Dustin "Dusty" Charles Davis 1949-2019

On March 1, 2019, Dusty Davis died of heart failure at the age of 69 in Missoula, Montana. Dusty lost his loving wife, Paula on October 16th, just a few short months before and this loss left him heartbroken. Although he was very quiet and private person, his love and memories of his

wife of 21 years, and his dog, Timmy, helped him through the difficult time after her passing.

Dusty was an avid guitar collector, and was passionate about playing. He played both acoustic and electric guitars, but only for his own enjoyment. He was exceptionally quiet and shy and did not perform for others. The music was for his personal enjoyment only. He enjoyed riding his motorcycle around the beautiful Montana countryside and taking pictures along the way.

Dusty was preceded in death by his wife of 21 years, Paula, and his son, Dustin Jr. He is survived by his sister, Deborah Mayne, his children, Jason Davis, Michelle Davis (DuWayne), and Jennifer Froust (Nathan), step-daughters Marina Schreckengost (Rob), and Pamela Shuler, and 5 grandchildren.

No services are planned at this time.

Finance Committee: Feb. 28, 2019

By: MJ

Present: Committee members Mr. Don Hand and Mr. Russ Schwandt, Mayor Klakken, Chief of Police, City Attorney, City judge and other office personnel.

Discuss/Recommend Additional Help for City Attorney:

Judge Minor presented specific detailed reports with facts and figures on cases that had been processed through the court. City Attorney's secretary spoke on the increased work load today due to DVD's generated by body cams, defense attorneys requiring more information, and the increase of police officers.

City Attorney Dolan explained he put in 20 hours a week on criminal cases. He said the office did not keep track of time spent on each case. He noted that between 2008 and 2018 there were increases in cases and that it takes times to process misdemeanors. He asked why the city and police were talking about case load in the City Attorney's office. Mr. Dolan challenged the Chief of Police and City Judges figures.

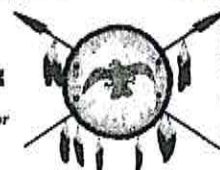

Mayor Klakken presented a breakdown of facts and figures on Active Criminal Cases from 2008 through 2018. The mayor stated he took office in 2014 and at that time was the deputy working 1/2 time doing criminal only. Mayor explained that if there was a new hire the money would come out of the general fund. He is working on getting the DVD information stored on the cloud so that it can be easily downloaded by those requiring the information. Cost of doing this would be estimated between four (4) to six (6) thousand dollars a year.

Police Chief Guiberson stated he agreed with the information the City Judge presented. He stated that 75% of county case load is coming from the city. He explained that DUI's and felony cases take a lot of time to investigate. He explained that there are not more officers on shift as previously stated. He stated that the new officers allow the office to be proactive instead of being reactive.

Committee members noted that the charts showed the case load had fluctuated up and down from 2008 through 2018. There was no time line presented on how long each case took and the committee said it would be hard to know if another employee was needed without that. The committee asked for hourly time. Mr. Hand indicated that people might not be working together and if they did not want to work cooperatively, they might look for another job.

Comments and Questions

Letter to the Editor

They did it to us again? You know what I am talking about? Oh, so you don't know what I'm talking about! That's because you have a time lapse! You lost an hour because of Daylight Saving Time. You didn't save any time, but you lost an hour. Where did that hour go? Will you have to pay extra tax for loosing an hour?

Daylight Saving time causes much stress, agitation, confusion and tension. It makes you have a funny appetite. You will have a desire to eat sardines with peanut butter. It will make you want to cry and swear. I know you do that already but it will increase. It will give you a desire to answer all those robo calls.

Daylight Saving Time was invented by a man. No woman in here right mind would invent this silly scheme. The cuckoo clock was invented to honor the man who instigated Daylight Saving Time.

When you wake up you will have "Time Fever" or "Time Lapse". It is because you are in another time zone and you will just have to kill time until the feeling goes away. Time will tell, so they say. And that's another story. We never find out who "they" are!
