UMW Foundation Honors 125th Anniversary with Gift of Chancellor's Medallion

*The University of Montana
Western Foundation has
gifted Montana Western with
the Chancellor's Medallion,
in honor of UMW's 125th
anniversary.*

Montana Western's 122nd Annual
Commencement Ceremony, to be
held on Saturday, May 11 at 11:00
a.m. in the Straugh Gymnasium,
will mark the introduction of the
University of Montana Western
Chancellor's Medallion.

Donated by the University of
Montana Western Foundation, the
medallion features the seal of the
University of Montana Western. The
elements in the seal were inspired by
the unique beauty of the landscape in
Southwest Montana. The medallion,
struck in silver and plated in gold,
was made by Medalcraft Mint Inc.,
located in Green Bay, Wisconsin.

Dating back to the middle ages,
the Chain of Office, anchored by the Chancellor's Medallion,
is a traditional part of the regalia of university presidents and
chancellors that is worn during formal academic functions
including commencement. Chancellor Beth Weatherby will be the
first to wear the University of Montana Western Chain of Office
and Chancellor's Medallion during this year's ceremony.

"As the chair of the Montana Western Foundation Board of
Directors, I am pleased that we can celebrate the 125th anniversary
of the University with such a beautiful gift to be enjoyed by all
when it is worn proudly by the Chancellor," said Deb Creger.

"The Foundation was thrilled to present this gift to
commemorate the 125th anniversary of the University that will be
passed from chancellor to chancellor in perpetuity," said University
of Montana Western Foundation Director, Roxanne Engellant.

For more information about Commencement, please contact
the Montana Western Registrar's Office by calling 406-683-7371.

State Arbor Day Celebration with Lt. Governor May 10, at YMCA

The City of Dillon and the Dillon Tree Board invite the community to join us for the 2019 Montana State Arbor Day Celebration and the presentation of the Montana Tree City of the Year Award, at 12:30 pm on May 10th, 2019, at Swenson Way adjacent to the YMCA. The celebration will be hosting the Lt. Governor, state and federal representatives, local dignitaries, our partners, school children, and the public.

Dillon has been selected as the Montana Tree City of the Year for 2019 for our Swenson Way revitalization and beautification project. The Tree City USA program is sponsored by the Arbor Day Foundation in partnership with the U.S. Forest Service and the National Association of State Foresters. Montana Tree City of the Year is a competitive grant award of \$10,000 for project proposals that demonstrate excellence in urban forestry through improvement of conditions and function of urban landscapes and green infrastructure, as well as promote innovative and significant projects that raise awareness of urban forestry.

The Dillon Tree Board recognized a need in the Swenson Way boulevard to address overgrown shrubs, suckering trees and a proliferation of weeds, namely cheatgrass, growing in the river rock mulch. The boulevard in this degraded condition was difficult to maintain, limited site distance of drivers on Swenson Way, and presented safety hazards for the high amount of pedestrian use of the area. The Swenson boulevard was no longer a fitting example of an aesthetically pleasing, well-maintained entrance to our community. Our project will remove shrubs, chokecherry and willow trees, upgrade the irrigation system, install new topsoil and plant bur oak and Japanese tree lilacs. The result will be easier landscape maintenance, improved safety and a softer looking, green environment for pedestrians.

Along with the Montana Tree City of the Year grant award, the Dillon Tree Board was able to raise another \$9,000 through a Great Harvest Bake Day and donations from generous members of the Dillon Community. While the amount of money raised so far will not cover the cost of completing the entire project, it has allowed us to get off to a significant start. With the help of the City of Dillon Street and Alley crew, the UM Western Football team and cadets from the Montana Youth Challenge Academy, we were able to get approximately three sections of boulevard ready for improvement work.

Forest Service Seeks Comments for Log Haul from 2018 Monument Fire Area

In 2018, the lightning caused Monument fire in the Gravelly Mountains burned over 6,600 acres. During suppression efforts, a fuel break was constructed that generated multiple log decks. The Beaverhead-Deerlodge National Forest is proposing the sale and transport of merchantable logs from those decks.

During project implementation, all equipment use would occur on existing landings and the adjacent Johnny Gulch Road (Forest road #324). Logs would be de-limbed, cut to length and slash piled on existing landings for future prescribed burning. Landings would be monitored and treated for noxious weeds as necessary. Log haul would occur when roads are open as per the Motor Vehicle Use Map and the public would be notified when log haul is occurring. Temporary road closures may be implemented to provide for visitor safety.

The Forest Service is seeking comments related to this proposed project. Comments are welcome anytime, however they will be most helpful if they are submitted by June 3, 2019.

Comments may be sent electronically to: comments-northern-beaverhead-deerlodge@fs.fed.us "Monument Fire Log Decks" typed in the subject line, or sent to the Madison Ranger District, 5 Forest Service Road, Ennis, MT 59729. For more information regarding this proposal, contact Madison District Ranger Dale Olson in Ennis at (406) 682-4253.

FWP seeks information on vandalism at Blacktail WMA

Game wardens with Montana Fish, Wildlife & Parks are seeking information on property that was vandalized at Blacktail Wildlife Management Area.

Sometime between 3:30 p.m. on May 3 and 9:30 a.m. on May 6, the main entrance gate at the WMA was pushed in by a vehicle, bending the gate and breaking the lock box. Vandals also pushed over a large WMA sign at the entrance. Replacing the gate and making other needed repairs could cost about \$1,500.

Blacktail WMA is about 30 miles along Blacktail Road, southeast of Dillon. Montana Department of Natural Resources and Conservation personnel discovered the vandalism when they returned Monday morning to continue work on the bridge near the WMA entrance, then notified FWP.

Those with information that may help solve this vandalism case are asked to contact Dillon warden Kerry Wahl at 406-490-0956 or 1-800-TIP-MONT (847-6668).
