Theodore Wayne Nichols

Theodore Wayne Nichols was born in Spokane, Washington on December 18th, 1953. Ted spent the beginning of his youth in Selma, Alabama; before moving to Anaconda, Montana with his family in 1965. Ted loved growing up in Montana and graduated from Anaconda high in 1972. Shortly after graduation Ted was inducted into the armed forces (lucky number 13). Ted quickly made the decision to serve in the US Navy where he was able to travel the world. Ted was a ship fitter in the Navy. After his service, Ted briefly worked at the Anaconda Arbiter plant before becoming a Union Pipefitter in Local 41 of Butte. Ted's role as a pipefitter took him to many places including: Romania, Johnston Atoll, and various states with his brother pipefitters. Ted purchased a small chunk of property in Wise River, Montana; an area he was in love with at a young age. It was there that he met the love of his life, Sherri, and they raised their two kids Teddy and Kari. Ted settled happily into his role of a family man and enjoyed taking his kids floating and fishing on the Bighole. Ted also loved taking his kids hunting and especially had some wonderful memories deer hunting at Sherri's family ranch in Lewistown. In 2006 Ted lost his son Teddy tragically in a car accident, a scar that could never heal. Ted always looked for the good in life and spend so many happy nights in the shop with his friends and family laughing, rocking out to music, fixing sleds, working on cars, welding, and of course building the pole barn. Ted was an ingenious builder with a vision unlike any other. Building the pole barn was his sons dream and completing this was an accomplishment he was so proud to honor Teddy with. In 2016 Ted was diagnosed with ALS, a disease that slowly took its toll. Ted stayed so positive and thankful with the life he was handed. Ted passed away peacefully on Friday, December 21st with his family by his side.

Predeceased in death; Son, Theodore D. Nichols, Father, Clyde L. Nichols, Sister, Nicki Leiss

Survived by Spouse, Sherri Nichols, daughter Kari Nichols, Mother Shirley Nichols, Sisters, Cathy Giron, Dory Schiele (Bill), Jenni Micheletti (Joe). Brothers Clyde L. Nichols Jr. (Jeri Kay) and Rob Nichols (Linda). Many nieces and nephews.

There will be a Celebration of Life will be held in late spring or early summer. Donations can be made to Teddy Nichols Scholarship at Montana Tech Foundation Butte MT

Thirty Years of Giving

Each year at this time Santa, alias Gail Kuntz, writes a letter to the editor thanking the Community and her Elves for helping her with the Giving Tree. We, her Elves, would like to take this opportunity to thank Gail.

Many do not realize that this was Gail's 30th year doing the Giving Tree. One cannot even imagine the work she puts in this project. She is well organized having everything down to precise detail.

Gail has had many different locations throughout the years. She even talks of a year where she did the sorting in a barn when it was below zero. She also did food baskets back then.

We thank you Gail with all our hearts as I know the Community does. You are a very special person (Santa) who has made it possible for many children to have a wonderful Christmas.

Stick to a budget. The cost of holiday shopping mounts quickly and can make people feel out of control and anxious. So draw up a budget long before you actually start your shopping and stick to it. If you need to talk to someone, call 1-800-273-TALK or 1-800-273-8255 or text "MT" to 741741. Call or text 24/7. Someone is always ready to listen.

By: MJ

Present: Chairman Mr. Nye, Mr. Graham and Ms. O'Rourke
City Attorney Mr. Dolan's factual based 13- page letter was included in the packet. The letter presented to the committee, explained existing law, court cases, towns that have enacted an NDO... You may get a copy of this letter at the Dillon Government web sight or the city offices.Ms. O'Rourke stated many times that there were three business in Dillon that may be better served when hiring employees if a non-discriminating ordinance was adopted by city. **Question:** How would companies know someone's sexual identity? Is that a question on a resume? There are 130± businesses in Dillon that support the economy and the Judiciary committee members stated they would be considering all business' before making a decision.

What does a locally privately-owned business do for the economy in Dillon? They often hire locally if possible, support many other business' and families with their purchases of operating supplies like; gas, diesel, tires, parts, oil, vehicles... They often have a close-knit relationship within the community. These businesses are a substantial module supporting the economics of Dillon, MT. Without these privately-owned businesses scattered throughout the town the town would not survive. People who remember Stoltz Land and Lumber know how devastating the loss of a privately-owned business or any business is to an area.

Several members of the community spoke for and against the ordinance. A business owner that employee's 35± people said he felt this was a law that was not needed in Dillon. People needed to act with their hearts and he did not feel that this was a problem in Dillon. **Note:** People do not remain in business for 50 years because they treat their employees with disdain. Some of the talk around the table of the Judiciary Committee targeted law suits that may or may not happen with a Non-discriminating ordinance. If the city representatives work with the framework of the existing local, state and federal laws they will have done everything they can do to protect against a law suit.Thanks to the committee for taking the time to do research seeking actual facts and figures to guide them in the decision-making process. Decisions made on opinions and emotions divide people.**Question:** Is Dillon being promoted for all the positives it has to offer? Does Dillon have a brochure or other types of advertisement being distributed telling Dillon's story. The college has an ad on T.V. that explains the "Block" program they offer. The background landscape in the ad was inviting. Would more advertisement like this benefit the community by uniting people working for a common goal? Many businesses today are using off sight employees. Dillon has what people are looking for today -- a lot to offer off-site employees. The time is right for Dillon to promote the area.**BITTERROOT TRADING POST****J.D. PAPE**

Conditions of the Kids Fish Pond

Due to community concern regarding the conditions of the Kids Fish Pond located on Swenson Way, the FWP and the members of The Beaverhead Outdoors Association wish to advise the public that

Increased water levels are caused by Beaver Dams blocking the out flow. So as not to disrupt the Beaver homes in winter, the FWP has a conservation plan to trap and relocate the beavers this spring at which time restoration of the out flow will be resolved.

We thank you for your concerns and continued support of this worthwhile project for the enjoyment of the kids!

Montana Western Football Recruits

The Montana Western Football team has signed 13 recruits during the early signing period. The Bulldogs stayed local with ten recruits hailing from the treasure state four of whom reside in southwestern Montana.

"This first group of new Dawgs really highlights where we are at as a program," head coach Ryan Nourse said. "We are a young team, two-thirds of our roster is made up of freshman and sophomores, and we return 10 starters on offense and eight on defense, we are in a position where we are adding talent to an already very talented pool."

The Bulldogs have added size, speed, and athleticism at running back, linebackers and offensive and defensive line during the early signing period of the class of 2019.

"The line of scrimmage is of obvious importance to a program's success and adding four guys who can compete at a high level this early is very positive for the future," Nourse added, "We are reaching our recruiting goals by adding talent at running back, defensive back and linebacker early on in the process. We are very excited about how this class is shaping up."
