Barbara Yewusiak, 71

Barbara Yewusiak, 71, of Dillon, MT, passed away Wednesday, December 26, 2018, at Berrett Hospital. Barb was born July 8, 1947 to William and Agnes (O'Neil) Angove, in Butte, MT. She graduated from Butte High School in 1966. She went on to college at Western Montana College where she earned her degree in education. On August 14, 1967 she married Samuel Yewusiak. Together the couple managed the Missoula Fair. After the couple moved to Dillon, MT they worked the fairgrounds there also. Barb was also a secretary for the Montana Hereford's Assoc. After retiring from teaching, she owned the Spinning Wheel, yarn and needlepoint shop, in Dillon and worked for the last 17 years at the Gallery in Dillon.

Her father Bill was captured during the Battle of the Bulge, so Barb was an active supporter of military veterans and worked and assisted in developing the Dillon Veteran's Memorial. Barb was gifted at knitting and needle point. She knitted numerous sweaters, socks, hats, mittens and needle point prints that she generously donated to various individuals and charitable organizations. One of her hobbies that she'd acquired through her Aunt Helen, collected numerous salt and pepper shakers and had a collection of well over 300 sets. She also enjoyed the trips to Jackpot with her parents and her brother. She was also known to enjoy a daily cocktail with her husband Sam at the Klondike's Bar.

Barb was preceded in death by both her parents, and also her brother Terry.

She is survived by her husband of 51 years, and many cousins.

Visitation will be Thursday, January 3, 2019 at 10 AM at the St. Rose of Lima Catholic Church in Dillon. A Funeral Mass will immediately follow at 11 AM. In Lieu of flowers the family requests that donations go to the St. Rose of Lima Catholic Church. A guestbook is available online at www.brundagefuneralhome.com.

Sheriff Kluesner followed the law—Absolved of Wrong Doing

by MJ

The Montana Department of Labor and Industry, Employment Relations Division, Human Rights Bureau have found that based on their investigation of Beaverhead County Sheriff Office that:

1. There was no reasonable cause to believe unlawful discrimination occurred as alleged by Charging Party, Michael Miles' complaint.

Charging Party is Michael Miles and **Respondent** is Beaverhead County Sheriff's Office (BCSO)

Issues investigated by Montana Department of Labor & Industry, Employment Rights Division, Human Rights Bureau:

1. Did Respondent discriminate against Charging Party in the area of employment because of his age and/or political belief in violation of the laws when BCSO issued him (Miles) discipline?
2. Did Respondent discriminate against Charging Party in the area of employment because of his age and/or political belief in violation of the laws when it terminated his employment?
3. Did Respondent retaliate against Charging Party in the area of employment because of his participation in a protected human rights activity in violation of the Governmental Code of Fait Practices when it terminated his employment, filed a complaint against Charging Party with POST, and refused to certify a waiver reinstating Charging Party's access to the Criminal Justice Information Network (CJIN)?

Investigators report stated:

POST: Under Montana law, Kluesner was required to report Miles' termination to POST. It is reasonable that Kluesner concluded that Miles violated the code of ethics

in ARM 23.13.203 by making false statements against Mulkey and lying during an investigation. Furthermore, the determination that Miles lied during the investigation calls his character into question. As the code of ethics is a POST minimum standard that the Sheriff's Office is required to apply to its deputies, including termination for failing to meet the minimum standards, Kluesner was duty bound to report Miles' conduct to POST. POST will conduct its own investigation of whether to sanction Miles once the Bureau's investigation is completed.

CJIN: Miles has a criminal history that requires Kluesner to periodically certify to CJIN Services at the MT Dept. of Justice that Miles is approved for clearance to CJIN access. Certification requires Kluesner to state that Miles has conducted himself with honesty and integrity since his violations, and therefore, finds no reason for concern to give Miles access to CJIN. Because the main issue that led to Miles's termination included lying and false statement, Kluesner credibly cannot certify that Miles has conducted himself with honesty and integrity.

Beaverhead County Commissioners decided on June 25, 2018 that the causes for termination listed in the termination letter May 11, 2018 were unfounded and reinstated Miles to his previous status with all back pay. Kluesner notified CJIN Services of Miles' termination and withdrew his request for Miles' clearance and approval for CJIN access on June 11, 2018, prior to the Commissioner's decision. Again, Kluesner followed proper protocol and necessary steps considering Miles had been terminated based on the results of the internal investigation.

NOTE: The Beaverhead County Sheriff Office (BCSO) internal investigation and Commission decision directly contradict each other. After conducting a thorough investigation, which included review of the hearing conducted by the Beaverhead County Attorney on behalf of Commissioners, the investigator concludes the BCSO reached the correct decision regarding the discipline of Miles.

Based on the investigator's information and analysis, the Respondent's reasons for placing Miles on paid administrative leave, terminating Miles' employment, filing a POST complaint, and withdrawing certification for CJIN access to be credible and worthy of belief. While the Bureau acknowledges that deputy Knox has filed a discrimination, complaint against Respondent as well, the evidence in favor of Respondent in this case overcomes Knox's complaint.

Furthermore, the information Miles refers to that discloses he contributed to Crafts' 2018 election campaign also lists Wyrick and Knox as contributors, but neither of them have been terminated. Indeed, Kluesner promoted three individuals who openly supported his opponent during the 2014 election. Additionally, the average age of sworn law enforcement officers of BCSO at the time this complaint was filed was forty-four years old. Knox is ten years Miles' senior, yet he remains employed as a deputy, and Kluesner hired Chase, dispute being nine years Kluesner's senior. Therefore, the comparative evidence does not demonstrate any pretext of discriminatory motive that Miles was subject to retaliation or treated differently based on his age or political belief.

(BCSO) currently consists of six deputies. Beaverhead County encompasses over 5,600 square miles with scattered communities. Mulkey and Malkovich are considered resident deputies and are expected to respond throughout the county; whereas deputies Miles, Wyrick, William Knox and newly hired Aaron Bowman are Dillon Deputies. David Chase became undersheriff in 2015 and serves at the pleasure of the sheriff. Prior to his current position, Chase had a long career in law enforcement in CA.

CONCLUSION: *Based on my investigation, I find no reasonable cause to believe unlawful discrimination occurred as alleged by Charging Part's complaint.* ***Document is signed by:*** *Andria Hardin, Montana Human Rights Bureau.*

Here's The Dillon Middle School News for the week of January 2 to January 4, 2019.

The lunch menu for the week is as follows: Today, Wednesday, will have beef and bean burritos served with refried beans and Mexican rice. Thursday, we will enjoy pizza served with cheesy pinwheels and sauce. And on Friday, we will have a chicken patty on a school made bun with trimmings.

Congratulations to all students who participated in the Montana Business Challenge. You all did a great job in managing the major decisions of a manufacturing company. There are awards that are given out at the end of the competition. We would like to congratulate Michael Stufflebean for winning the largest gain in stock price from quarter 4 to quarter 8. This is the comeback award. His company was in bad shape during the middle of the competition with a stock price of $11. He managed throughout the second half of the competition to raise his stock price to $67.61 which earned him the prize of greatest comeback award. This is amongst over 400 students state wide. Congratulations Michael. For his work he will earn a $100 scholarship.

DMS's 7th graders have designed a Kindness Business. It involved various writing activities, but a main objective was to demonstrate the extraordinary power and importance of simple human kindness by promoting the practice of kind acts, large and small, ultimately developing caring, productive citizens.

Through both planned and random acts of kindness, our participants were engaged in making a significant effort toward the betterment of our world. Some of the businesses dropped treats off on porches. One delivered kind messages on cars. We've had several kind acts done in the hallways of DMS.

The "Treats for Treatment" group sold hot cocoa and cookies before the break. The money they made will be sent to the Juvenile Diabetes Research Foundation. Did you know that 1.25 million Americans have diabetes. About 40,000 are diagnosed each year. That's 110 people a day. With this diagnoses comes enormous expense. "Treats for Treatment" is hoping the foundation will use the money to

educate about diabetes or give the money to a person in need. Great job to all of our students and staff for being involved in this campaign.

We have the results of the Dillon Tribune's kids' greeting card contest. Students from Mrs. Bartlome's art classes made Holiday cards for the contest. Congratulations to the winners. First place went to Moonyen Paloma. Alex Jorgensen received 2nd place for his entry. And Quincee Andersen was the third place winner. Congratulations students. Thank you to the DILLON TRIBUNE for running this fun contest. And thank you, Mrs. Bartlome, for facilitating this.

Girls' basketball starts, Thursday, January 3rd after school. 7th grade will practice in the DMS gym. 8th grade will practice in the new gym. At 5:30 pm that same evening, there will be a parent meeting in the DMS gym. Parents, please attend this very important meeting. Girls' basketball pictures will be Friday, January 18th.

6th grade girls' basketball will begin next Monday, January 7th after school. Practice will be in the Parkview cafeteria. Sixth graders, please make sure you have your physicals, concussion packets, and permission slips taken care of, so you are ready to go.

Why should Beaverhead County parents learn about Adverse Childhood Experiences? Because knowing about ACEs helps to build resilience to buffer the impact of toxic stress on you and your child. It helps your child live a happier life and break free from cycles of trauma. Healthy families build strong communities.

We'd like to wish everyone a Happy New Year. We hope that 2019 is your best year yet!!
