## James "Gramps" Tenney

James Wilson Tenney was born in Great Falls MT on July 29th 1936 to parents Jay and Virginia Tenney. He was the first born of four children; Dennis, Marlene, and Jayette. He grew up in Fairfield MT where he participated in track, football and basketball. In 1954, as a Junior, his basketball team went on to win the first State Championship. He was quick to mention he was known as "Swish Tenney". As a senior he was offered a full ride scholarship to Carroll College to play both football and basketball but realized the cowboy life was more suited for him. After graduation he married his high school sweetheart Ella Mae Herman. While chasing his dream of being a cowboy and his passion to be the best team roper there was, he and Ella Mae would welcome three children together; Vicki, Jennifer and Jason.

In 1975, Gramps and Ella Mae would move from Jordan MT to the Dillon area where he worked for the late Frank and Dan Rebish. Gramps continued roping and started working as a truck driver for Roger Cleverley. Gramps then continued his truck driving days with son-in-law Bobby for 20 years. He spent many years making memories and building many friendships through the trucking days. Gramps spent many winters in Wickenburg, Arizona where he got to fulfill his passion for team roping. Whether he was roping or trucking he was surrounded by friends and family. He was a true Greenbay Packers and Duke Blue Devils fan. Many friends, family, children, grandchildren and great grandchildren will all cherish the moments spent with Gramps.

Gramps went to spend eternity with his wife Ella Mae on April 18th 2019 in Dillon MT at age 82. He spent his last couple weeks surrounded by close family that loved him. He is preceded in death by his parents Jay and Virginia Tenney, wife Ella Mae Tenney, brother Dennis Tenney and sister Marlene Evans, Great Aunt Hazel Skelton and Son-in-law Bobby Turney. He is survived by his sister Jayette (Russ) Robb, his three children Vicki (Gary) Helm, Jennifer Turney and Jason (Tricia) Tenney, 12 Grand Children, 20 great Grand-Children and one more expected in August.

Services will be held at Brundage Funeral Home in Dillon Mt on Saturday April 27th 11:00 am.

**2019 RMSHA Season Final Results**  
 This weekend wrapped up the 2019 RMSHA season at Grand Targhee. This was the 5th straight weekend of racing and I came out on top with my best year yet! Couldn't be more honored and happy to be where I am at in my racing career, and I couldn't have done it without my top of the line sponsors and support crew! My team worked extremely hard all season, long to make it all come together.  
 My fiancée, Katie, mom, dad, and Riley Sprunger were tremendous help throughout the season. Darin Gould, Jack Struthers, Darren Hedlund, Jim, Reid, and the engineers were massive contributors to this season as well.  
 RMSHA as a race organization killed it with another successful season of racing. RMSHA is owned by the members, and the volunteers/staff members/media crew did an incredible job as always. The sport continues to grow with new racers joining the circuit and new class act venues coming on board.  
 Thank you everyone for all of your support, motivation, hard work, and industries best product to make this season come together! In the end, you get what you give, and I'm ready to keep on giving!!!  
 Have a great Summer and enjoy the sunshine!

## The Chess Player

By: Bryce Angell

The old man scooted up his chair. Each night we played the game.

Chess was more his specialty, and Johnson was his name.

Johnson didn't have a place where he could call his home.

So, he lived out in our bunkhouse, didn't mind to be alone.

The old man always had a game of chess set out to play. He  
moved his pawn ahead one square, and then he looked my way.  
You never really knew if we were eyeing face to face.

'Cuz Johnson's eyes were both askew and dang sure out of place.  
His left eye tilted out a bit. You'd say a might cockeyed. The  
right eye never made a move. Some said, "Looked like it died."

I moved my knight out from a pawn. I'd planned no strategy.

And then I quizzed him 'bout his eyes. This time they  
stared through me.

Old Johnson hesitated, then he moved his knight out front.

He said when he was younger, he had tried a stupid stunt.

He didn't bother telling me just what the heck he did. So,

I moved my pawn and figured Johnson kept things under lid.

But it didn't take old Johnson long to warm up to a boy,  
who listened to his stories, trying never to annoy.

And every night past supper I would listen to each tale,  
how he'd waited for the enemy and fought 'em tooth and nail.

He showed me how to play the game of chess and every rule.

But most of all I learned from him, "You ain't nobody's fool."

He taught me, "Always show respect. Be true to all your kin."

He told me how my folks were kind to take an old man in.

One morning I woke early. Thought I'd check the bunkhouse  
out. And there lay old man Johnson. He was dead.

I had no doubt.

Most young boys sure would be afraid to find death all alone.

But me, I stood there thinking.

"Johnson's found his way back home."

This is simply NWE's primary reason for purchasing an additional 150MW of Colstrip, which in turn would gain control/ownership of the CTS. Their secondary reason, given Montana's existing transmission limitations, is the need to maintain 400MW of base power on the eastern CTS segment to ensure reliable electricity in Montana. Irrespective of the energy source, Montana can neither efficiently buy nor sell electricity without the CTS. Since the CTS is critical to Montana's energy future, can a solution be found that protects the CTS and the ratepayer? I submit that is absolutely possible.

The solution components are: 1) NWE must achieve controlling interest in the CTS, 2) NWE cannot charge the ratepayer more for the new capacity than they charge for existing generation, 3) Future remediation costs must be limited to the percent generation purchased 4) The PSC must validate the \$75 million, 10-year forecasted request for operations and maintenance, 5) NWE must disclose publicly the purchase agreement, 6) NWE must increase its renewable portfolio from 15% to 25%, and 7) NWE must set a carbon neutral goal by 2045. This is the real discussion happening in the final days of the 66th Legislative Session, a discussion that I feel is thoughtful, collaborative, and one that fits the objectives of all stakeholders that want to find workable solutions to Montana's Energy Future.

In closing, I will have an update next week regarding Infrastructure funding and Other major proposals from the session and where they ended up in the process. Thanks for staying in touch on issues important to you.

## Federal Government Announces Montana is REAL ID Compliant

In a letter from the Department of Homeland Security (DHS), the Montana Department of Justice's (DOJ) Motor Vehicle Division (MVD) was formally notified Montana is now in full compliance with the REAL ID Act and regulation.

With this notification, federal agencies and the Transportation Security Administration (TSA) will continue to accept all valid Montana driver licenses and ID cards to board domestic commercial flights and access secure federal facilities until October 1, 2020. Beginning October 2020, only Montana licenses and ID cards that are REAL ID compliant will be accepted to board domestic commercial flights or enter secure federal facilities.

During the 2017 Legislative Session (Senate Bill 366), Montana's legislature and governor directed MVD to create an optional driver license that complies with the federal REAL ID Act of 2005. In January 2019, MVD began issuing compliant credentials for Montanans who choose to obtain them.

MVD Administrator Sarah Garcia said, "Previously, Montana received two year-long extensions from DHS for REAL ID implementation. That was critically important, because it allowed us time to work closely with DHS to ensure full compliance with the law. We acquired the necessary equipment to implement REAL ID, hire and train new staff, and give Montanans the information they need to decide if a REAL ID license or ID is right for them. Receiving the formal notice that we're a REAL ID compliant state is great news for Montana."

As part of its ongoing efforts to inform the public about REAL ID, MVD launched its [mtrealid.gov](http://mtrealid.gov) website, which provides answers to frequently asked questions and allows interested individuals to sign up for MVD appointments to obtain a REAL ID compliant license or ID. Last year, MVD also launched a public service announcement campaign created through a partnership with MSU-Billings students designed to reach Montanans through several different TV and radio messages.

On a related note, the American Association of Motor Vehicle Administrators (AAMVA) announced it has selected MVD for four awards. These honors are for excellence and innovation displayed through MVD's REAL ID outreach campaign and website, and marks the first time Montana's MVD has won an AAMVA International Award.
