David (Andrew) Rangitsch

David (Andrew) Rangitsch, passed away peacefully December 30 after battling lung cancer. Those who knew him admired his hardworking nature and sense of humor. He loved music and dancing as much as spending time with family and friends.

He was born March 13, 1941 to Alfreda and Greg Rangitsch in Bridger MT. He was the 4th oldest of 10 children.

He was preceded in death by his older brother Charlie, parents Greg, and Alfreda, and son Jordan.

He is survived by his wife, Mary (Nelson) Rangitsch, siblings Joe, Walter, Eva, Marie, Anne, Don, John, and Tom, children Shawn (Antonia), James, Jason (Dawnnele), and Jessica, grandchildren Aana, Danica, Hayley, Jaden, Keyley, Soren Ridge, Chason, and Quill along with numerous nieces and nephews.

There will be a celebration of life on Saturday January 19, 2019 at 1:00 pm at Donivan's in Anaconda. Later this summer friends and family will gather to spread his ashes.

THANK YOU

The Giving Tree extends a HUGE thank-you to Dillon & Beaverhead County residents for your support in 2018.

Because of your compassion and generosity, we helped 229 kids and 85 families have a Merry Christmas! To those that took and filled tags off the tree, and those that donated money - you are who makes it all happen, thank you!

I wish you could read the sincere thank-you notes I get from recipients, or see the smiles we get when we deliver the gifts!

Thanks to the volunteers that gave of their time to help organize and deliver. And, thank-you to my Elves who, for the past 15+ years, have left the Saturday before Christmas open in their busy schedules to help make the Giving Tree come together. Sharon Rice, Linda Lower, Carleen Chaffin, Cindy Barnes, Claris Yuhas, Morgan Rose - you guys have my back -thank-you!

Blessings to you all in 2019!

Are you scared an unexpected personal or family
health crisis could significantly eat into your savings?
Do you fear the costs of healthcare will be more
expensive than you anticipate?

How will I pay my bills if I am laid up and can't work?

Help eliminate your anxiety. The small steps you take today can have a
huge impact on tomorrow. You shouldn't have to worry about paying
for emergency medical bills before you even reach your deductible.
I can help you protect the unexpected. This can help you enjoy the
moment, not fear the unknown. Let me know if I can help design an
affordable solution for you and your family.

Letter to the Editor

MJ,

In your closing question to the Judiciary Committee Meeting notes published on 12/27/18 you ask, "Is Dillon being promoted for all the positives it has to offer? Does Dillon have a brochure or other types of advertisement being distributed tell Dillon's story? The college has an ad on TV that explains the "Block" program they offer. The background landscape in the ad was inviting. Would more advertisement like this benefit the community by uniting people working for a common goal? Many businesses today are using off site employees. Dillon has what people are looking for today -- a lot to offer off-site employees. The time is right for Dillon to promote the area."

The answer is YES. Beaverhead Development Corporation, the Beaverhead Chamber of Commerce & Agriculture, the Convention and Visitors Bureau and a long list of individuals, businesses and many local non-profit agencies are all devoting nearly constant effort to just what you are inquiring about. Here is just a portion of what is being done to promote our community:

- + The chamber and the CVB are advertising in regional and national publications to promote events and happenings from throughout the county to visitors and potential residents. Annually the Chamber and the CVB spend about \$60,000 annually promoting everything Beaverhead County
- + The Chamber and BDC are working hand in hand with a long list of others to bring to the area Montana Range Days (a 2 year commitment of 300+ people for several days in summer 2019 and 2020), hosting the State wide meeting of the Montana Goldwing Association (100+ people for several days in summer 2019), the statewide meeting of the Montana Main Street Program, as well as LONG list of potential events, regional and statewide meetings and other opportunities all designed to promote and share what we have to offer
- + The BDC is working on a website that will be a clearinghouse of information for people interested in coming to our area - that should be completed in the first quarter of 2019.
- + The BDC works to help recruit and establish new businesses in our area through partnerships with the chamber, Headwaters RCD, the Small Business Development Center and local businesses
- + The BDC works to keep businesses operating locally through networking events, training/educational opportunities and building relationships
- + Main Street Dillon is working to beautify and improve our downtown area
- + The University of Montana Western is working to promote its educational programs and opportunities
- + The SW Montana Bike Walk Montana will have a bike camp in

+ We have an amazing array of lodging opportunities for short term and long term guests
+ We have globally recognized ag producers who host production sales and are actively working to innovate product developments and new markets for products

Could we do more and be more? You bet we could, but it takes a commitment from people throughout the community to make that happen. We need a commitment and action from city and county government to advocate for our residents, cities, towns, and county. We need leadership that can set goals, plan for the future, work toward the future and be adept at knowing when and where there limits are. We need the business community to continue their support of each other and seek out opportunity to promote and accelerate every component of our economy. We need anyone and everyone interested to show up to meetings, volunteer where needed, share ideas and engage within the community. We need to welcome those people willing to show up and share new ideas and thoughts. We need to share the history and significance of our county with everyone we come in contact with. We need to show pride in community pride by picking up trash or helping each other out when the opportunity presents itself. We need to make ourselves aware of every one of these opportunities to engage so that when someone asks what is there "to do" here we know enough to answer them and make them feel that same excitement we have to stay and engage. We should NEVER say "there is not much to do here."!! We need to realize that discussing and sharing new ideas or thoughts does not mean we have to jump at those new ideas or thoughts, but we should have the ability and the capacity to willingly listen and engage with new opportunities. We need access to money that can be used to fix up, promote ideas, market and develop our community for the future. We need to look ahead and discuss what we want our cities, towns and county to be like in the next 24 months, 5 years, 10 years, 25 years and 50 years. We need stop focusing on little tiny things and start to really concentrate on the long term big picture of where we want to take our community.

As is true in so many rural communities; the Dillon, Montana that came to its financial peak sometime during the 1950s and the 1970s probably cannot exist any longer because the world has made a dramatic shift since that time but WE can work together to make our next mark on the wall and set the bar for that next generation of residents and visitors coming to Beaverhead County!

Yours, Bob Pfister
