FINAL DAY FOR VOLUME I

The LAST DAY we will accept stories for the Big Hole History Book - Volume I 1806 - 1930 will be December 15th. Any articles after that will go in the 1930 - to present day - Volume II book. We already have lots of stories for the second book but welcome more. The "Trip Through Time In The Big Hole Valley" slide show, historical readings, raffle drawing, silent auction and Bake Sale Fund Raiser will be held at the Wisdom Community Hall on December 15 from 1:00 to 4:00 and we hope to see everyone there to support our Books.

DOUG AMMONS SHARES FROM HIS NEW BOOK AT DANCES WITH WORDS SERIES

Author Doug Ammons, from Missoula, Mont. will be sharing his nonfiction work at the "Dances with Words" series on Dec. 13 at 7:30 p.m. Each performance in the series takes place at The Cup, Montana Western's coffeehouse located below the library on campus.

"Dances with Words" is produced by English Professor Alan Weltzien. The series, free and open to the public, provides the community with a unique opportunity to listen to writers reading their own works, including Montana Western student writers.

Ammons grew up in locations across Montana and has explored Montana by scuba diving in Flathead Lake, backpacking and climbing in the Bitterroot, Glacier, and Pintler mountains, and participates in many outdoor activities, including kayaking the world's rivers.

An avid filmmaker, he has won an Emmy Award for action cinematography, and his book Whitewater Philosophy was named by the Wall Street Journal as "one of the five best adventure books".

He has now turned his adventure story-telling toward re-creating the dramatic historical events of the Western United States, with a focus on Montana's colorful history.

His recent book, A Darkness Lit by Heroes, is about the Speculator Mine Disaster of 1917 and was published last year in conjunction with the event's 100th Anniversary. Ammons received the High Plains Book Award for Creative Nonfiction for the book in October of this year.

A true story of the worst hard-rock mining disaster in American history, which killed 168 men in Butte, Mont. in June 1917, the book is based on extensive research and recreates the event in an unprecedented and personalized way that brings the men's stories to life.

Featured authors' books at "Dances with Words" are made available for purchase by The Bookstore and Deb Sporich.

For more information, please contact Alan Weltzien by email at alan.weltzien@umwestern.edu or call 406-683-7431.

Parks and Playground Committee

By: MJ

Present: Councilpersons O'Rourke, Stout and Chair Shafer.

Itinerant and Transient Business: The committee passed a motion to move the issue onto Judiciary Committee to have them draft an Ordinance.

- The committee reviewed information from other towns on how they charged for itinerant and transient businesses. They found the gamut ran anywhere from; business not allowed unless on private property, contracts made with non-profits where no remuneration is received, and license fees from \$200.00 to \$300.00. At the Nov. 28th meeting the committee outlined charges they felt would be appropriate for Dillon parks. They will review those charges and vote on the recommendation they will sent to the council at Dec. meeting. **Note:** Itinerant; is a vendor that travels from place to place and Transient is; person who is staying or working in a place for a short period of time.

Park Projects: Director of Operations Mr. Hazelbaker reported on the progress of park projects.

- **Jaycee Park:** The newly created playground, splash pad and amphitheater. The splash pad has been blown out for the winter, bathrooms are closed & have been winterized, work is continuing on the amphitheater and the final touches are being made on the new updated playground. This has been a project that will benefit Dillon. The group involved in the splash pad and playground has agreed to take care of the cost & maintenance for the first 5-10 years. Representatives from the Jaycee Park project were unable to attend the Nov. 28th City Parks Committee to give information on how the payments would be made. *Thanks to the group of local citizens that successfully completed the Jaycee Park development. It takes leaders, worker bees, support systems, and a willingness to find middle ground enabling a group to work together completing successfully, a project of this magnitude. Let us say thank you and give praises instead of complaining about what may or may not be. Yes, there will be some problems that will have to be solved down the road. We all know that nothing is a "bed of roses."*
- **Skate Park:** A motion was made to table this issue until members can review the handout. The handout was from Grindline with suggested repairs and maintenance for the skate park. Total cost of repairing the skate park would be around \$22,000. Look up information @ Grindline.com
- **Vigilante Park:** Mr. Gutcheck reported on the sprinkler system installation for the park. The cost of the system was budgeted for.
- **Parks Department Binder:** The city will create a binder that will include maps for sprinkler system in the parks. Mr. Gutcheck will be the creator of binder and also the keeper. He gave a sample of the map he designed to the committee. Mr. Gutcheck also reported that the parks with sprinkler system will not allow any tents. **NOTE:** The underground water line can be perforated easily with tent stakes

There was discussion of the number of parks in Dillon. Committee member Stout suggested prioritizing the parks. Ideas were made on how to help with the cost of maintaining the parks; 1) entities volunteering their help, 2) neighborhoods offer help, 3) eliminate duplicate parks, 4) have an "adopt a park" program, 5) selling property the city owns where the tree farm is located in Ibeyville... **NOTE:** At the Nov. 28th meeting there was no further discussion on any of these topics.

Letter to the Editor

My name is Melainya Ryan. I am a member of PFLAG and a member of the committee working on the proposal for a nondiscrimination ordinance. I have had the opportunity to talk one on one with a couple of City Council members and have been made aware of some very real concerns. Specifically, I have been informed that the City Council Judiciary Committee and even the City Attorney believe that the City does not have the authority to pass an ordinance that addresses civil rights. I understand that that members of the City Council believe that if they pass an ordinance that is not supported by a state law, each of them become personally responsible/liable in the event that the city is sued for passing this ordinance. I hear your concern City Council, specifically, financial concern for yourselves as well as for the City. I also understand that there has not been a ruling in this state that defends nondiscrimination ordinances and that the City Council and the City Attorney believe that they are not able to defend a non-discrimination city ordinance in the event that a lawsuit is filed. However, nondiscrimination ordinances have been defended in other states. Nondiscrimination ordinances exist in states that do not have a state law to include the LGBTQ community as protected persons. While I recognize that each state has their own constitution, I am confident that there are other states whose constitution is very similar to Montana (Arizona, for example). I am wondering if they might be resources from which this City Council draws upon? In addition to this, I wonder if the City of Dillon might access Montana Human Rights Network and the ACLU (American Civil Liberty Union) of Montana as they are excellent resources and have assisted other communities as they weaved through these very issues. As noted in previous information you received from PFLAG Dillon, other City Attorney across Montana have supported nondiscrimination city ordinances and believe that in doing so they have not usurped their authority. In fact, a couple of those attorneys have invited you to contact them to discuss a nondiscrimination ordinance further. Specifically, the City Attorney from Whitefish and the Butte-Silver Bow County Attorney stated that they would be happy to have this discussion with you. I request that the City Council access these resources; moreover, I request that these professional resources serve as a guide in the Judiciary Committee's decision surrounding whether or not they have the authority to adopt a nondiscrimination ordinance. When you find out you do, please assume responsibility for ensuring civil rights in housing, employment, and public accommodation and draft a nondiscrimination ordinance that is appropriate for Dillon.

Used Christmas Stockings Sought

Your surplus used Christmas stocking can make Christmas brighter for poverty stricken children in San Luis, Mexico.

Local businessman, Jim McIsaac, and Tillie Butts work closely with missionaries that serve the desperate children that live in cardboard shacks, at the dump and on the streets. Jim and Tillie have been working with this ministry for several years and will be taking a team down in April to help.

Jim and Tillie are putting together Christmas dinner and Christmas stockings for 85 children that Tillie will take down Dec. 11. They are seeking donations of used stockings to fill with small gifts and treats to distribute to the children along with beans and rice to the families.

By donating used Christmas stockings, locals can help without any actual expense. Tillie does what persons wishing to give additional help to know that they will gladly accept gift items and donations for Jehovah Sma Ministries.

You can contact Tillie Butts at 406-249-3075 or drop things off with Jim McIsaac of McIsaac Appraisals in the Evergreen Center on Montana Street.

Motor Vehicle Division Announces AAA Montana as an Authorized Agent

*Non-commercial Driver License Renewal and
Replacement Transactions Available in Kalispell, Missoula;
Decrease in Wait Times Anticipated*

The Montana Motor Vehicle Division (MVD) announced today it approved AAA Montana as an authorized agent to process non-commercial Montana driver license renewal and replacement transactions in Kalispell and Missoula.

MVD Administrator Sarah Garcia said, "We are very excited to add additional options for our customers to obtain driver license services. AAA Montana has experience and an excellent reputation delivering motor vehicle services in other states. As we begin REAL ID implementation, we hope this additional option will help relieve some of the wait times in our driver license stations in these cities. We are planning for future location openings across the state."

The additional locations will increase speed and convenience for Montanans who want to utilize the service. AAA Montana is authorized to charge a convenience fee, not to exceed \$20, on top of non-commercial licensing fees.

"AAA Montana has always been about providing value and convenience, and that's exactly what these services will do," said Tom Holmberg, Vice President of Branch Operations at AAA Montana. "We're extending these services to all Montanans, and as a member service organization, we're happy to waive the convenience fee for AAA Montana Members."

For further information regarding AAA services in Montana, contact AAA's Michelle Donati at (602) 373-8656.

Beaverhead County and Dillon for your support and your continued support at last weekend's Festival of Trees.

Bike Walk Southwest Montana has been active these last 6 years in offering a variety of bicycling and walking events in our area of Southwest Beaverhead County. We have partnered with the American Legion to rebuild the Legion Park just west of Wisdom, marking and mapping the Rx trails near the hospital, YMCA and Chris Kraft County Park The blue discs stuck flush in the ground every 500 ft. We have developed a packet of numerous maps for walking and biking in the area outlining trail types, parking, water, toilet facilities and expectations along the trail Free at the chamber of commerce or contact us directly. We have a bicycle (recycle program) and helmet giveaway program through various foster care and needs services call for more info. Our monthly newsletter announces various activities such as riding and walking the Hiawatha Trail at Lookout Pass, or a biking and walking weekend at Henneberry Cabin south of Dillon or numerous bike and walking local activities of 1 to 2 hours. send your email to volkenla@yahoo.com if you want to be on the list.

'Promoting bicycling and walking opportunities for for all ages and abilities in Southwest Montana'

Currently we are active in building a park facility at Chris Craft Park on Overland Road. And we are in partnership with helping the Dillon Hockey Club get their start. In the park, we have built a wash house with toilet, showers, and meeting room. Other building projects include a shelter pavilion, 2 historical log cabins (one for a bike / walk service shop and one for a garden shed), and an area for collective or community garden plots. We will upgrade the trails system to include a variety of year-round activities such as x-country skiing, information horticulture kiosks, benches, rest areas and safe dog walking areas. The park's goal is to become an activity service center for Beaverhead County citizens and their events. The park will also serve to be a waystation for bicycling and walking visitors to stay awhile and enjoy our area of Southwest Montana.

'Active Living is a Lifestyle'

Checkout our web page as it gets constructed at www.bikewalkswmontana.org or our Bike Walk Southwest Facebook page.
