Edwin Peter Hilger

Pete died suddenly and unexpectedly on April 7, 2019 at St. Vincent Healthcare due to complications from a dental procedure. He was born in Missoula to Edwin and Edith Hilger. Shortly thereafter, they moved to Dillon where he was raised and developed his passion for fishing and camping. He graduated from MSU in Mechanical Engineering where he met many lifelong friends through school and the Sigma Alpha Epsilon Fraternity. His first job took him to Portland, Oregon, but he returned to Dillon in 1960 to marry Dottie Andersen. They eventually moved to Salt Lake City. When his National Guard unit was activated during the Berlin Crisis they lived in Olympia, Washington, for a year. They found their way back to Montana in 1964, residing in Billings. He was a partner in Con'eer Engineering until his retirement in 1994. Pete thoroughly loved tending to his large garden, fishing, camping, skiing, and traveling, with many of these activities shared with his many friends and family. He also was known to be able to fix anything, and he liked to stay busy.

He is survived by his wife Dottie; his daughter Ann (Jerry) Jones; his son Jim; his brother Dave (Sherry) and his nieces and nephew, Carolyn, Mari and Eddy.

A celebration of life will be held at 3 p.m. on Thursday, April 11, 2019 at First Presbyterian Church in Billings at 2420 13th Street West.

THE CONSEQUENCES OF NOT PICKING UP YOUR DOG'S POOP ARE ...

The City of Dillon Municipal Codes requires dog owners to remove and properly dispose of animal waste on public property and on private property that they do not own.

Dillon Municipal Code

6.04.240 It shall be unlawful for any person to fail to promptly remove and dispose of, in a sanitary manner, feces left by a dog on property, public or private, other than the premises of the owner or handler of such dog.

6.04.230 Any persons violating this ordinance shall be deemed guilty of a misdemeanor and punished by a fine not to exceed two hundred fifty dollars (\$250.00).

With spring just around the corner, our parks, particularly Jaycee Park with its new playground, splash pad and amphitheater will be full of a variety of great activities for all ages so please be courteous by cleaning up after your pets. The City of Dillon will be enforcing these ordinances to the best of our abilities at all parks.

The City of Dillon has great parks. They are for everyone to enjoy, and when your pet leaves their feces behind it makes it difficult for others to enjoy. Please be a good neighbor by picking up after your pet and disposing of it properly.

The City of Dillon greatly appreciates all of our responsible pet owners.

Montana Department of Justice Warns Consumers of Confusing Motor Vehicle Websites

Attorney General Tim Fox and the Montana Department of Justice want to make Montanans aware of confusing vehicle service websites charging consumers for services offered free of charge through the agency's Motor Vehicle Division (MVD) official online presence.

"We encourage Montana consumers to understand which websites they're really interacting with when they go online and search for our Motor Vehicle Division," Attorney General Tim Fox said. "Government websites are specifically vetted to receive a .gov domain, so if you visit a website that ends in some other extension, it doesn't actually represent a government agency. We consider these websites confusing because they have names similar to our Motor Vehicle Division, and have been engineered to rank high in online searches in order to gain consumer traffic and charge for services the public could receive for free by visiting our website instead," Fox added.

Many of these other websites show a pop-up upon page load explaining they offer information for a fee that is available for free on the official Montana Motor Vehicle Division website at www.dojmt.gov/driving. Sarah Garcia, Administrator of the Motor Vehicle Division at the Montana Department of Justice, said, "Citizens need to be aware and read all pop-ups and fine print on these websites, which often sell 'informational packets' on how to complete driver or licensing services. While there is fine print stating this, these websites may be vague and misleading in the lead text as to what the consumer is actually paying for."

Garcia added that no outside website is authorized to renew a Montana driver license online or schedule appointments for services that MVD offers, and reminds consumers it does not charge appointment scheduling fees. She also recommended citizens use Google Chrome as a browser, which identifies potentially hazardous websites by displaying this warning.

To schedule MVD appointments, call (866) 450-8034 or visit www.dojmt.gov/driving. For more information, contact MVD at (406) 444-3933 or mvd@mt.gov.

Here's the Dillon Middle School news for the week of April 15 through 19, 2019

The lunch menu for the week is as follows: Monday, fajita chicken tacos will be served with trimmings. Tuesday, we will have sub sandwiches with trimmings. Wednesday, we will enjoy a local beef hamburger on a school made bun.

On Thursday, we will have an early release at noon for spring break and only a grab and go breakfast will be served. Spring break will continue Friday, April 19 and Monday, April 22. School will resume Tuesday, April 23rd.

There will be no testing this week due to the short week. However, testing will continue the week of April 23rd with Mr. Jory's math classes and Mrs. Telling's 7th grade classes testing during their normal class periods.

This is our final week in our Team up Against Cancer Campaign. The 8th period competition will be decided at the end of the day today. Students, bring your spare change to your 8th period class and potentially win a pizza party.

On Thursday, we will have our school wide event...SMUCK FOR A BUCK. Students have been buying chances to throw a pie in the face of their favorite teacher. Who will get the golden opportunity? We will find out this Thursday, April 18th at our end of the day assembly.

This evening, Monday, April 15th, will be the DMS Mystery Theater. It will be held in the DMS music room at 6:30 and is open to the public. The eighth graders in Mrs. Waldorf's class have written the entire mystery theater. This year the students have chosen to represent a variety of countries and their characters hope to be their country's ambassador to the United States. However, if their secret information is revealed, their chances will be over. To make matters more dire, one of them has been hired to harm a high ranking US official. The countries and students represented are Josiah Jones from India, Gavin Garrison from North Korea, Trapper Doering from Australia, Cole Miles from Russia, Eden Kindberg from Poland, Aliyah Gardner from the Netherlands, Jessie Bojkovsky from Mexico, Henry Hawes from England, and Kaylinn Turney from China. So come out and enjoy a fun evening.

April 24th will be the Celebration of Excellence in the new gym. It will begin at 5:00 pm and will be open for several hours. So, come on out and see what our middle school students have been doing.

What are ACEs? Adverse Childhood Experiences are significant childhood traumas that result in actual changes in a child's brain development. Resilience helps families respond effectively to these challenges. Join the Beaverhead ACEs Task Force. Healthy families build strong communities.
