Trees with blue ribbons

The Dillon Tree Board has marked trees around town for our annual spring pruning contract. Trees with blue ribbon tied on them are marked for pruning. We mark the trees to make them easier to find for potential contract bidders to find. Please do not remove the ribbons as someone from the Tree Board will have to spend additional time re-marking the trees. Questions concerning the pruning contract can be directed to Tim or Jason at the DNRC 683-6305. Thank you. *Jason Glenn - Dillon Tree Board Chair*

Letter to the Editor

To the city council:

Once again Dick turner ignores repeated requests for documented specific evidence of "gay" people being refused employment or housing in Dillon because of their sexual orientation. His latest request for a city ordinance to . require employers and landlords in Dillon to hire or rent to people of different sexual orientation regardless of their own personal or religious beliefs is artfully phrased to lay a guilt trip on the eight members of the city council if they decline to do so.

The three questions he directs at the council members with the arrogant assertion that they have a responsibility to answer them "yes" or "no" could just as validly be phrased differently thus: Do you believe an employer has a right to employ anyone he pleases to work for him? Do you believe a home owner has a right to rent his property to whom he pleases? And follow these with Turner's assertion that as a city councilman you have the responsibility to answer these questions with a "yes" or "no."

A person's beliefs, whether religious or not are private unless that person chooses to express them publicly. I would also question the right of the eight members of the city council to pass a sweeping ordinance that would deprive employers and home owners of their right to employ, or rent their property to whomever they wish.

Members of PFLAG, for whom Turner has apparently appointed himself spokesman, keep insisting that they are only asking for equal rights. This is deliberately misleading. They have the same rights as any resident of the U.S. guaranteed by the equal protection clause of the Fifth and Fourteenth amendments to the Constitution. What they are really asking for are special, extra-constitutional rights based solely on their sexual proclivities. Turner has yet to prove that people in Dillon have been denied employment or housing solely because of their sexual orientation. What has happened in other locales at other times has no relevance for the passage of a non-discrimination ordinance in Dillon.

It would be as if if someone asked for a city ordinance making it unlawful to publish the names of anyone not attending Sunday church regularly and thus holding them up to public ridicule. People were at one time put in the stocks for "Sabbath breaking."

A parallel demand for rights was decided by the U. S. Supreme Court when Oliver Wendell Holmes was Chief Justice. A police officer objected to a city ordinance requiring all police officers to reside in the city where they worked. This officer took it to court as a violation of

his constitutional rights. It actually wound up in the Supreme Court. Justice Holmes leaned over his bench and thundered, "Young man, you have a constitutional right to live where you please. But you have **no** constitutional right to be a policeman."

This applies to sexual proclivities. Consenting adults have a right to practice what they please among themselves. They have no right to insist or demand that other people either employ them or rent their personal property to them.

**DILLON ELKS LODGE #1554
CHAMPIONS CROWNED IN ELKS DISTRICT
"HOOP SHOOT" COMPETITION**

On Saturday January 5, three girls and three boys, ages 8-13, were crowned Champions at the Elks South District "Hoop Shoot"® free throw contest, which took place at Straugh Gymnasium on the Montana Western campus in Dillon, MT.

First and second place trophies were awarded to each boy and girl in three categories: ages 8-9, 10-11 and 12-13. The contestants who participated at the District Hoop Shoot Contest were crowned Champions at their local Lodge Contest within the Montana South District, comprised of Anaconda #239, Butte #240, Deer Lodge #1737, Dillon #1554 and Helena #193.

The three first place boys and girls in age categories 8-9, 10-11 and 12-13 will advance to the Montana State Contest at Park County High School in Livingston, MT on February 2, 2019. They will compete against the Districts Champions from the other four Montana districts. With continued success, the six Montana State Champions will advance to the Regional Contest in Rapid City, SD, on March 9; the National Finals in Chicago, IL, April 27. The names of all the national winners are engraved on plaques at the Naismith Memorial Basketball Hall of Fame in Springfield, MA.

This program is totally sponsored by the Benevolent and Protective Order of Elks of the U.S.A. It is endorsed by hundreds of school systems around the country. The Elks fund the program primarily through its National Foundation and the support of the local lodges and state associations.

The Elks "Hoop Shoot"®, began as a local program by Corvallis Oregon Elks in 1946, is in its 46th year of national competition. Over three million boys and girls are expected to participate this year. In the past, Montana has crowned several National Champions.
