Harold Peterson, 83

Harold Peterson, 83, Dean age passed away peacefully surrounded by his family at his home on December 4, 2018. He will be remembered for his love for his family, passion for ranching, and willingness to serve in the community.

Harold was born October 14, 1935, in Logan, UT, to Alfred and Emma Peterson. He was raised with his three brothers on the family ranch

in the Big Hole Valley. After graduating from Beaverhead County High School in 1954, Harold began ranching in the Big Hole. On November 14, 1959, Harold married Margie Holland, and together they raised four children.

Harold loved the ranching lifestyle and was willing to share it with many. Experiences on the ranch shaped the lives of all who visited, and especially for those that came to work on the ranch for several summers. Many youthful perspectives were changed to those of an adult because of Harold's mentoring.

He served Beaverhead County as a member of the Planning Board, Solid Waste Board, and Big Hole Watershed Committee. He worked with the Soil Conservation District, County Weed Control, Forest Service, and DNRC to better the land while preserving the ranching lifestyle. Harold was also a Board member of Westland Bible Mission and helped build Clark Canyon Bible Camp.

Harold's favorite pastime was fishing. He shared his favorite fishing spots with his children and grandchildren, which often included a pack horse camping trip to a mountain lake of the west Big Hole. Harold also had many fall fishing trips to the Kenai in Alaska where his brother Darwin and Geneese lived. His brother John and cousin Russell always went with him, together with other friends or family that wanted to fish. They always came back with boxes of fish and enough stories to last until the next fall.

Harold also enjoyed many mountain horse trips with friends. They would ride up a drainage of the west Big Hole Valley, over the Continental Divide, spend the night in Salmon,

ID, and then ride back home the next day. Neighbors Dick and Jack Hirschy would plan the route each year, trying to find every trail over the top that could be ridden. They always made it, but sometimes it was debatable if the trail really was for horses.

Harold was preceded in death by his wife Margie, parents Alfred and Emma Peterson, and brothers Darwin and Richard.

He is survived by his brother John Peterson; sister-in-law Geneese Peterson; children Gina (Jim) Kropp, Lisa (Joe) Nabity, Dean (Dianna) Peterson, and Clay (Stephanie) Peterson; grandchildren Ashley (Graydon) Curry, Ryan Kropp, Kelsi and Amber Nabity, Alfred, Malcolm, and Jon Peterson, Morgan (Luke) Halliburton, Jordan, and Luke Peterson.

The family has a special thank you for Dr. Ron Loge and Home Health nurses Debby Hursh and Nancy Thompson, who made it possible for Harold's family to care for him at his home on the ranch.

Services will be Friday, December 14 at 1:00 PM at Grace Bible Church of Dillon, 1049 Laknar Ln, Dillon, MT. Arrangements are in the care of Brundage Funeral Home.

In lieu of flowers, memorials may be made in Harold's name to Westland Bible Mission, 250 Camp Trail, Dillon, MT 59725, or to Barrett Home Health and Hospice, 600 HWY 91 S, Dillon, MT 59725.

There is a guestbook available online at www.brundagefuneralhome.com

Beaverhead Search and Rescue News

Submitted by Mel Rice-Public Relations Officer

The Beaverhead Search and Rescue held its monthly meeting on Wednesday, December 5 at 7:00 PM. There were 29 members in attendance. It was a very short meeting. There was a reminder about the unit's annual ice fishing derby at Clark Canyon Reservoir. It will take place on the 26th of January. Tickets are available from S&R members or can be purchased at various businesses around town. Remember, they make great stocking stuffers!!!!

About the only other business that was attended to were nominations for new officers. Nominations will remain open for the next month and the election will take place at the January meeting.

With the advent of colder weather, people will be venturing out to different lakes to do some ice fishing. Make sure you check the ice conditions before wondering out on it. There should be plenty of ice now but the weather is supposed to warm and if that happens, the ice could become unsafe. Be aware of what you are getting into. Also be aware of snow conditions if you plan on playing in the back country. Avalanche conditions are always a possibility.

The Beaverhead Search and Rescue would like to wish everyone a Very Merry Christmas and A Safe and Enjoyable Holiday Season. Remember, "We Are In The Business Of Saving Lives".

Applicants Sought for National Resource Advisory Committees

Candidates are needed for membership on the Southwest Montana and Tri County Resource Advisory Committees.

Resource Advisory Committees (RACs) were established to review and recommend projects to be carried out using Title II funding under the Secure Rural Schools and Community Self-Determination Act of 2000 and amended through the Consolidated Appropriations Act, 2018 (Pub. L. 115-141). The purpose of each RAC is to improve collaborative relationships among the people that use and care for the National Forests and to provide advice and recommendations to the Forest Service concerning projects and funding consistent with Title II of the Act. Projects are funded that protect, restore, and enhance fish and wildlife habitat; improve the maintenance of existing Forest Service infrastructure; protect and enhance ecosystems on the national forests; and restore and improve land health and water quality. Past projects include maintenance of Forest Service roads, trails and infrastructure; replacement of county bridges; control of noxious and exotic weeds; and reestablishment of native species.

In 2018, it's expected the committee will make recommendations concerning projects in Beaverhead, Madison, Silver Bow, Granite, Powell, Jefferson, and Deer Lodge Counties. The committees are made of up to 15 representatives. Without simple majority of each of the three categories of members (a quorum), no recommendations can be made.

"It is critical that we find qualified members to serve on the RAC. Without a full committee, funds that have been committed by the Counties to complete this important work cannot be utilized for potential projects. "I'm seeking candidates that will represent a wide array of interests to help each RAC reach full membership" said Forest Supervisor Melany Glossa.

Citizens are urged to consider applying to participate on one or both of the Resource Advisory Committees. This is a great way to learn more about management of public lands and help to allocate Title II funds to worthy projects that will improve natural resources on our public lands.

The committee has vacancies for members to represent the
