Montana Western Announces 2019 Colt Challenge and Sale

*The University of Montana Western's Equine Studies Department
has scheduled its Third Annual Colt Challenge and Sale for
March 29-30, 2019. The event will be held at La Cense Montana,
located at 4600 Carrigan Lane in Dillon, Mont.*

The Colt Challenge, held on March 29 starting at 9:00 a.m., will showcase Montana Western students from the Sales Preparation Class riding their assigned colts. Each student in the class is assigned to one of the colts by their Natural Horsemanship instructor. The Challenge will consist of a trail course and reining pattern event. The colts that are a part of the class are quarter horses donated from ranches in Montana and across the Northwestern United States.

The Colt Sale, held on March 30, will feature the sale of the donated colts from the Sales Preparation Class that competed the previous day with their student. The sale preview will start at 10:00 a.m. and the sale will begin at 1:00 p.m. Buyers from all over the United States travel to see the colts in the Montana Western Colt Challenge and Sale. All proceeds are reinvested in the program in order to provide scholarships to Natural Horsemanship majors at the University of Montana Western.

The Equine Studies Department at the University of Montana Western offers the nation's only Bachelor of Science degree in Natural Horsemanship with options in management,

As part of the training process, the students in the Sales Preparation class routinely ride their assigned colts in a variety of settings, including in the mountains in the Dillon, Mont. area.

psychology, science and instruction, and was ranked among the "Best Equestrian Colleges" by ThoughtCo.com, an online education resource.

The Montana Center for Horsemanship is the first and only equine center in the United States that is devoted expressly to promoting 'Natural Horsemanship.' With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of La Cense Montana and Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and he has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality. Taking a positive and respectful approach, the La Cense Method gradually builds trust, and frees the horses to be confident in all they are asked to perform.

For more information about the Colt Challenge and Sale, please contact Head Natural Horsemanship Instructor Eric Hoffmann by email at eric.hoffmann@umwestern.edu or call 406-925-1499.

The University of Montana Western Director of Athletics Bill Wilson has announced the hiring of Katie Lovett as the head volleyball coach

"We are excited to have Katie Lovett join the Montana Western Family as our next head volleyball coach," Wilson said, "Katie brings great experience as a collegiate assistant coach in a successful program. Her experience coaching both men and women brings a unique skill-set to the position that you just can't find everywhere." Currently Lovett is the women's and men's volleyball assistant coach at St. Andrews University in Laurinburg, N.C. She was named Appalachian Athletic Conference (AAC) and American Volleyball Coaches Association (AVCA) NAIA Regional Assistant Coach of the Year in 2018.

"I am very excited about this opportunity and it has always been a dream of mine to be a head coach," Lovett said. "I would like to thank everyone who helped me grow as a coach at St. Andrews University, and thank you to everyone at Montana Western that was a part of the interview process. I am excited to get on campus and get to work."

Lovett has spent five seasons as the assistant coach of the women's volleyball team, and three seasons as the men's assistant. Her 2016 women's team and 2018 men's team qualified for the NAIA National tournament. She has coached multiple All-Conference and AVCA All-Region players, and two AAC Freshman of the Year.

Lovett will start her position in mid-January.

One Man's Opinion

Is Southwest Montana the last best place? Yes, yes and yes!
It is also not the "place" for oil and gas development on
public lands.

Dear Readers, don't let the likes of Daines, Gianforte, Zinke
and that orange lump in the Whitehouse tell you that drilling in
Beaverhead and Madison counties is a good deal. Ignore them.
These guys are world class scalawags hell-bent on rolling back
environmental regulations. They believe human caused climate
change is not a scientific fact and that burning coal is not harmful.
(Wow! How do these guys get away with it?)

Facts do matter. Matter of fact, the majority of people in
Montana believe that Southwest Montana is an extension of
the Greater Yellowstone eco-system and want it roadless and
undeveloped.

Today there is hope. Zinke is going, going GONE and Trump
is not far behind.

This is the perfect time to demand changes in the way we
do business on public land. We should review our antiquated
mineral and grazing laws. It is the right thing to do since they are
major components of our commonwealth.

So...if you are concerned about unnecessary oil and gas
development in Southwest Montana, let the Bureau of Land
Management (BLM) know you oppose all oil and gas sales in
Beaverhead and Madison counties: BLM, Dillon, 1005 Selway Dr.,
683 2337. Your comments can be hand carried to the BLM office.

Comment period ends Fri., Dec. 21, 2018.

THANK YOU

The Grasshopper Valley Ladies club would like to thank everyone that helped make their annual Christmas raffle and community dinner a success. Thanks to all that bought raffle tickets. The winner of the quilt was Jerri Devlin and the box of gifts was won by Robert Marchesseault.

Thank you to Womack's Printing Place, Hair Care Unlimited and the YMCA for selling tickets. A special thank you to Erik and Kristi Borge and the crew at Elkhorn for hosting the dinner. We wish everyone a very Merry Christmas.

GIVING TREE - TIME IS GETTING NEAR

The Giving Tree is a community tree to help low income children receive a gift for Christmas. Community members can stop by and take a tag, fill the tag, and return the wrapped gift (with the tag attached so we know who it goes to). Gifts will need to be returned to Rattlesnake Alpacas by December 19 so we can deliver the gifts to the excited child. Thank you for your support of this wonderful project!
