KALE EDWIN KIVINEN, 81

Kale Edwin Kivinen, 81 passed away peacefully with his family by his side on February 19, 2019 at Barrett Memorial Hospital in Dillon. He was born July 27, 1937 in Hamilton, MT to Edwin Arthur and Alda Powell Kivinen and joined his sister Joyce.

Kale was drafted in 1960 and spent two years in Germany. When he returned to Ft. Shaw, Montana he met the love of his life, Letha Baker. They were married August 25, 1962 in Wallace, ID. They shared 56 wonderful years together. They were blessed with two daughters, Secret November and Aldalee Joyce.

Kale worked in construction as a heavy equipment operator for 44 years, retiring in 1999. After retirement, Kale and Letha traveled all over in their motor home. They had traveled to Las Vegas for 15 years on the Knutty Bus to see the NFR. The following years he enjoyed their annual trips to Las Vegas to watch the Professional Bull Riding Championship. If he wasn't there, you could find him watching them on TV. He loved a good old western movie and game shows. The night he passed Wheel of Fortune was on in his hospital room and the puzzle was "MY WORK HERE IS DONE".

Kale was a life member of the Dillon Elks Lodge and played bingo there every Thursday. He will always be remembered for his quick wit and sense of humor. He had the biggest heart and a contagious laugh that would make everyone in the room smile.

Kale loved being a grampa and didn't miss one of their high school graduations. He was also proud to be called GGPA, by his 2 great grandsons.

Kale is survived by his wife Letha, his daughters, Secret Kunkle (Jim), of Arlington, TX, Aldalee McAlmond (Bill), of Helena MT, his sister Joyce Pritchard, of Raynesford, MT, grandchildren Brenah Eunice Quinn (Tom), Secret Rylee Kunkle, Kooper Kale McAlmond (Kiela), Ivie Letha McAlmond, Jaret Foster Kunkle and Kaleah Evelin Kunkle, great-grandsons Kannon William and Witten Kelly, numerous aunts, uncles, nieces, nephews and cousins.

Kale was preceded in death by his parents, his son Koby Arthur, and grandsons Tad and Jase.

Memorial services are planned for a future date.

Ralph Nichols

Ralph Nichols passed away on February 22, 2019, at home in Belgrade MT, surrounded by his loving family.

Ralph was born in Salt Lake City, Utah on March 21, 1920 to DeWitt Nichols and Edwina Yearian Nichols. He attended elementary school in Salmon Idaho and after spending one year of high school in Missoula, graduated from Salmon High School in 1938 as valedictorian.

During his teen years he spent most of his weekends and summers on his grandparents' sheep and cattle ranch in the Lemhi Valley. His grandmother, Emma Yearian was known as the Sheep Queen of Idaho, but Ralph always preferred the cattle. In 1938, he enrolled in the University of Montana in Missoula to major in geology and was a member of the Sigma Chi Fraternity. During his junior year he started flying with the Civilian Pilot Training Program and received his pilot's license. He was quick study for aeronautics and flew planes and helicopters and even had a landing strip at his ranch. He graduated with honors from the University of Montana in the spring of 1942 with a Bachelor Degree in Geology and by fall had enlisted with the Navy.

In 1946 he married Blanche Owen of Waurika, Oklahoma and settled at the family ranch at Lemhi Idaho. In 1949 their daughter Mary Edwina (MaryEd) was born and the family bought a ranch in the Big Hole Valley, south of Butte. This was to be his home for fifty years. He loved ranching and was President of the

Are you scared an unexpected personal or family
health crisis could significantly eat into your savings?
Do you fear the costs of healthcare will be more
expensive than you anticipate?

How will I pay my bills if I am laid up and can't work?

Help eliminate your anxiety. The small steps you take today can have a
huge impact on tomorrow. You shouldn't have to worry about paying
for emergency medical bills before you even reach your deductible.
I can help you protect the unexpected. This can help you enjoy the
moment, not fear the unknown. Let me know if I can help design an
affordable solution for you and your family.

Outfitters and Guides Association while taking clients on hunting trips around the area. Blanche and Ralph divorced in 1966.

In 1976 he finished his Master's Degree in Paleontology at the University of Montana, Missoula while still ranching in the Big Hole Valley. He remained active with paleontology throughout his life and many of his fossil discoveries are housed with the University of Montana, Missoula and the Museum of the Rockies, Bozeman. He loved science and the contributions he made were to advance knowledge of fossil mammals. He went fossil hunting with colleagues, students or family members every summer. He was a lifelong scholar and was a Research Associate for the Museum of the Rockies, Bozeman, Montana and Carnegie Museum of Natural History, Pittsburgh, Pennsylvania. He was the recipient of the 4th Morris Skinner Award from the Society of Vertebrate Paleontology, in 1993. His numerous publications centered mainly on geological and paleontological studies.

Gayle Sheppard, of Cut Bank Montana, was the perfect fit and married him at their ranch in 1981. Gayle once claimed that it would be a cold day before she married him, and she got her wish the night before their wedding with a heavy frost which cemented their unwavering love. Their love grew with two daughters, Rachel and Sara born in 1982 and 1983, respectively.

Together with his wife Gayle, his love for horses and the great outdoors was instilled in their girls. He spent his time teaching them how to train horses, chase and doctor cows and how to manage a ranch. He had a brilliant mind and an amazing sense of humor. He always had the perfect turn of a phrase for any situation.

Ralph helped start the first rodeo at Montana State University, riding broncs during his time on the rodeo team. His love for horses was matched by his love for adventure. He rode horses over mountain trails that only the brave and/or crazy would attempt. When he wasn't feeding cows in the winter, he was an avid skier and spent many winters skiing at Lost Trail ski area with his whole family. He traveled by plane, train, automobile, horse, boat, snow-plane, snowmobile, skis, moose and foot when the opportunity presented itself.

He had an unparalleled wit, and when he told a story we all made sure to listen. Some of his most memorable stories were of flying helicopters, bears on the ranch and riding a moose and travel that included a trip around the world. We have all found solace in the stories he wrote now that he is gone.

In 2000 Ralph and Gayle sold the ranch and moved to Belgrade, MT. Ralph continued his paleo work and they found more time to travel.

Ralph's parents preceded him in death. Ralph is survived by his wife,

Public Comment On Items Of Significant Public Interest Not On The Agenda And Within The Jurisdiction Of The City

Postponed "Beaverhead in Color"

F. Lee Graves photography exhibit, "Beaverhead in Color", at ArtSpace in Dillon, 120 N. Montana St. opening reception has been postponed due to illness and weather conditions. The reception will now be held from **12:30 to 3 pm on Sunday, March 10th**. Graves, a native son of a pioneering family that settled in Bannack in 1864, returned to his childhood home after living in Florida. Photography has been his passion for 40 years and returning to his childhood home opened a floodgate of inspiration for his artwork. He is the author of two books, Montana's Fur Trade Era and Bannack: Cradle of Montana, both of which contain his photographs.

The reception opening the Graves exhibit will include the opportunity to view some of the family artifacts from the Graves family history along with light refreshments and the opportunity to visit with the photographer/author.

UMW Natural Horsemanship Student Completes Internship in Italy

Isabella Mugliari, a senior at UMW, is originally from Padua, Italy. She spent the summer of 2018 back in her hometown interning at a riding barn. Completion of an internship with someone already established in the equine industry is a graduation requirement for those enrolled in the Natural Horsemanship degree program.

Montana Western's Natural Horsemanship major is a unique, one of a kind program that immerses students in a hands-on learning environment, known as Experience One. Horsemanship skills taught in the practical classes are based on the principles of equine behavior along with horse training methods of renowned horsemanship experts. Montana Western is the only four-year academic institution to offer this kind of degree.

When Montana Western was suggested to Mugliari, it didn't take her long to decide the college would be a perfect fit. UMW's block scheduling system has allowed Mugliari to be engrossed in bettering her horsemanship. At Montana Western, students take one course at a time for 18 days before moving on to the next course.

"Taking one class at a time gives me the opportunity to stay really focused while still having time to work with my horse," stated Mugliari.

During her internship this past summer, Mugliari spent time helping the barn owner with various managerial tasks associated with operating such a multi-faceted business. She helped prepare the grounds for a jumping competition and even got to announce the horse and rider combinations at that competition. In addition, Mugliari helped with the barn's summer camp by teaching young kids how to ride and care for their horses.

With a passion for teaching and helping out young and troubled horses, Mugliari will graduate from Montana Western in May. She hopes to one day be a barn owner herself back in Europe.

"Natural Horsemanship isn't really known about back home, I want to help change that," Mugliari said.

Mugliari is confident in the education she has received and feels lucky to have been given the opportunity to learn horsemanship skills from top equine instructors.

Her advice to current Natural Horsemanship students is simple: "Never give up and don't be afraid to ask for help. The professors here at Montana Western are always willing to help."

To learn more about Montana Western's Equine Studies department and their unique Natural Horsemanship degree, please visit their website.
