JULIUS CAESAR TO BE PRESENTED AT MONTANA WESTERN BY SHAKESPEARE IN THE SCHOOLS.

The University of Montana Western is pleased to announce a production of William Shakespeare's Julius Caesar as part of the 2018-19 Bank of Commerce sponsored Performing Arts Series. The shows will take place on December 6, presented by Montana Shakespeare in the Schools (MSIS).

Aila Peck as Mark Antony delivers a speech at Caesar's funeral. Photo by: Adrian Sanchez Gonzalez.

Unlike traditionally-performed Shakespeare stage plays, MSIS creates an interactive environment to engage the audience. "For our production of Julius Caesar, audience participation is critical. The audience acts as citizens of Rome who play an important part in determining the course of the play. We invite the audience to listen carefully, be alert and respond to what is happening when called upon," stated MSIS.

The play is set in 44 BCE, when political greed and dishonesty were at an all-time high. Julius Caesar was a bright spot in the thriving Roman empire. After being appointed dictator for life the Senate organized a plan to murder Caesar based on their fears that this would harm the Republic. This production allows the audience to ponder upon the plot, motivation, intentions and thirst for power and beliefs through the words and actions of the central characters.

Julius Caesar will be performed on December 6, 2018 at 10 a.m. and 1 p.m. in the Beier Auditorium at UMW. The performances are 80 minutes in length. Tickets will be available at the door; $10 general admission, $5 seniors and youth, and $2 per student in student groups (recommended for grades 6 and above). Please contact judy.ulrich@umwestern.edu for additional information.

Used Christmas Stockings Sought

Your surplus used Christmas stocking can make Christmas brighter for poverty stricken children in San Luis, Mexico.

Local businessman, Jim McIsaac, and Tillie Butts work closely with missionaries that serve the desparate children that live in cardboard shacks, at the dump and on the streets. Jim and Tillie have been working with this ministry for several years and will be taking a team down in April to help.

Jim and Tillie are putting together Christmas dinner and Christmas stockings for 85 children that Tillie will take down Dec. 11. They are seeking donations of used stockings to fill with small gifts and treats to distribute to the children along with beans and rice to the families.

By donting used Christmas stockings, locals can help without any actual expense. Titllie does what persons wishing to give additional help to know that they will gladly accept gift items and donations for Jehovah Sma Ministries.

You can contact Tillie Butts at 406-249-3075 or drop things off with Jim McIsaac of McIsaac Appraisals in the Evergreen Center on Montana Street.

All other areas of the city must be kept clean of snow and not be allowed to remain on the sidewalks for a period longer than 12 hours.

Any person convicted of violating the provisions of this title shall be guilty of a misdemeanor and shall pay a fine of not less than twenty-five dollars and not more than one hundred dollars.

Here's the Dillon Middle School news for the week of December 3rd through the 7th, 2018

The lunch menu for the week is as follows: On Monday we will enjoy a baked potato bar with trimmings. On Tuesday chicken noodle soup will be served with school made bread, wow butter and honey. On Wednesday, we will have a chicken patty on a school made bun. Thursday, we will enjoy ham and scalloped potatoes served with a dinner roll.

There will be no school this Friday, December 7th. School will resume Monday, December 10th. Parents, midterms are coming home this Thursday, December 6th with your child. If you have any questions, please feel free to contact the Middle School office.

This week is COMPUTER SCIENCE EDUCATION WEEK. Computer Science is the study of the principles and use of computers. We are an Hour of Code school, using the code.org curriculum in middle school grades. The HOUR OF CODE began as a one hour coding challenge to give students a fun first introduction to computer science. This has become a global learning event, celebration, and awareness event. Hour of Code offers hundreds of one hour activities. Mrs. Sara Gibson, our technology integration specialist, will be posting a lot of great information this week on the District 10 Facebook page and our school web page. Check it out if you want further information.

The annual food drive is underway. There is a great need within our community for food during the Christmas season. This is a great opportunity for everyone to participate in a cause that will help members of our community. We will gather food until December 20th. The 8th period class that brings the most pounds of food per person will win a pizza party with drinks. This week's incentive is donuts on Thursday to the class that brings in the most units per person by Wednesday, December 5th. Our goal is to surpass 2000 pounds of food delivered as a school. So, catch the spirit of giving.

This week for girls' cross training, both seventh and eighth grade will be together on Tuesday and Thursday. Both days will be kick boxing from 3:45 to 5:00. There will be no cross-training on Friday.

Boys' basketball "A" teams traveled to Butte Central last week. The 7A team won handily, while the 8A team came up
