ESTABLISHING A PHARMACY

In response to the overwhelming need from the Dillon community, Southwest Montana Community Health Center is moving forward in establishing a pharmacy in the old Mitchell Drug building at 125 E. Glendale.

"We are very excited for the opportunity to expand our retail pharmacy" services into the Dillon Community. Our staff is dedicated to providing personalized service at an affordable price, as we have in our communities for nearly 20 years," said Tammy Cox, director of pharmacy services for the SWMTCHC.

The pharmacy is expected to open in summer 2019, following a remodel of the building.

In the meantime, CHC pharmacies in Sheridan and Butte are available to assist with medication needs. Call Mac's CHC Pharmacy at (406) 842-7434 or Butte CHC Pharmacy at (406) 496-6001 to discuss options to obtain your prescriptions.

If you need a medical provider, now is the time to establish at our clinic by calling (406) 683-4440 for an appointment.

Artifishal

Patagonia outlet Dillon-Tuesday April 23rd will be our biggest event!! Artifishal is a film about people, rivers, and the fight for the future of wild fish and the environment that supports them. It explores wild salmon's slide toward extinction, threats posed by fish hatcheries and fish farms, and our continued loss of faith in nature. Happy hour festivities begin at the Dillon outlet at 6:30 pm. Cold beverages thanks @ beaverheadbeer and amazing food from Shovel and Spoon.

We will be showing the film at The Old Depot Theater at 7:30 pm. This epic venue only seats 100, so plan on arriving early to ensure a seat. There will be time for Q&A with Craig Mathews (1% for the planet) and Patagonia fishing ambassador Dylan Tomine. Please bring you reusable cup.

During the happy hour we will be screening ArtiFISHal logo, bring in a t-shirt of your own to get embellished with this rad message. Check out the details on Instagram Patagonia_dillon

handicap, as a twin or with a mother who died in childbirth. Sister Stan opened the orphanage nearly 15 years ago to save these children and give them a chance at life. Sister Stan is the sole guardian of over 70 "spirit children."

Over the course of four days, the MDOT treated all kids in the orphanage, further opening it up to community members in surrounding villages. They cared for roughly 475 people by providing cleanings, filings, extractions and fluoride treatment. Each patient received their own personal toothbrush, which may be the only one they will have in their entire life.

Montana Western's block scheduling system, known as Experience One, English's internship and current job prepared him for his unique experience abroad. "I have worked in the dental field all through my undergrad degree, learning about the mouth and teeth, which has guided me into the career that I want to pursue," said English.

English felt very humbled after his visit, as he was able to see how differently many people around the world live. He learned that to pursue his career in dental work, he must have compassion and dedication to serving others.

"The thing I enjoyed most about this trip was being able to help others and seeing the joy that we could bring to them. If I had one thing to bring back to UMW, it is the drive to continue to succeed to be able to go back and help these people again. Never give up, your life could be a lot harder," said English after reflecting on his experience.

English will be graduating in spring 2019 and afterwards, he plans on attending dental school.

THE CONSEQUENCES OF NOT PICKING UP YOUR DOG'S POOP ARE ....

The City of Dillon Municipal Codes requires dog owners to remove and properly dispose of animal waste on public property and on private property that they do not own.

Dillon Municipal Code

6.04.240 It shall be unlawful for any person to fail to promptly remove and dispose of, in a sanitary manner, feces left by a dog on property, public or private, other than the premises of the owner or handler of such dog.

6.04.230 Any persons violating this ordinance shall be deemed guilty of a misdemeanor and punished by a fine not to exceed two hundred fifty dollars ($250.00).

With spring just around the corner, our parks, particularly Jaycee Park with its new playground, splash pad and amphitheater will be full of a variety of great activities for all ages so please be courteous by cleaning up after your pets. The City of Dillon will be enforcing these ordinances to the best of our abilities at all parks.

The City of Dillon has great parks. They are for everyone to enjoy, and when your pet leaves their feces behind it makes it difficult for others to enjoy. Please be a good neighbor by picking up after your pet and disposing of it properly.

The City of Dillon greatly appreciates all of our responsible pet owners.

We are still enjoying our last day of spring break. School will resume tomorrow, Tuesday, April 23rd.

The lunch menu for the week is as follows: On Tuesday, we will enjoy beefy noodles and corn bread. On Wednesday, a BBQ pulled pork sandwich will be served on a school made bun with cabbage salad. On Thursday, we will enjoy Stromboli served with rotini with white sauce, and on Friday, we will have pizza served with cheesy pinwheels and sauce.

Friday, April 26th, midterms will go home with students. Parents, if you do not receive your child's midterm report, don't hesitate to call the DMS office.

Next Monday, April 29th, DMS will host their track meet at the Beaverhead County High School track. The track meet will begin at 12:00 pm, and 12 teams will be competing. Come on out and support the DMS tracksters. Concessions are available.

Eighth grade graduation is just around the bend. The last day for eighth grade students is Friday, May 24th. Eighth grade graduation will be Tuesday, May 28th. Please keep listening for more details.

The Beaverhead ACEs Task Force is focused on building strategies to help families adapt to the challenges they face. When families and communities build resilience, children gain the tools they need to overcome obstacles and succeed in life. Healthy families are resilient families and they build strong communities.
