Ronald Edward Rebish

On February 14th, Ronald Edward Rebish was reunited with his parents, John and Theresa Rebish, and the Lord. Born on October 14, 1945 in San Francisco, Ron lived in Dillon, Montana where he met his beloved wife, Barbara Jean Sturm. They settled in Tacoma, Washington to raise their children Craig and Gwen. In retirement, Ron and Barb settled in Hailey, Idaho. Ron's great joy were his grandchildren, Cameron and Lauren, through them he saw life as a daily gift.

A talented artist in woodworking who loved nothing more than to construct projects that had meaningful impact and would bring wonder to others. Ron's personality was larger than life; those who met him were left with a lasting legacy of inspiration, courage and humor. A lifelong friend, teammate, coach, teacher and mentor who kept relationships close to his heart.

`Ron emulated life and planning a party, he adopted the phrase OTT; Over The Top. His joy was in seeing others laugh, smile and celebrate. His beautiful life will be celebrated July 20, 2019 in Hailey Idaho, where his legacy will be honored by laughs, memories and toasts.

Ron lived life with the motto "it's not how big of a life you live, but how many lives you touch"

Donations in Ron's memory can be made to www.michaeljfox.org or the Wood River Valley emergency services.

Stolen Personal Information

By: MJ

We have all heard horror stories about fraud that's committed on us by stealing a name, address, Social Security number, credit cards, etc. Following is information regarding theft of personal information.

1) Never put your name, residential address, or Social Security number on checks. You can always add information if required and the thief does not have instant access to it.

2) Photo copy everything that is in your wallet. By having copies, you will have all the numbers of credit cards etc. you will need to report the theft.

Following is some critical information to limit the damage in case this happens to you or someone you know:

1) Cancel credit cards immediately
2) File a police report
3) Call 3 national credit reporting organizations to place a fraud alert on your name and S.S. number. Any company that checks your credit would be alerted of the theft and that they need to call you to authorize new credit.
4) Numbers are: a. **Equifax:** 1-800-525-6285
   b. **Experian** (formerly TRW): 1-888-397-3742
   c. **Trans Union:** 1-800-680-7289
   d. **Social Security (fraud Line):** 1-800-269-0271

Save The Snow! Climate Summit 2019

Save The Snow! Climate Summit- Dillon, Montana is an event focused on bringing awareness to Montana's snowpack, and the long-term implications of a warming climate on the winter snow sport industry, along with ranching, farming, tourism, and forest/land/water management. Our goal is to provide expertise to local stakeholders/ community members on the current snowpack and trends over the past century from snow courses and long-term context from tree-rings and lake sediment cores, future projections of climate on water resources, as well as local solutions for climate resilience.

Through local conversations and networks, we have identified and selected people who either work on snowpack, hydrology, climate, or has a passion for snow. We are requesting the people that are involved give a short talk in their area of expertise relevant to the topics listed above.

We will be kicking off the event on March 14th, 2019 at Maverick Mountain Ski Area. We are inviting anyone and everyone to be on the snow at Maverick Mountain skiing or snowboarding (people attending are required to purchase a lift ticket). We want to share knowledge and start a conversation about snowpack in the area, the current and future impacts of climate change on the region, and how to build climate resilience in our community. On March 15th we will be at The University of Montana Western – Lewis and Clark Room from 9AM-4PM listening and learning about subjects mentioned above. At 5PM there will be an Après Party at the Patagonia Outlet with live music by Kailey Smith, beverages and snacks.

This is a free event at the University of Montana Western. People attending at Maverick Mountain are required to purchase a lift ticket.

If you are interested in attending please RSVP below!

Middle School would greatly appreciate all students being in school during these very important times. We will begin our testing window March 11 through 14....Tuesday through Thursday... with 8th graders taking their science CRTs. We will keep you posted on upcoming dates.

Mr. Renfree's sixth grade classes spent the past few weeks discussing the history and cultures of Greece and Rome, and that unit was wrapped up with a Roman Week where we learned about superstitions, famous Roman people, Roman Numerals and had a day dedicated to togas and trading goods.

This week in wrestling the team travels to the Townsend Mixer on Tuesday, February 26th. The bus leaves at 1:30 and the mixer begins at 4:00. Then on Thursday, February 28th, the team will compete at the Butte Central Duals, held at the MAC center. The bus will leave at 2:30 and the competition will begin at 4:00. Wood Bank Wanderings

2018 Annual Report of Beaverhead Community Wood Bank Ministry Inc.

From the Board of Directors: Rick Hartz, President, Geoff Roach, Vice President, Dorothy DeHart, Treasurer, Katie Bump, Secretary, The Reverend Wells Warren, Member at-Large

PO Box 1414, Dillon MT 59725 (406) 596-3690 BeaverheadCommunityWoodBank@gmail.com

Who we are and What we do

As temperatures drop to freezing and below, our thoughts are with the families in our community who struggle with limited means, for whom keeping warm can become a crisis. The Beaverhead Community Wood Bank Ministry exists to minister to the heating needs of these households.

Our mission is to help others keep warm. It starts with the free gift of the sun's energy, captured by trees and stored in wood. Our volunteers—wood chucks and chicks— contribute their time and talents, and with support of many others, turn the wood into fuel for heat and cooking stoves. The firewood is given to community members who need help warming their homes.

The Beaverhead Community Wood Bank Ministry Inc. is an independent charity formed in 2016 to continue the ministry of retired priest Father Harry Neeley and Saint James Episcopal Church. You can contact the wood bank by telephone, mail, or email; find us on Facebook.

Why is this ministry?

There is an old saying that firewood warms twice. Firewood warms you physically, as you work to cut, split, load, and deliver it. It also warms physically when it is burned to heat a home or a cook stove to prepare a meal. However, there is a third kind of warmth produced by firewood at the wood bank, and that is *spiritual*. This kind of warmth comes from giving and receiving, from sharing and connecting with, and caring for others. This spirit makes the wood bank a ministry.

Who gets the firewood?

Since September 2018, we have accepted applications and filled requests for firewood from 53 households in Beaverhead County. More than half are seniors living alone. More than a third are disabled. Nine households include children. The average monthly income for these households is less than $1,200. For many, their wood stove is the only source of heat, or wood is an important supplement to gas or electric heat that helps them make limited ends meet. A household typically may receive about 3 cords of wood.

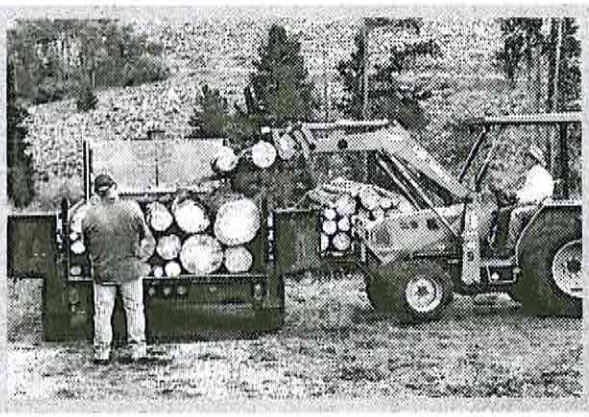
We ask people to complete an application including income details, to ensure our wood is distributed appropriately. This information is held in confidence, and eligibility is determined by the Board of Directors. We expect several more applications before the end of winter and plan to continue to provide firewood for some households this winter through April 2019. Deliveries for the 2019-2020 heating season will begin in August or September 2019.

Keeping warm, piece by piece. Above, our truck is being loaded by a team of Montana Youth Challenge cadets. It holds 1.3 cords of firewood. From January to December 2018, the Wood Bank provided 107 cords of firewood—about 82 truckloads—to help warm 53 households. This would make a solid stack 4 ft high x 4 ft wide x 856 feet long! At an electric power rate of $0.10/KWH, with 50% stove efficiency, this wood had an estimated heat value of $27,971, produced by volunteers with an annual operating budget of $13,000.

Where does the wood come from?

We have continued to process truckloads of wood received in 2017, and JS and Jerry Turner brought in two more truckloads of logs from a BLM timber sale in 2018. The Mooney Ranch delivered a substantial amount of wood to the wood yard during the summer. We also received wood by the pickup load throughout the year. Tom McGuire, a friend of the Wood Bank from Philipsburg, Mike Pflieger of Dillon, Renfrees, and several others donated wood. The wood chucks and chicks work throughout the year to cut the wood into firewood lengths, and split the rounds into firewood. In the fall we start loading and delivering wood for those unable to pick up wood at the yard.

The best wood is dead, dry Douglas fir; second-best is lodgepole pine. We sometimes accept spruce and solid ash. Most



Rick Hartz helps at the trailer as Ed Mooney loads logs from the Mooney Ranch.

Our firewood isn't free...it's priceless!

Our wood is valuable because of the volunteer labor of our wood chucks and wood chicks. In 2018, these dedicated folks contributed over 1,885 volunteer hours. That is equal to forty-seven 40-hour weeks for a single person, but many hands make light work. If you or your organization would like to help, give us a call!

Among our wood chucks and chicks in the past year were: Joe Arbor, Gary Berger, Mike Boka, Dave Browning, Colton Brunson, Bob and Katie Bump, Mario Cervantes, Pepe Cervantes, Dave Cottom, Dorothy DeHart, Dan Ehrenfried, Sue Eades, Ben Harrington, Cain Hartz, Rick and Patsy Hartz, Mat Hewes, Dave Hooks, Dave Ingram, George Johnston, Lydia Landon, Steve Losieker, Scott Marsh, Ivan May, Erin McGowan and the UMW Log Dawgs, Murphy McGowan, Gerry Meacham, Austin Miller, Ed Mooney, Steve Morehouse, Harry Neeley, Ray Patterson, Roger Pelletier, Gary Rillema, Bob Riley, Geoff and Kay Roach, Tom Scott, Ken Smith, Aaron Thomson, Nick Thompson, and Tom Welch. We also enjoyed work parties with members of the UMW Horsemen Club, and members of the Church of Jesus Christ of Latter Day Saints.

MYCA cadets operating a splitter.

Montana Youth Challenge Academy cadets have been regular volunteers at the Wood Bank. In 2018 we had their help on Wednesday afternoons during spring and fall sessions. A total of 82 cadets participated during the year.

Special thanks to all our Supporters

Many folks have been essential to the wood bank. In 2018 the Wood Bank received financial support from Saint James Episcopal Church, Thrivent Financial, Pioneer Federal Savings & Loan Foundation, the JC Kennedy Foundation, the Dillon, Jaycees, and from many private individuals. Our equipment was contributed by Saint James Episcopal Church. Bob and Katie Bump host the wood bank on their property. RE Miller & Sons have provided a large space to store truckloads of logs. Also on our support team are Badger Pass Septic, Rocky Mountain Supply, The Mini, Pivots Plus, Murdoch's, Bud's Auto, Shepard's Garage, Performance Auto, 3D's, Dairy Queen, Dillon's IGA Store, Womack's, KDBM, the Dillon Tribune, Darrell Sunderlin, and others.

Tyler Steadman (with the drill) aided by his father Kurt, at work on the Wood Bank shed, Tyler's Eagle Scout project.

In 2018 we especially recognize Tyler Steadman for the Eagle Scout project he completed, building a shed at the wood yard. Tyler designed the shed and gathered contributions of materials valued at $900. Tyler contributed 41 hours of labor, and enlisted another 48 hours of help from friends and family.

We can't begin to count all the ways so many people have played important roles. Without all of our volunteers, donors, friends, and community we could not continue this ministry. Thank you from the bottom of our hearts.
