Marcia Gae (Novich) Gibson

Marcia passed away on December 9, 2018 after a short battle with cancer. Marcia was born on July 24, 1946 in Whitehall, Montana to Steve and Margaret Novich. She was later joined by her three brothers Thomas, Steve (John) and Donald (Frank). Marcia attended and graduated Twin Bridges High School in 1964.

Marcia spent her youth working on the family ranch doing everything except feeding the chickens. Because of an altercation with a rooster at a young age she was deathly afraid of birds. In the summers during her high school years she worked the horse shows at the Madison County Fair. After graduation from high school she spent some time working for the sheriff's office in Virginia City and the library on the campus of the University of Montana in Missoula. She would return to Twin Bridges area and receive her bachelor's degree from Western Montana College.

While at Western she would meet her husband of 48 years William (Bill). They were married on July 11, 1970 and would soon have two sons, Travis and Trenton. Bill and Marcia would spend a few years in Harrison, Montana where Bill taught school and coached. In the early eighties they would move back to Twin Bridges where they would make their home.

Marcia would spend the next 23 years working for the Twin Bridges School District. Upon retirement she would spend countless hours at the museum in Twin Bridges, and working on history books of Twin Bridges, the town of Rochester, and the Montana Children's Center.

Marcia enjoyed art in all forms spending time painting, pottery work, sewing and quilting. She had made quilts for all six of the grandchildren, with the granddaughters having their own "bug". One of her biggest joys was traveling to watch her grandchildren in either sports or dance.

Marcia is proceeded in death by her parents Steve and Margaret Novich, her brothers Thomas Novich, Steven John Novich, Donald Frank Novich, her aunt Judith Marceau, uncles Pete Novich, and Dan Novich and aunt Lucille Novich. Marcia is survived by her husband of 48 years William, sons Travis (Ryann), Trenton (Sarah), grandchildren Peter, Jack, Tyler, Bryanna, Adryana, and Aspen. Numerous aunts, uncles, and cousins.

Funeral services will take place on Sunday December 16, 2018 in the Old Twin Bridges High School gym at 2 pm. In lieu of flowers a memorial to the Twin Bridges Historical Association or the United Vets in Marcia's name.

Council

By: MJ

Opening on zoning committee. Councilwoman O'Rourke ask the mayor to put on the committee. According to the city statutes only two council members can be on the zoning board. The vacant spot must be filled with a public member. O'Rourke indicated it would be ok to break the laws and put her on the committee as a public member. A council member cannot wear two hats; one representing the public and one seated on a governing body. **Note:** *Mayor Klakken believes that following the laws are the only way that all citizens in the community are represented fairly. Mayor Klakken declined O'Rourke's request.*

- **Committees:** Finance, Street/Ally… are committees that are appointed by the council president and have only council persons. If you look under ordinances in Title (2) you will find clarification for this.
- **Boards:** Zoning, Planning, Board of Adjustments… are boards the mayor appoints. He asks the council before he makes a final decision. Title (2) under zoning, you will find ordinance outlining the ruling.

The Non-Discrimination Ordinance written by PFLAG Organization is still in the Judiciary committee and has not come before the council. The Committee must make a recommendation to the council.

LGBTQ: The Mayor has been reviewing the laws currently in place at the city level to find a middle ground that the city and PFLAGQ group can work with. There are many laws, rules regulations within the essential supporting structure, city government, that would need to be considered with this Ordinance. At the meetings it appears that there are very strong feelings on both side of this issue. If you are making a quilt you must cut all the pieces, arrange colors and patterns to fit before you have a final product you can sew up. The Non-discrimination ordinance is much like making that quilt. It takes time to listen, research, communicate, be open minded to other ideas and come to the table to find a solution (sew it up).

DISCRIMINATION: Are we taking a good look at the Non-discrimination Ordinance the PFLAG group wants the city to pass? It appears by passing a city ordinance they only want to protect the LBGTQ person that live with-in the city limits and not the county. Is that discrimination against those working and living in the country?

- Let's take a moral look at discrimination in our community. The

school is full of bullies and the teaches see it every day. What is done? What about the people who are down on their luck and are required to stand out on the main thorough-fare through Dillon to wait for their turn to be allowed inside to get food assistance? How would you feel if you were standing there? Is this discrimination against people who need a helping hand? Does this ordinance target only property owners and business's? Would that be discrimination? How about the elderly people? Discrimination is everywhere in our community. Do we need more laws or do we need community honoring and respecting others?

To pass an ordinance of this degree at the city level it will take 4-6 months if not more. There are many issues that need to be resolved before any voting can be done.

Children will ride bus 9 to the Y, have a snack, and then be involved in the camp offered for that week. You may sign up for a week or the month, it's up to you. Children in K-5th grade are eligible to join. Camp will end at 5:30pm each day. Camps will be offered all school year long with the exception of school holidays. Full and half day programs will be offered on school's out days for an additional charge. A separate registration is required. Save by signing up for the entire month!

We offer the 4 types of exercise needed to be healthy. These are aerobic fitness, strength, balance and flexibility. We offer a variety of exercise options at very reasonable rates.

Enhanced Fitness

The YMCA is now offering a proven community-based program. The program is nationally recognized by the Centers for Disease Control and Prevention and US Department of Health and Human Services. Class is geared toward older adults, and those with a chronic condition, such as arthritis.

We will be offering a half day camp on Friday Dec. 21st. an afternoon snacks will be provided.

Strong Family Campaign

Exercise your heart in more ways than one, give and join!
The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Please help us reach our 2018 campaign goal of $113,000. Thanks for your continued support of the YMCA!
