UMW Faculty Member and Student Become MHSF Officials of the Year

Montana Western Associate Professor of Business and Technology and UMW alumnus, Kevin Engellant, was recently named the Montana High School Association (MHSF) Girls Basketball Official of the Year. Fellow Bulldog, Pat Armstrong Jr., was named Montana Boys Basketball Official of the Year. Armstrong will soon be graduating with a teaching degree through a grant program partnership between UMW, Blackfeet Community College and Browning Public Schools.

Engellant has boasted an impressive basketball career as a player, coach, and later as an official.

Engellant has boasted an impressive basketball career as a player, coach, and later as an official. Engellant was a basketball standout while attending High School in Geraldine, Mont. He went on to play basketball and after graduating, Engellant taught and coached at Beaverhead County High School.

After gaining coaching experience, Engellant became the Head Women's Basketball Coach at Montana Western, a position he held for 13 years. Under his guidance, the Women's Basketball team advanced to the NAIA National Tournament eight times.

In 2009, Engellant stepped down from coaching to pursue his teaching career and passion for officiating. For the past 10 years he has refereed games and tournaments all across Montana.

You can watch Kevin Engellant's interview on the MTN Sports website.

Pat and his wife Anna are both currently pursuing education degrees through a partnership grant between UMW, Blackfeet Community College, and Browning Public Schools.

Pat Armstrong Jr., a member of the Blackfeet Nation, lives

in Heart Butte, Mont. He has been a long-time educator
in the Browning Public School System. His passion for
officiating started nearly 20 years ago when he was still
playing High School basketball. Armstrong eventually
took the tests and 15 years ago, he became a sanctioned
official.

Armstrong has proven to be a role model in his
community and his influence has not gone unnoticed.
Montana Senator Steve Daines recently honored Armstrong
as the Montanan of the Week.

According to the press release, "to be nominated for
this award, you must exemplify upstanding character. Mr.
Armstrong is a prominent mentor in his community. He is a
humble man, who knows the value of a strong community."

Armstrong's dedication to the sport of basketball
has made him an inspiration to younger, up-and-coming
officials. He notes that his favorite part of the game is the
camaraderie between the other players and fans.

By: MJ

At the March 7th meeting the question; shall we or shall we not hire additional help for the city attorney's office. The exact discussion was **repeated as per the Feb. 28th meeting** Government at its best – slowly moving along.

Mayor Klakken stated Mr. Dolan worked part time with Mr. Gilbert doing the criminal cases. Today he does both criminal and civil cases.

At both of these meetings it appeared people may have been throwing other folks under the bus by playing the "blame game." In a blame game there is always the fundamental attribution error. People will excuse themselves for the same negative behavior they blame others for doing.

In any dispute there is always two sides and it is the job of the committee to do the research needed to sort out the actual facts before they recommend a decision to the council. Committee is asking for data that has not been generated at this time. Gathering this data may take several months. The City Judge has updated the files in her office and has presented those updated figures to the committee.

Note: Mayor Klakken is in the process of setting up a program that will facilitate the participants in the process of collecting the hourly information. At this time the city does not have a time clock system that tracks time for work, projects, clients and etc. that would provide some of the documentation the committee is asking for. **Question:** Would it be beneficial for the city to install a time mechanism of some sort?

Members questioned Ms. Pierce's time as Mr. Dolan's secretary. Ms. Peirce stated once a year she does a grant for the city bus and for two weeks it is intense however, she feels she keeps up with her job. **Motion;** was made and passed to ask the mayor to do a time study. The issue of hiring extra help for the City attorney's office was tabled until a time study is completed.

PFC (Private First Class) Stepping Up

Jace Dillon Cannady – Stepping up to protect our Nation

Jace witnessed a variety of cultural and geographic conditions in his young life; he started that life in Washington State, and then spent time in various US states including Louisiana, Wyoming, Texas and Montana. Jace accompanied his father, a former Marine Sgt (Bob Cannady) and they lived in Saudi Arabia and Nigeria before moving back to his current home sweet home in Dillon, Montana.

Bob Cannady instilled within Jace the Marine Corps leadership traits, Integrity, Tact, Unselfishness, Courage, Loyalty, Honor, and Respect.

Jace's personality and demeanor is focused on discipline and treating people with respect while trying to do the best that he can do. From the very beginning Jace wanted to represent his country and be a Marine like his dad. After attending high school in Dillon, his first goal was to prepare for Marine Corps Boot Camp where he volunteered for Youth Challenge to prepare him to be accepted in to the Marines. After a grueling 5 months of intensive training, he graduated in the top of his class that prepared him for the next step of his career. Shortly after his Youth Challenge he was accepted and headed to Marine Corps Boot Camp in San Diego, California. Jace not only excelled in Marines he graduated number one in the Platoon and was promoted after graduation to Private First Class. Jace brings great honor to his family and to the Marines. After his graduation his recruiter stated that he is one of the best Marines he had been associated with and was honored that Jace was his recruit.

It brings us all great honor and I am very proud to call him my son. Jace's family, Grandmother Francine Nipper, Dad Bob Cannady and Brother Cameron Cannady are very extremely proud of his accomplishments. We welcome him to the elite Marines and wish him well in protecting our way of life, to be safe, and most of all have a wonderful adventure.

Legislature Passes

Attorney General Fox's Opioid Abuse Bill

Attorney General Tim Fox issued the following statement after the Montana Senate passed House Bill 86:

"In passing House Bill 86, the Montana legislature has taken a significant step forward in addressing opioid addiction. Medical research has found that an opioid addiction can develop in just a few days, which is why my bill limits first-time prescriptions to no more than seven days. The bill also combats the doctor-shopping that feeds addiction by requiring physicians to utilize Montana's prescription drug registry. I am grateful to the legislators, physicians, hospitals, and others who supported this legislation and worked to get it passed."

House Bill 86:

Protects the legitimate use of prescription painkillers under the close supervision of a physician.

Restricts "opioid-naïve" patients to a seven-day supply of an opioid medication (an opioid-naïve patient is one who has not been prescribed a drug containing an opioid in the last 90 days).

There are certain exceptions.

Requires physicians to check a patient's history in Montana's prescription drug registry before issuing an opioid or benzodiazepine prescription. There are certain exceptions.

Requires pharmacies to positively verify the identity of a recipient before filling an opioid prescription.

HOOK A KID ON GOLF FUNDRAISER

The Beaverhead Brewery is hosting a two-day fundraiser in support of Hook-A-Kid-On-Golf and other areas of junior golf. The Kiwanis Club of Dillon and the Dillon Jaycees sponsor the summer golf program locally to grow the game of golf in southwestern Montana.

The Brewery will donate \$1 per pint sold on Friday, Mar. 15 and Saturday, Mar. 16. Area golfers are asked to contribute matching donations to the Brewery donations.

**NILE Internship Helps UMW Student Gain
Experience Marketing Horses**

Jamie Wines, a junior majoring in Natural Horsemanship and Business, represented Montana Western as an equine intern at the Northern International Livestock Exposition (NILE) held in Billings, in October 2018. Her experiences at the NILE have tied in with the lessons she is learning as she trains her first colt in preparation to sell at the third annual UMW Colt Challenge and Sale March 29-30, 2019.

The NILE is an agriculture centric event with the goal of "promoting livestock, agriculture education, and respect for the western culture." While there, Wines learned how to successfully organize and facilitate equine related events.

"While I was at the NILE I helped put on the horse shows, futurities, and sales. I got to see a lot of what goes into it from the secretary and show manager standpoint," explained Wines.

The experience Wines gained while interning at the NILE has been helpful as she markets the colt assigned to her in the UMW Sales Prep Class. This was Wines first year in the class where she was assigned Drift Final, a 2016 bay gelding donated by Mike Hollenbeck. Wines describes her colt as laid back with a lot of natural cow sense.

"He really likes cows. I hope someone buys him and uses him on a ranch," Wines stated.

The goal of the Sales Prep Class is to have students majoring in Natural Horsemanship start a colt from square one. Breeders from all over Montana and the surrounding states generously donated the colts for the class.

Wines encourages everyone, especially current Natural Horsemanship students, to come enjoy the Colt Challenge and Sale. The Challenge will take place on Friday, March 29 starting at 9 a.m. The sale is scheduled for Saturday, March 30. The colts will preview starting at 10 a.m. and the sale will follow at 1 p.m.

The event will take place at La Cense Montana, located at 4600 Carrigan Lane in Dillon. For more information about the Colt Challenge and Sale, please visit the event website, or contact Head Natural Horsemanship Instructor Eric Hoffmann by email at eric.hoffmann@umwestern.edu or call 406-925-1499.

Bible Truth...What God requires of man [Part 2]

[Statement of belief: the Bible only is the source of truth and all beliefs in conflict with the Bible are false.]

Since man is corrupt by nature we must rely on what God deems good as written in the Bible. Micah 6:8 states that God has shown man what is good and the He requires man to do justly, to love mercy, and to walk humbly with God.

First, doing justly means being fair, upright, honest and impartial toward all men. Doing justly isn't an occasional act but a life style that can only be accomplished by faith. Roman 1:17b and Galatians 3:11b, "...the just shall live by faith." Proverbs 16:17a states that those who "do justly [uprightly]" will avoid evil, "The highway of the upright is to depart from evil...."

Secondly, we are required to "love mercy" which is defined as "compassionate or kindly forbearance shown toward an offender, an enemy, and others...even the miserable." Mercy is an attribute that often goes against human nature, but Jesus instructs in Matthew 5:44 to, "...love your enemies, bless them that curse you, do good to them that hate you, and pray for them that spitefully use you, and persecute you."

Finally, we are to walk humbly with God. Humbly means in a lowly, modest manner suggesting a willingness to be submissive. It is an attribute that our 'all about me' culture has deemed weak. Humility means one does not insist on having his own way but is willing to yield to others. Luke 14:11 states, "For whosoever exalts himself shall be abased [humbled]; and he that humbles himself shall be exalted."

These requirements are designed to benefit society on earth, NOT to produce man's spiritual salvation. God's requirement for spiritual salvation is seen in many scriptures, one of which is John 3:36, "He that **believes on the Son** has everlasting life: and he that believes not the Son shall not see life, but the wrath of God abides on Him." Wrath is God's punishment upon those who fail to put faith in Jesus Christ as their Savior. Salvation is not of works "lest any...should boast"; it is the gift of God by grace **through faith**, Ephesians 2:8-9.
