Legislative Update by Rep. Tom Welch Montana HD 72

Good day from the 66th Montana Legislative session. Our first week and the organizational matters that accompany it are behind us. Committees are now fully operational and Bill hearings are beginning. I am pleased to again be serving on the House Taxation Committee and the House Human Services Committee as I did in 2017. Both Committees generally meet daily with Taxation in the morning and Human Services gathering in the afternoon following our daily floor session. It is expected that both Committees will not only again see a large volume of Bills but also see key Session legislation such as those Bills dealing with tax reform and Medicaid reform respectively.

Prior to the start of this Session, there was much discussion about the rules that govern legislative processes in the Montana House of Representatives. I was in favor of reforming the rules to reduce the influence of well-connected lobbyists and special interest groups as I believe that it is of paramount importance that every legislator has an equal opportunity to support and defend the values and needs of their particular districts. Rural districts do not share the same concerns with urban districts---just as western districts differ considerably from eastern districts.

I am pleased to report that the opposing factions within the majority caucus have set aside their differences and that we reached a compromise on the House rule reform proposal. Under the conditions of the compromise, the House rules will now more closely mirror those rules that have been in place in the Montana Senate for more than 100 years. The composition of Committees will no longer be at the sole discretion of the Speaker, individual members will have more influence on which Committee a Bill is assigned to, and numerous safeguards have been instituted to protect against underhanded behavior. The blast motion, which was the source of the most acrimonious pre-session debate, has been revised to match the number of legislators in the majority caucus. This now means that the number of votes necessary to successfully remove a Bill from Committee will be 58 this session. Reformation of the House rules has been long overdue, and I am proud of the compromise that allowed our caucus to unanimously support the required changes.

Thank you for affording me the opportunity to serve you. While in Helena, I can be reached by email at tom.welch@mtleg.gov and phone messages can be left during the day at the Legislative Help Desk 406-444-4800. Regardless of whether you use email, phone or snail mail to contact me, PLEASE leave me your complete name, address, phone number and email in case I need to contact you. Have a wonderful week and hope to see some of you in Helena in coming weeks.

Tabitha's essay was on the subject of "Why Honor the American Flag". Both young ladies were awarded certificates and \$100 checks for their winning entries. Their entries were forwarded on to the VFW District headquarters where they competed against entries from all the other VFW Posts in SW Montana for further honors.

Trees with blue ribbons

The Dillon Tree Board has marked trees around town for our annual spring pruning contract. Trees with blue ribbon tied on them are marked for pruning. We mark the trees to make them easier to find for potential contract bidders to find. Please do not remove the ribbons as someone from the Tree Board will have to spend additional time re-marking the trees. Questions concerning the pruning contract can be directed to Tim or Jason at the DNRC 683-6305. Thank you. *Jason Glenn - Dillon Tree Board Chair*

Zoning Jan. 8, 2019

By: MJ

Present: Mr. Tim Stoker, Mr. Raymond Graham, Ms. Jackie Erfle, Mr. Dough Frank, Councilman Russel Schwandt & Mr. Hazelbaker, Director of Operations. Public members: Mr. Achter, Mr. Mooney and Ms. O'Rourke...

Election of Officers: Chair; Mr. Stoker and Vice Chair; Mr. Schwandt. Director of Operations stated that Verizon was looking at a spot for a tower that will be in the county however will be close to city limit Nothing has been firmed up at this time.

Board open discussions:

1. When towers are within the city limits do they need approval for another company to hook onto the tower? **Example;** Version puts up the tower and AT & T hooks onto to the tower.

2. If a tower is close to city limits the city must look at where the tower would fall if it collapses.

3. The board discussed putting rules in place for the placement and requirements for "tiny houses."

4. The Johnson building on Montana St. appears to have a change of use.

5. The Red Realty sign on Montana Street.

6. Discussed proposed zoning of Blacktail Creek and Bannack St./ Swenson Properties

a. A letter was received from Bicentennial Apartments objecting to the zoning changes until they have more information.

Permits; Compliance Certificat4es:

1. #2536 Smith Shed: Permit was for a shed. It appears that it could also be a residence. Director of Operations is going to send Mr. Smith a 'Change of Use' form that he must fill out if he is going to live in the building. Mr. Mooney stated the city should issue a cease and desist document to Mr. Smith until issues are worked out.

2. #2510 Tulley Springs: The board discussed the review of the previous tape of meeting and they heard nothing about the permit being specifically about a residence and garage. There was discussion on tape about occupancy and putting water and sewer into the building. The board ask Director of Operations to mail a "Change of Use" permit to Mr. Cornell to be filled out. Mr. Mooney stated the city should issue a cease and desist document to Mr. Craig Cornell until issues are worked out.

3. #2566 (Approved with condition that they submit a parking diagram) Barrett Hospital submitted a permit to build a storage building.

4. #2567 (Approved until the plat is submitted and with condition that no building will be built until proof of "set backs" are submitted. Barrett Hospital building for apartments that will be occupied by inner staffing at the hospital.

Zoning Compliance Fees: Director of Operations passed out a draft of proposed zoning compliance fees. The fee for Wireless Antenna was raised from \$500 to \$700. The rest of fees remained the same.

Spanky's Garage

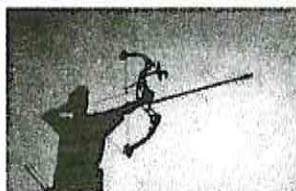

Is closing its doors forever!

After 18 years of service to the Dillon and surrounding communities we have decided to close the doors for good. It's been a wonderful experience and journey and I'd like to say "Thank You" for entrusting your vehicles to our care and service over the years. It is now time to begin a new chapter and focus our attention on Mad Dog Towing, as well as enjoying some downtime with friends and family. We are no longer taking appointments but will happily point you in the right direction for all your automotive repair needs, just give us a call.

Please be on the lookout in the coming days for an announcement of a Celebration we'd like to host at the shop, so everyone to stop by one last time and say "Good Bye".

Sincerely,

Brad Reis
