Tendoy Fine Art Features Local Artist

Sara Colburn, pastel artist, has been invited to be the first artist featured in ArtSpace, the community arts room at 120 N. Montana St in Dillon, MT. Tendoy Fine Art is sponsoring this inaugural show in the gallery room that has been set aside for arts education and select art shows. Colburn's works for this show will concentrate on cloudscapes. The show will open for viewing on November 28th with a reception open to the public on December 7th between 6 and 9 pm in conjunction with the Christmas Stroll.

The current executive director and grant writer for Art Mobile of Montana, Colburn lives a creative life, full of the arts. She is a photographer, experiments with mixed media, plays flutes of all types and is learning the Didgeridoo. She dances, writes poetry and dyes silk scarves. Colburn teaches mask-making classes and her original: "Inner Portraits" using self-portraiture as a spiritual path. She has a certification in Expressive Arts Therapy and encourages others to be creative. As a Therapeutic Touch Practitioner, she lives the healing arts and works to get our food products labeled if they include GMO's. Colburn is a member of a dream interpretation group and keeps track of her dreams and their meanings, as "little gifts from my psyche". She taught art education at the University of Montana Western, University of Wyoming, and Western Illinois University.

**Comments Sought on
Mountain Lion Management Strategy**

Montana Fish, Wildlife and Parks is seeking public comment on a draft Montana Mountain Lion Management Strategy.

Over the last 25 years, FWP has made significant investments in field research that helps inform mountain lion management.

Because lion populations function in big landscapes, a new management approach includes defining four lion ecoregions, large landscapes of similar habitat within which populations perform similarly.

FWP will then develop estimates of mountain lion numbers within these ecoregions using a new but proven genetically based field sampling method. With the population estimates plus lion harvest data and lion ecology, wildlife managers will employ a statistical model to predict the effects of lion harvest on populations.

The draft strategy available for review and comment does not lay out any population objectives or harvest recommendations. It only speaks to guidelines as to how FWP will manage and monitor lions.

To review and comment on the draft strategy go to the FWP website at <http://fwp.mt.gov/hunting/publicComments/2018/mtnLionMgmtStrategy.html>

Comments will be accepted until 5 p.m., Jan. 11, 2019, with final adoption at the February 2019 Fish and Wildlife Commission meeting.

Council

By: MJ

Council Appointment: On October 17 Mr. Jason "Matt" Kenworthy was appointed to the council. Mr. Kenworthy is engaged to Officer Nikki Cowperthwait. Councilwoman O'Rourke told the council that she had concerns about nepotism and announced that she had called the Local Government Center & Political Practices offices to address her concerns. Conclusion of discussion was that any problems would be miniscule. *Note: Mayor Klakken stated that all legal matters should be addressed to the City Attorney Dolan. The City Attorney's opinion is the only one that matters because his is the only one that carries weight other than if a request is sent to the Attorney General.* There are State statutes on nepotism. O'Rourke stated she did not think her questions were legal questions therefore she reach out beyond the council and city attorney for advise. Mr. Kenworthy stated he was interested in government and did his own research on nepotism laws before he filed his application for the Ward 1 Council position. Mr. Dolan stated that if Mr. Kenworthy was appointed, he would advise him that it would be best for him to recuse himself from matters involving finance or management of the Police Department.

Judge Thompson arraignment: Ms. Thompson received a \$34,000± monetary fine plus confinement in Detention Center. The monetary fine included the cost of auditor the city hired to reviewed the financial records. **Resolution:** Passed & Approve by Council November 7th, 2018; a petition for Annexation and Zoning of a triangular section of property owned by Mike & Patricia Todd, extending the lighting and street maintenance districts and providing for water and sewer service top property. The water line extension and sewer collection system extension to the property shall be accomplished entirely at the Petitioner's cost via a contractor acceptable to the City. All work will be inspected by the city prior to back filling.

Resolution: Approved and adopted by the Council November 7; the City of Dillon adopting a change in the Official Zoning map on the Ashcraft and Myers property from an Un-zoned to a Residential, High Density District (R-3 zone). These two properties are located on Skihi St. and Oliver Ln.

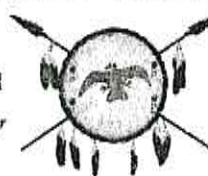

Resolution: Approved and adopted by the Council November 7, 2018; adopting a change in the Official Zoning map on the Shooting Star Properties, LLC, Tom Miller, and R.E Miller and Sons property from an Un-zoned to a Commercial Community Business District (C-2 zone). The tract of land for these properties are located on Ramshorn St, Dillon, MT.

Cemetery: Councilman Hand reported that the remains of three individuals removed from Poindexter Cemetery in October 2017 were reinterred at the Mountain View Cemetery.

Included in the council packets were the Judiciary Committee minuets that addressed the non-discrimination Ordinance requested by PFLAG of Dillon, Financial statements, and Tree Board minutes.

For Nondiscrimination City Ordinance

Those community members who oppose PFLAG's Nondiscrimination City Ordinance often think of these protections as "Special Rights", or they think that this ordinance will be too hard to enforce. I think it's important to emphasize that these protections are Equal Rights and that they are already enforced for women, people with disabilities, race, etc. Giving LGBTQ people the SAME Rights guaranteed to others is not disregarding or dismissing others' rights, it is merely promising to protect an LGBTQ person's right to security, peace, and dignity by ensuring access to housing and making a living without the constant fear of discrimination. Many people in our town are confident that this community is already an inclusive and safe place. If this is true, then updating the language of the city's laws will have little if any effect on you and people in Dillon.

My family and I moved to Dillon in 2001. I am a proud Mom of a gay daughter. I am thankful for the support I have from friends, my church, PFLAG, and other parents with LGBTQ children. It's 2018 and situations of hate crimes and homophobia are on the rise. As a mother and an active member of the Dillon community, I pray that others can open their hearts and speak up in support of PFLAG's Nondiscrimination City Ordinance.

Letter to the Editor

Does it strike anyone as a contradiction that the metal buttons distributed by PFLAG at the Judicial Committee hearing bore the words "Love Lives Here, PFLAG Dillon," a group whose principal proponent is a man whose letters to the editor in support of this group are replete with hate filled epithets showing the writer's prejudices such as "cheap homophobic attacks", "wealthy out-of-state, right wing homophobes", "in-state bigots", Well-funded bunch of homophobes"?

Worse yet, none of the people and organizations to whom he alludes in these vicious attacks: The Montana Family Foundation, (well funded bunch of homophobes), Greg Laszloffy, its president, (questionably wealthy), the Gianfortes (in-state bigots), have thus far spoken out about his proposed NDO.

In other words, he is attacking "straw men" to whom he attributes these epithets. He appears to be so filled with vitriol that he cannot restrain it.

If Love Lives Here, this man must have been inoculated against it before it arrived.

GIVING TREE

Six more weeks until Christmas, which means it is time for the Giving Tree! The Giving Tree is a community tree to help low income children receive a gift for Christmas. Parents can stop by Rattlesnake Alpacas (on the corner of Idaho & Sebree) and pick up an application to fill out. The Giving Tree will soon be set up at Rattlesnake Alpacas, and decorated with tags requesting gifts. Community members can then stop by and take a tag, fill the tag, and return the wrapped gift (with the tag attached so we know who it goes to). Gifts will need to be returned to Rattlesnake Alpacas by December 19 so we can deliver the gifts to the excited child. Thank you for your support of this wonderful project!
