Dillon Lions Club Annual Live Lobster Fundraiser

The Dillon Lions Club is again holding its annual spring sale of fresh, delicious Atlantic lobster! The money generated by this lobster sale is one of the primary sources the club uses to fund the many local community service projects it's involved with. As just one example, the Dillon Lions Club provides vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, May 13 at the very latest. These order forms, with more detailed information including price, are available at the Vigilante Electric Cooperative Office near the county courthouse and at Precision Eye Care and Optical at 25 Johnson Ave. immediately north of Safeway.

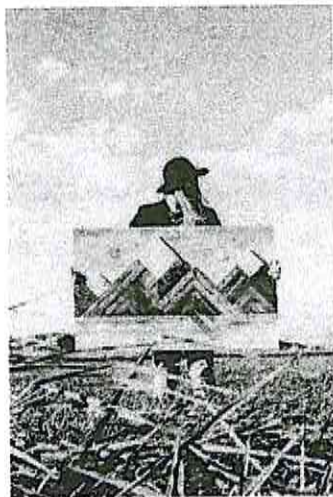

The approximately 1.5 pound lobsters are caught, cold packed, and flown overnight for your delivery in approximately 24 hours. And as many a club member working the sale can attest from experience, the lobsters arrive very much alive and very feisty!

You can pick up your live lobsters on Saturday, May 18 between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

May Art Exhibit at Tendoy Fine Art

Elise Davis will be the featured artist at the Tendoy Fine Art Gallery in Dillon for the month of May. A reception celebrating her work will be held Sunday, May 5th at the gallery located at 120 N. Montana Street from 12:00 to 3:00 P.M. The reception is open to the public and refreshments will be served.

Elise Davis is a graduate of the University of Montana-Western with a degree in Visual Art. She is also an Emergency Medical Technician and an employee of Barrett Hospital and Healthcare. The show that Davis will present is a unique concept in that the major work is a sizable 6ft X 12ft, but individual components can be purchased alone, as each component is a work of art by itself. The pieces are created out of locally milled pine. "I believe everyone deserves a piece of Montana - the Last Best Place," says Davis. "I pay homage to the towering mountains, eternal skies and beloved rivers here in Southwestern Montana." A multi-media artist, Davis has been a resident of Beaverhead county for eleven years.

Smells of the Cattle Auction

By: Bryce Angell

I stood next to my father. Must have been near eight years old.

The auction yard was filled with cows just waiting to be sold.

I heard one cowboy say, "Phew!" That caught my eye for sure.

He said, "I spose there's nothin worse than smellin cow manure!"

The smell was nothing new to me, a normal farm boy's way.

But his words got my nose working extra sensitive that day.

My father said, "Let's grab a bite. The sale will soon begin."

Each café stool was set so low. The counter hit my chin.

The scent of frying burgers, topped with onions, filled the air.

The smell of fresh brewed coffee and tobacco smoke hung there.

My father gobbled down his food. I'd never ate so fast. Then

we climbed the stairs and there we were, the auction sale at last.

I'd heard him talk a hundred times about the auction ring.

But I don't recall him mentioning the smells the auctions bring.

The first thing that I noticed was the smell of lodgepole pine.

The floor was covered with the shavings. Smelled like turpentine.

The benches sat up high, so we could look down at the sale.

One farmer's wife brought chicken. Got a whiff with each inhale.

Then came a smell so thick and strong, it dang near made me choke.

The smell was overpowering from clouds of cigar smoke.

There ain't no doubt you'd pick up on the cigar smoke, just fine.

It didn't take a nose that was as sensitive as mine.

But smoking at the cattle auction has become the past.

For me the smell's nostalgic. Guess it wasn't meant to last.

Today when I smell cigar smoke, psyche calls it Pavlov's Dog.

'Cus my mind reflects to auction day; engrained in my brain's log.

BLM recreation sites closed for vegetation treatment

The Bureau of Land Management will close some recreation sites near Helena for two days in May while workers spray for noxious and invasive weeds in the area.

The BLM's Butte Field Office will close developed campgrounds at Holter Lake (Holter Lake Campground, Holter Dam, Log Gulch and Departure Point) on May 7; and Hauser Lake (Devil's Elbow, Clark's Bay, and White Sandy) on May 13 as workers conduct the spraying operations.

"Our campgrounds will close for a very short period of time in order to ensure the public is safe, first and foremost, but also to allow the treatment to take full effect on our work against invasive species," said Scott Haight, Butte Field Manager. "Between the weather and the start of our busy season at the recreation sites, we determined this was the best time to spray the area."

For more information, call the Butte Field Office at (406) 533-7600.

Thompson Park Opens May 1

Thompson Park will open Wednesday, May 1 for the summer and fall. The 3,500-acre park, managed by the Forest Service and City-County of Butte-Silver Bow, is open daily from 8 a.m. to 9 p.m. through Labor Day and then through October from 8 a.m. to 6 p.m. Forest Service and volunteer crews will be clearing trails. Due to heavy snow some trails may take longer to open.

The Park has four day-use picnic areas: Nine Mile, Sagebrush Flats, Lower Eagles Nest and Lions Den. Eagles Nest trailhead and Blacktail trailhead provide access to more than 25 miles of non-motorized trails. These trails offer hikers, mountain bikers, and horseback riders' connections to the Continental Divide National Scenic Trail and the Milwaukee Road Trail. Herman Gulch Trail provides a connection into the Highland Mountains area and other motorized trails.

Thompson Park also has a regulation 18-hole disc golf course. The course is the only authorized disc golf course in the park and surrounding National Forest. Visitors are reminded that shooting weapons including guns and bow/arrow is prohibited within the park boundary with the exception of the permitted archery range to Silver Bow Archers. Fires are only allowed in the developed site fire grills. For more information or to obtain a park brochure contact the Butte Ranger District at (406) 494-2147, or the Butte-Silver Bow Parks and Recreation Department at (406) 497-6571.

Senator Jeff Welborn's, Weekly Report

HELENA:

As we fished up the 66th Legislative Assembly this past Thursday, I will touch on a few, of many accomplishments of the session. Before the session ever started, I alluded to our overarching goal, which was to, "Put Montana First." That was also the focal point of the Conservative Solutions Caucus (CSC), which I am a founding member. The plan was simply this: create a fiscally responsible budget with adequate reserves, to weather short-term revenue dips, reduce the burden of heavy handed regulation on our small businesses, and their employees, to mitigate the escalating costs of healthcare, provide more educational opportunities and better outcomes for students, enhance public safety, and continue to repair or replace our state's aging infrastructure. Putting Montana First, in simple terms, concentrates on creating a robust economy, good paying jobs, outdoor recreation opportunity, quality schools, and preserving property rights. This insures the well being, and the things I feel are important to all Montanans.

The Solutions Caucus came through for our State, with key legislation by our members, which include: HB 70 (Increase timber harvest on both state trust lands and federal lands), HB 212 (Rural Teacher recruitment), HB 351 (Proficiency learning/Workforce development), HB 387 (Education, CTE, advanced opportunities), HB 412 (Combat organized shoplifting), SB 83 (Reduce pharmacy costs), SB 125 (Reduce Health Insurance costs via forming a high risk pool), HB 172, (Increase Veteran's services), HB 275 & SB 167 (Increase Veteran hunting opportunities), HB 393 (Increase truck speed limit), HB 389 (exempt certain truck height restrictions), HB 636 (Protect locals schools and governments during tax protests), HB 658 (Medicaid Reform and Integrity), HB 533 & 652 (Short and long term infrastructure investment), HB 661 (Money for rural airport Infrastructure), HB 715 (State savings account and Drug interdiction team), and the big bill, HB 2 (Structurally balanced Montana budget while cutting 200 full time employees across State Government).

Some of the proposals which I sponsored, that have made it across the finish line, are the Youth Challenge Cadet Diploma, from their home district act. Hydropower renewable tax credits for small producers, which will make or easier for a hydro facility to be built on Clark Canyon. Revamping of the resort tax laws, making it much easier for areas like West Yellowstone, Virginia City and Big Sky, to fund their own infrastructure needs via tax collections from tourists. on my agenda was to pass a wilderness study, study resolution, so we can make recommendations, as Montana policy makers, to Congress, on how to better manage lands that have been in legal limbo for over 40 years. Over the next two years, I'm hoping to lead a discussion, with stakeholders, that will address, more timber harvest, both motorized and quiet recreation, primitive areas, winter elk habitat, mining, livestock grazing, and which areas, if any meet actual Wilderness criteria under the Federal Wilderness Act.

The Solutions Caucus never strayed from its approach on providing real Montana solutions, and prioritizing Montanans needs ahead of partisan politics. Montana has elected a Republican Legislature and a Democrat Governor, therefore, passing a bill requires 26 Senate votes, 51 House votes, and 1 Governor's signature. Real solutions can only be achieved by working together (26-51-1). Real solutions require hard work and some compromise!

I appreciate the opportunity to serve as your Senator, and am always proud to have prominent seat at the table for South West Montana. I will serving on Both the Water Policy and Transportation Interim Committees, over the next 18 months, and will keep you updated on those policy discussions, as we do our mid-term, and agency oversight duties.

BCHS TENNIS BITTERROOT INVITE

Twelve high school tennis teams took part in the Bitterroot Invitational held at three locations...Stevensville, Corvallis and Hamilton tennis courts on Saturday. Competition was divided up according to position on the varsity team roster with 1 and 2 boys' singles and doubles being played in Corvallis while the 1 and 2 girls singles and doubles played in Stevensville. All the 3 and 4 boys and girls singles and doubles players competed at the Hamilton courts. The Dillon Beaver 1 and 2 boys were undefeated at the Corvallis matches competing against players from Troy, Libby, Whitefish, and Valley Christian. In Stevensville, Ashlyn Sandall defeated K. Tallmadge of Troy and Quinn Belderrain pulled out two wins against girls from Troy and Libby. At the Hamilton courts, the 3 and 4 Dillon players having great success were singles Chiara Mastandrea, Nicole Fluckiger, Sam Jones, Eli Sherwood, and doubles teams Jett Mosher and Kale Lappe, and Marcus Sandall with Daniel Martin.

The morning was perfect tennis weather, but by noon time the west winds blew hard making effective play very challenging especially at the Corvallis courts. Rain eventually came down late in the afternoon, but all Dillon players had finished their matches and were ready to climb on a warm and dry Beaver bus!

Next up a 2 day trip to Billings for the Mayfair Invitational where the varsity boys and girls will play Hardin, Billings Central, Dawson County, Fergus, Cody Wyoming, and Custer County high school.

Community Health Center**

Keeping your whole family healthy

In response to the overwhelming need from the Dillon community, Southwest Montana Community Health Center is moving forward in establishing a pharmacy in the old Mitchell Drug building at 125 E. Glendale.

"We are very excited for the opportunity to expand our retail pharmacy" services into the Dillon Community. Our staff is dedicated to providing personalized service at an affordable price, as we have in our communities for nearly 20 years," said Tammy Cox, director of pharmacy services for the SWMTCHC.

The pharmacy is expected to open in summer 2019, following a remodel of the building.

In the meantime, CHC pharmacies in Sheridan and Butte are available to assist with medication needs. Call Mac's CHC Pharmacy at (406) 842-7434 or Butte CHC Pharmacy at (406) 496-6001 to discuss options to obtain your prescriptions.
