Faye Joanne Westad

Faye Joanne Westad was born in Wenatchee WA to parents Arnold L. Iverson and Lillian M. Iverson (Robinson) on April 4th 1934. She led an abundant life spent mostly serving God. Her beliefs were steadfast and unwavering. She would talk to people about God whenever possible. She did missionary work in her early years of life. Faye was a lover of art and an accomplished singer / musician. She attended college at Seattle Pacific University in Washington State as well as University of Montana Western here in Dillon

MT. Her teaching degree allowed her to follow her calling as a Christian teacher and mentor, which she lovingly did for over 40 years. She was always one to help her neighbors and family. She was very charitable and helped thousands of people throughout her 84 years. Our Lord and Savior called her home on February 20th 2019. Faye's final days were spent surrounded by loved ones in her Dillon MT home. Faye was preceded in death by her husband of over 58 years Franklin "Don" Westad who greeted her in heaven, along with her parents and other family.

Faye's family and Norwegian heritage meant everything to her. She is survived by her sisters: Irene Newton (Jim) of Helena MT; MaryEllen Nettik (Ernie) of Helena MT; Marlene Tash (Bill) of Dillon MT; Lynn Westad (Elroy) of Dillon MT.

Faye is also survived by her children: Don "Scott" Westad (Yolanda) of Irwindale CA; LaDonna "Westad" Blackwood (Richard) of Dillon MT; Christopher Westad (Pauline) of Arcadia CA.

Faye was blessed with 13 Grandchildren: Janean Christensen (Chad) of Dillon MT; Kevin Bennett of Pocatello Idaho; Sean Bennett of Glasgow MT; Ian Westad of CA; Amber Westad of CA; Cassandra Longoria of Irwindale CA; Adriana LeGault of Phoenix AZ; Christopher Westad Jr. of Azusa CA; Matt Westad of Arcadia CA; Joshua Westad of Arcadia, CA; KelliAnne Westad of San Francisco CA; Michael Blackwood of CA; Jessica Blackwood of CA.

She was also blessed with 11 Great-Grandchildren that span the United States. Her legacy of love and Norwegian tradition will continue on with the entire family.

Services will be held as follows: On March 6th 2019 will be public viewing at Brundage Funeral Home; 300 S Atlantic St, Dillon, MT 59725 from 4-7 PM. On March 7th 2019, Funeral services will be held at Our Savior's Lutheran Church; 715 E. Bannack, Dillon MT 59725 at 11AM.

In lieu of flowers, donations can be sent to Dillon MT Hospice in memory of Faye Westad.

LEGISLATIVE UPDATE

BY REP TOM WELCH—MARCH 3, 2019

The 66th Legislative session reached the halfway point with some goals already accomplished and all remaining goals on target for completion in the second half. The Conservative Solutions Caucus, of which I am a member, came to Helena with an aggressive plan to address, among others, the following issues: school funding, transformational and technical education, infrastructure, and a responsible extension of the existing Medicaid expansion program.

Key major Bills were placed on the Governor's desk and signed. These include a responsible school funding plan covering inflation increases for 2020 and 2021 and secondly a sensible 50 cent per hour State employee pay plan. In previous sessions, these efforts became a partisan football making it difficult for local schools, cities, and counties to budget.

Several other Bills are aimed at transforming opportunities for Montana's students. We hope to get ahead of student needs by allowing school districts to develop individual lesson plans that prioritize coursework proficiency over mandatory seat time. Key career technical education/workforce (CTE) efforts are also progressing. Bills defining and incentivizing a system to address Montana's critical shortage of skilled workers are on track.

Major infrastructure Bills are advancing. HB 553, the Infrastructure Development and Economic Accountability Act, passed the House this week 100-0. This Bill is the first in a series of Bills aimed at providing an infrastructure funding framework to be used going forward. To safeguard the public and our bond ratings, the yearly contribution will be scaled to fit within our existing revenues. Spending dollars on the timely maintenance of existing infrastructure rather than constructing new will also be a priority.

Medicaid expansion will not be extended without reasonable safeguards that ensure the program offers a hand up rather than developing into a handout. This means that sensible work requirements will be necessary. It also means that those with significant assets and small incomes will be expected to bear a greater share of the cost. Expansion will not pass this Legislature without sufficient sideboards in place to protect the public trust. I would remind you that the House Human Services Committee, on which I sit, will hold hearings on the two introduced Medicaid

expansion Bills beginning on Saturday, March 16th.

It is often overlooked but some of the best work done by the Legislature is in killing Bills proposing new taxes or regulations. Many Bills detrimental to our area have died. It is gratifying that good work has been done thus far without requiring tax increases.

As to be expected, I have had some successes and some disappointments to date in the current Legislative session. I saw a report today that I have cast over 540 House floor votes thus far this session and dozens more in the Taxation and Human Services Committees. It is great to be home for a few days to catch up on my rest, reconnect with the community and spend meaningful time with my family. Thank you for allowing me to be your Representative.

Transmittal Break Review 2019
by Jeff Welborn

As we have hit the halfway mark in The 66th Legislative Session, we are currently on our transmittal break, and it's nice to be back home for a few days. It has been a productive session so far, and the Senate is working very well under the Leadership of Senate President Scott Sales. I will also say that much of the success, for doing good work, in a bi-partisan and a bi-cameral way, is due to the focus on solutions driven policy, by a working majority of legislators. We are known as the Solutions Caucus, and we have a very clear track record of fostering legislation that is both good for Montana, and brings an element of what is important to our own districts.

At the mid point break, we are again looking to fund long-term infrastructure projects in Montana. Sitting on the Senate Finance Committee, I have an active role, working jointly on some great projects within our proposed infrastructure package. I feel that our economy is only as sound as the reliability of its infrastructure. These projects however, only be constructed and maintained with a reliable, long term funding mechanism. Our group has looked to other States to find a better way, and I believe that we have a proposal that will create an efficient process for determining investment levels and project selection. HB 553, the Infrastructure Development and Economic Accountability Act, which I've cosponsored with Rep. Eric Moore, a Republican from Miles
