Russell J. Fisk, 83

On Friday, May 3, 2019, heaven received a great gift. Russell J. Fisk, loving husband, father, and grandfather, and former longtime resident of Dillon, MT passed away peacefully at the age of 83 in Belgrade, MT surrounded by family members. Russ was born on November 11, 1935, in Harlowton, MT to Russell George and Ina Mae (Eaton) Fisk, being the 3rd oldest of 14 brothers and sisters. Russ was raised and educated in Harlowton where he was an outstanding athlete especially in basketball, football, and golf, and today is still considered one of the best athletes that ever wore a Harlowton Engineer uniform.

In 1954, he was drafted by the U.S. Army during the Korean War and was stationed two years in Germany, and was honorably discharged in 1956. He attended school at Western Montana College where he played quarterback and punter for the Bulldogs; and even at one time holding the NAIA punting record. In 1960, he graduated with a B.S. in Education, and later achieved his Master's in Education from WMC.

On February 16, 1957, he married the love of his life, Joan Marie Wojtowick, who stood by his side for 62 wonderful years, and from this union came 6 children. After college, Russ started his teaching career at Beaverhead County High School in Dillon and then moved to Huntley Project for a year to teach and coach football. For three years he taught history, coached basketball, and started a football program for Havre Central. In the early 60's, Russ and family moved back to Dillon where he maintained an amazing career teaching History for over 30 years. Russ had a gift for relating to all students; every student felt as if they were his favorite. He was fair and non-judgmental, and had an uncanny ability to relate to reach and teach all those he encountered. He had a great sense of humor that was loved by all and a very soft heart for all creatures great and small. He loved coffee, coca cola,

Theodore Wayne Nichols

Theodore Wayne Nichols was born in Spokane, Washington on December 18th, 1953. Ted spent the beginning of his youth in Selma, Alabama; before moving to Anaconda, Montana with his family in 1965. Ted loved growing up in Montana and graduated from Anaconda high in 1972. Shortly after graduation Ted was inducted into the armed forces (lucky number 13). Ted quickly made the decision to serve in the US Navy where he was able to travel the world. Ted was a ship fitter in the Navy. After his service, Ted briefly worked at the Anaconda Arbiter plant before becoming a Union Pipefitter in Local 41 of Butte. Ted's role as a pipefitter took him to many places including: Romania, Johnston

Atoll, and various states with his brother pipefitters.

Ted purchased a small chunk of property in Wise River, Montana; an area he was in love with at a young age. It was there that he met the love of his life, Sherri, and they raised their two kids Teddy and Kari. Ted settled happily into his role of a family man and enjoyed taking his kids floating and fishing on the Bighole. Ted also loved taking his kids hunting and especially had some wonderful memories deer hunting at Sherri's family ranch in Lewistown.

In 2006 Ted lost his son Teddy tragically in a car accident, a scar that could never heal. Ted always looked for the good in life and spend so many happy nights in the shop with his friends and family laughing, rocking out to music, fixing sleds, working on cars, welding, and of course building the pole barn. Ted was an ingenious builder with a vision unlike any other. Building the pole barn was his sons dream and completing this was an accomplishment he was so proud to honor Teddy with.

In 2016 Ted was diagnosed with ALS, a disease that slowly took its toll. Ted stayed so positive and thankful with the life he was handed. Ted passed away peacefully on Friday, December 21st with his family by his side.

Predeceased in death; Son, Theodore D. Nichols, Father, Clyde L. Nichols, Sister, Nicki Leiss Survived by Spouse, Sherri Nichols, daughter Kari Nichols, Mother Shirley Nichols, Sisters, Cathy Girton, Dory Schiele (Bill), Jenni Micheletti (Joe). Brothers Clyde L Nichols Jr. (Jeri Kay) and Rob Nichols (Linda). Many nieces and nephews.

There will be a Celebration of Life will be held on Saturday, May 11th, 2019 at 1 p.m. in Ted's shop, at the family residence, 78 Round House Road, Wise River, MT. Donations can be made to Teddy Nichols Scholarship at Montana Tech Foundation Butte MT.

Henrietta's Ashes

By: Bryce Angell

Old Henrietta Johnson finally passed at Comfort Lane. Her husband, Jacob, said he'd spread her ashes from his plane.

Jacob made his promise to spread out on Henry's Lake. He asked me if I'd ride along to keep him wide awake.

So, there you have it one old man and one plum stupid fool. A pair of knuckleheads who prob'ly shared the same gene pool.

Jacob pushed down on the throttle. You could hear the engine roar. We were hopping down the runway. Would the widow-maker soar?

The wheels were lifting from the ground. Now fighting for the sky.

The engine started sputtering. Did I really want to die?

The old man put my mind at ease. He said, "Don't worry son. I swear we'll fly this plane if not, we'll die to get it done."

Then Jacob said, "I think we're close to where we'll make our drop. Just slide your window back then pour the ashes out the top."

So, I slid the window back. I felt the wind from head to toe. Then I opened up the jar and Jacob promptly hollered, "No!"

When all at once his Henrietta's dust came flying out. The cockpit blew with ashes. I'd messed up, there was no doubt.

My eyes and nose were filled with dust. My mouth had met its fate. 'Cuz I think I spit a chunk or maybe accidentally ate.

I tossed the doggone urn and heard it bounce back off the wing.

Then I took a gaze around and there was ash on everything.

I dared a look at Jacob and his eyes were open wide. I guess I'd done my job. It was a most exciting ride.

For three whole days my nose was blowing Henrietta's dust. And I swear I heard her laughing when I coughed a chunk of crust.

Montana Range Days is coming to Beaverhead County!

Mark your calendars for June 17th, 18th, and 19th and join us in Dillon, Montana for three days of educational presentations, tours, workshops, and friendly competition. Montana Range Days is the largest rangeland education event in the region, drawing more than 300 youth and adults from Montana and the surrounding states to learn, discuss, and compete for the title of Top Rangeland.

Participants will spend their time outside, studying the rangeland on site with the guidance of qualified instructors. Workshops include plant anatomy, plant identification, soils and ecological sites, rangeland inventory and monitoring, stocking rates, utilization, and range management planning. The workshops are well-supervised and tailored to different age groups and experience levels. Adults and children of all ages are welcome.

Following the workshops, participants can compete against their age class. Prizes are given for the top three winners in each category and for the top overall score. In addition to the rangeland competition, competitors can present illustrated talks on a range-related topic, provide a range-related display, and submit range plant and noxious weed collections to compete for the title of Top Rangeland. Three \$1,000 scholarships are also available for students who are majoring in, or planning to major in, Range Science or a related field. The Office of Public Instruction is also offering continuing education credits for all kindergarten through 12th grade teachers who attend.

Tours will be provided on June 18th and 19th. The tours will visit ranches in the Dillon area and talk to landowners who are at the cutting edge of rangeland management. Topics will include controlling sagebrush and conifer encroachment to improve soil health, species diversity, and water availability and simple methods to improve wildlife and fish habitat while managing a livestock grazing operation. Recent developments in sage grouse management will also be discussed.

Activities begin at 1:00 pm on Monday, June 17th with the opening of the practice site at the Beaverhead Trails Coalition trail head. Illustrated talks will take place Monday evening at the Depot Theatre. Those who are not participating in the illustrated talks are invited to attend an educational seminar on sage grouse at the Beaverhead County Fairgrounds. Register now at www.montanarangedays.org or contact Jamie Cottom at (406) 683-3802 for more information. Registration fees increase on June 10th, so don't wait!

**42 Attorneys General Urge Congress to
Fund Legal Services Corporation**

*Bipartisan Coalition Led by Montana Attorney General Tim
Fox and Massachusetts Attorney General Maura Healey*

A bipartisan coalition of 42 attorneys general, led by Montana Attorney General Tim Fox and Massachusetts Attorney General Maura Healey, recently wrote to the U.S. House and U.S. Senate Committees on Appropriations to request funding for the Legal Services Corporation (LSC) in the Fiscal Year 2020 Commerce, Justice, Science and Related Agencies Appropriations bill.

LSC is a nonprofit legal services organization established by Congress in 1974 to promote equal access to justice for all Americans by funding independent nonprofit legal aid programs across the country. LSC provides millions of dollars in funding to legal aid organizations that serve and support low-income individuals, veterans and military families, seniors, survivors of domestic violence, victims of natural disasters, and disabled individuals.

"LSC provides critical funding to grantees like the Montana Legal Services Association," said Attorney General Tim Fox. "In turn, MLSA helps people of limited means across Montana, including those in Indian Country, achieve justice and improve their lives in times of need. It's imperative for Congress to help LSC continue its 45 year history of providing legal services to constituents all across the country," Fox added.

LSC distributes more than 90 percent of its funding to 132 independent nonprofit legal aid programs with more than 800 offices. It is headed by a bipartisan board of directors whose 11 members are appointed by the President and confirmed by the Senate.

Attorneys General Fox and Healey were joined by attorneys general from American Samoa, California, Colorado, Connecticut, Delaware, District of Columbia, Florida, Georgia, Guam, Hawaii, Idaho, Illinois, Indiana, Iowa, Kentucky, Maine, Maryland, Michigan, Minnesota, Mississippi, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Northern Mariana Islands, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Vermont, Virginia, Washington, and Wisconsin.

Teacher Appreciation week is May 6 thru May 10th.

What would this world be like without teachers? This week is a good time to say thank you to those who dedicate their lives to the development of the minds and bodies of people of all ages. To thank someone for making a difference in your life may seem trivial to you but to those who day after day work to help others achieve it means a lot. Teachers are not wealthy but their riches come from knowing they may have made a difference in the lives of those they taught. Teaching comes from the heart and when a student says thanks for what you do or did, it makes a teacher feel appreciated and feel what they do or have done is very important.

How Can We Say Thanks?

Say thanks for being there when I didn't think anyone cared. Thanks for saying I am okay and am able to do better. Thanks for challenging me to be the best at whatever I do. Thanks for being a model for correct behavior, honesty, trustworthiness, and dependability. Thanks for giving me the hug I needed when things didn't go well. Thanks for making me be accountable for myself and my behavior. Thanks for helping me make wise choices and for giving me the desire to succeed and to be and do the best I can at whatever I choose to do. Thanks for spending time before and after school to help me with homework and subjects I had difficulty learning. Thanks for giving me encouragement to not be afraid to step out to see what is "outside the box". Thanks for helping me think that there is more than one side to every issue and I'm not always right. Thanks for letting me know that we all make mistakes and we can learn from them and also learn by listening to the advice of those more experienced in life. Thanks for taking care of me when I have fallen and hurt myself. Thanks for standing up for me when I didn't think anyone would or cared to help me. Thanks for everything you have done to help me learn and to develop into a mature successful adult. Thanks for making a difference. Thanks for caring and sharing your life to help make mine successful. Thanks for the extra school supplies you shared and the books and special parties you gave to encourage me to succeed. Thanks for becoming a teacher because I know you care and you do make a difference.

ESTABLISHING A PHARMACY

**Southwest Montana
Community Health Center**

Keeping your whole family healthy

In response to the overwhelming need from the Dillon community, Southwest Montana Community Health Center is moving forward in establishing a pharmacy in the old Mitchell Drug building at 125 E. Glendale.

"We are very excited for the opportunity to expand our retail pharmacy" services into the Dillon Community. Our staff is dedicated to providing personalized service at an affordable price, as we have in our communities for nearly 20 years," said Tammy Cox, director of pharmacy services for the SWMTCHC.

The pharmacy is expected to open in summer 2019, following a remodel of the building.

In the meantime, CHC pharmacies in Sheridan and Butte are available to assist with medication needs. Call Mac's CHC Pharmacy at (406) 842-7434 or Butte CHC Pharmacy at (406) 496-6001 to discuss options to obtain your prescriptions.

If you need a medical provider, now is the time to establish at our clinic by calling (406) 683-4440 for an appointment.
