Lawrence Morrisroe to Continue Bridges to Business Speaker Series

The University of Montana Western's Business Department is welcoming Lawrence Morrisroe, Director of Product Marketing from Quiq Inc., as the featured speaker for the Bridges to Business Speaker Series on Feb. 12, 2019, at 7 p.m. in the Swysgood Technology Center Great Room, located on the UMW campus.

Morrisroe has worked for a variety of companies in the tech industry for the past 20 years including Canon, Yahoo, RightNow, and Oracle. Recently, Lawrence took a position with Quiq Inc. as their Director of Product Marketing. The tech company originated in Bozeman, Mont.

Quiq Inc. is a business messaging platform that allows customers to communicate with companies. Morrisroe's role focuses on strategy, positioning, and marketing content, as well as drive programs for field awareness, enablement, and customer success around Quiq's portfolio.

Quiq Inc. believes that mobile message-driven communications will replace a significant portion of the phone and email interactions that are traditionally held between individuals and companies. They hope to reduce costs while improving customer satisfaction.

Morrisroe graduated from Gonzaga University in Spokane, Wash. While in college studying abroad for a semester in Italy, Morrisroe met his wife Jenn, who was originally from Dillon, Mont. The family moved from Silicon Valley, Calif., to Dillon nine years ago to raise their three children.

Morrisroe is able to work in Dillon as a remote employee, but continuously travels all over the United States, meeting with customers and analysts to improve the way customers communicate with companies. He recently became a private pilot, which allows a quick commute to the company office in Bozeman.

For more information about the Bridges to Business Speaker Series, please call Kevin Engellant at 406-683-7404 or email kevin.engellant@umwestern.edu.

A Warning To My Readers

Do not think me gentle
because I speak in praise
of gentleness, or elegant
because I honor the grace
that keeps this world. I am
a man crude as any,
gross of speech, intolerant,
stubborn, angry, full
of fits and furies. That I
may have spoken well
at times, is not natural.
A wonder is what it is.

Are you scared an unexpected personal or family health crisis could significantly eat into your savings?
Do you fear the costs of healthcare will be more expensive than you anticipate?
How will I pay my bills if I am laid up and can't work?
Help eliminate your anxiety. The small steps you take today can have a huge impact on tomorrow. You shouldn't have to worry about paying for emergency medical bills before you even reach your deductible. I can help you protect the unexpected. This can help you enjoy the moment, not fear the unknown. Let me know if I can help design an affordable solution for you and your family.

Bible Truth...Values, Gods vs. Mans [part 2]

[Statement of belief: the Bible only is the source of all truth and all beliefs in conflict with the Bible are false.]

In the last lesson we noted that the move away from God, the Bible, and prayer over the past 50 plus years parallels the increase in alcoholism, drugs, murder, immorality, violence, break-up of the family unit and abuse. Humanism', ("A belief that when people are free to think for themselves, using reason and knowledge as their tools, they are best able to solve this world's problems,"), seems to have replaced the Biblical values given to man by God. [Humanist Society of Western New York]

Consider what changes could occur if God's laws were taught and practiced in society based on the principles of the Ten Commandments. These commandments are recorded in Exodus 20:2-17 & Deuteronomy 5:6-21.

Commandment #1...we should have no other gods but the Lord God, the God of love who gave His Son for the sins of man. Believing in His Son is the cure for sin that guarantees eternity in heaven.

Commandment #2...forbids making images of anything in heaven, on earth, under the earth, or in the water, nor to worship anyone or anything except the Lord God. Man-made images of various beings in creation are powerless no matter what religious body uses them.

Commandment #3...Thou shalt not use God's name in vain.

Commandment #4...Keep the Sabbath day a holy day in which man rests and meets to worship God.

Commandment #5...Honor your father and mother. Respect, obey, and trust parents as they lead with love.

Commandment #6...Do not kill [murder] another human being.

Commandment #7...Do not commit adultery (have intimate relations with anyone other than your spouse].

Commandment #8...Do not steal.

Commandment #9...Don't bear false witness [give a deceitful testimony] against you neighbor.

Commandment #10...Do not covet [lust, wrongfully desire without regard for the rights of others] anything of your neighbors.

If we all lived by these regulations the changes in our culture would be guaranteed. The anti-God movement and attempt to solve our problems by human reasoning and education have failed. Maybe it's time we returned to the old, God-given values of honesty, respect, law keeping, responsibility & morality given to us in the Bible.
