Highway 89 Bridge Fishing Access Site boat ramp to be replaced

The Highway 89 Fishing Access Site on the Yellowstone River east of Livingston will have limited public access while contractors replace the boat ramp.

Construction is scheduled to begin Monday, April 29, and is expected to last about two weeks. During that time, Montana Fish, Wildlife & Parks asks that visitors park in the southern-most parking area and access the river by foot along the east boundary fence. Please use caution and be aware of equipment working in the area.

Boaters who would normally exit the river at the Highway 89 Bridge FAS can, instead, take out at Mayor's Landing FAS in Livingston, which is about six miles upriver.

For more information, please contact FWP's Region 3 headquarters at 406-994-4042.

Dances with Words Spring Series Concludes with Two Idaho Authors

On Thursday, April 18, 2019 Mary Clearman Blew will visit the University of Montana Western to read from her personal works as a guest author. Roger Dunsmore will share a reading from his poetry collection on Thursday, May 2 to conclude the spring semester "Dances with Words" series.

DWW-in article

"Dances with Words" is produced by English Professor Alan Weltzien. The series, free and open to the public, provides the community with a unique opportunity to listen to writers reading their own works, including Montana Western student writers.

Blew was born and raised on a ranch in rural Fergus County, Mont. She has written and edited 15 books composed of both fiction and nonfiction. Her short fiction collection, "Runaway," won a Pacific Northwest Booksellers Award, as did her memoir "All but the Waltz: Essays on a Montana Family." Her novel, "Jackalope Dreams," won the Western Heritage Award in 2009.

Her latest novel, "Ruby Dreams of Janis Joplin," was released in September 2018. In this story, Ruby comes to understand her family mysteries through her performances with a country-western band. Blew currently resides in Moscow, Idaho.

Dunsmore taught at Montana Western from 2005-2012. Additionally, He taught at the Montana Women's Rehab Prison from 2006-2013, earning him recognition from Humanities Montana. He was selected as one of their Humanities Heroes in 2012.

Dunsmore's fifth volume of poetry, "On the Chinese Wall: New & Selected Poems," is a collection from 1966-2018. His poem, "Tiger Hill," was awarded an Individual Artists Fellowship from the Montana Arts Council in 2001.

In 2013, Dunsmore and his wife moved to Coeur d'Alene, Idaho. Currently, he is creating new poetry and working on many unfinished poems.

Each performance in the series starts at 7:30 p.m. in The Cup, Montana Western's coffeehouse located below the library on campus.

Featured authors' books at "Dances with Words" are made available for purchase by The Bookstore and Deb Sporich.

For more information about the series, please contact Alan Weltzien by email at alan.weltzien@umwestern.edu or call 406-683-7431.

Attorney General Fox, 17-State Coalition Urge EPA to Ease Burden on Farmers & Landowners

Montana Attorney General Tim Fox joined a 17-state coalition this week to support farmers and landowners by urging the Trump Administration to adopt its proposed replacement of the Obama-era "Waters of the U.S." (WOTUS) rule.

The coalition, in comments filed this week, argued the Trump administration's proposal would restore reasonable, predictable lines between waters subject to federal and state regulation.

"Four years ago, Montana was one of the primary legal challengers to the WOTUS rule, which was never about environmental protection, but more about heavy-handed federal control of every small body of water, including irrigation ditches," Attorney General Tim Fox said. "The new proposed rule will help Montanans know precisely under which circumstances they may be subject to the federal Clean Water Act, continuing their tradition of water stewardship for generations to come," Fox added.

The coalition believes the new rule will correct flaws within the 2015 regulation, which extended authority of the U.S. Environmental Protection Agency and the U.S. Army Corps of Engineers far beyond what Congress intended and the Constitution permits. The Trump Administration's proposal also shows respect for the primary responsibility and right of states to regulate their own water resources.

The 2015 WOTUS rule was never implemented in Montana because Fox and other attorneys general were successful in their legal challenge. If it had been implemented, the federal government would have taken jurisdiction over natural resources from states and asserted authority over almost any body of water, including roadside ditches, short-lived streams and many other areas where water may flow once every 100 years.

Congratulations to this year's dodgeball tournament winners: Kaden Pittman, Gavin Garrison, Ben Steadman, Trapper Doering, Hunter Barnes, Bridger Kempf, and Jon Peterson. Great job guys. And thank you, Mr. Williams for running such fun lunch time tournaments.

The Beaverhead ACEs Task Force reminds parents that no child is destined for an unsuccessful future IF they're given opportunities to build resilience...develop self-esteem...master a skill...given choices...and learn to work as a team. Building resilience can be easy. Healthy families build strong, resilient communities.

Beaverhead County High School - Mill Levy Information

The General Fund budget is used to finance all instruction, administration, facility maintenance, technology, salaries, extracurricular activities, and all other operational costs of the district. Budget levels are calculated based on state entitlements driven by enrollment. Beaverhead County High School has been having declining enrollment for the last few years. Since state money is figured on the enrollment, that portion from the state has declined also. However; even though enrollments have dropped the operational costs of the District continues to increase each year.

So, to have our highest budget that will keep us about where we are this year, we need to go to the taxpayers for a levy of \$34,221.54. This is approximately 1.73 mills and will increase the taxes on a home with a market value of \$100,000 by approximately \$2.34 and on a home with a market value of \$200,000 by approximately \$4.67. This total amount is an increase per year, not monthly!!

If the levy fails, the FY2020 budget will be \$30,162.78 less than this year's budget and cuts will have to be made.

**** It is critical for the taxpayers to understand that the Bond Election money can only be used for the building project as was designated. This cannot be used for General Fund expenditures.**

ESTABLISHING A PHARMACY

Southwest Montana Community Health Center

Keeping your whole family healthy

In response to the overwhelming need from the Dillon community, Southwest Montana Community Health Center is moving forward in establishing a pharmacy in the old Mitchell Drug building at 125 E. Glendale.

"We are very excited for the opportunity to expand our retail pharmacy" services into the Dillon Community. Our staff is dedicated to providing personalized service at an affordable price, as we have in our communities for nearly 20 years," said Tammy Cox, director of pharmacy services for the SWMTCHC.

The pharmacy is expected to open in summer 2019, following a remodel of the building.

In the meantime, CHC pharmacies in Sheridan and Butte are available to assist with medication needs. Call Mac's CHC Pharmacy at (406) 842-7434 or Butte CHC Pharmacy at (406) 496-6001 to discuss options to obtain your prescriptions.

If you need a medical provider, now is the time to establish at our clinic by calling (406) 683-4440 for an appointment.
