even borrowed CJ red hat and wore it while working. Also attending and welcomed were two guests, Amy Scott came as Diana Carroll's guest and Ruth Pilgrim came as a guest of Elaine King.

Money was collected for the Beaverhead Animal Shelter by Alyce Wassail.

Co-hostesses for this event were Darlene Rose, Trudy Carlin and Jannie Falconer. When it came to giving out door prizes, Trudy asked "Pete" Tarleton to pick the first name. The name picked was Glenda Olsen, then Glenda picked for the next prize and the name was "Pete" Tarleton. Coincidence? Well maybe. The third door prize went to Alyce Wassail. Congratulations!

In the spirit of Thanksgiving, which will be coming up soon, three gifts with cards of thanks included were given to ladies who have been instrumental in keeping our chapter going. Those gifts were given to "Pete" Tarleton, Alyce Wassail and Barb Schrader. Also, a card was signed by everyone attending to be given to Glenn Merenz, the City Bus driver, in appreciation for rides to and from our monthly events.

It was noted that our next meeting will be in December for our annual gift exchange. Alyce Wassail said that she and Barb Schrader will be setting up a time and place for this soon.

Linda Shaw had brought a bag of apples to give out and the ladies were delighted to get them. Thank you, Linda. A special thank you to the staff of McDonald's. We weren't sure how you were going to make room for us but you did. Darlene, Trudy and Jannie, our co-hostesses, you made our November meeting very special and just a thank you doesn't seem quite appropriate, but thank you! Everyone left with a smile on their face.

GIVING TREE

Six more weeks until Christmas, which means it is time for the Giving Tree! The Giving Tree is a community tree to help low income children receive a gift for Christmas. Parents can stop by Rattlesnake Alpacas (on the corner of Idaho & Sebree) and pick up an application to fill out. The Giving Tree will soon be set up at Rattlesnake Alpacas, and decorated with tags requesting gifts. Community members can then stop by and take a tag, fill the tag, and return the wrapped gift (with the tag attached so we know who it goes to). Gifts will need to be returned to Rattlesnake Alpacas by December 19 so we can deliver the gifts to the excited child. Thank you for your support of this wonderful project!
