Jack Weldon Booth
1931-2019

Jack Booth, 88, formerly of Salinas, California and recently residing in Dillon, Montana passed away on Thursday, March 7, 2019. Jack was born in Kenova, West Virginia to Koka and Susan Booth. He will be greatly missed.

He grew up in Kenova and graduated from Kenova High School and attended Hartnell College and Marshall University. Jack enlisted in the US Navy and while stationed at Treasure Island in San Francisco, he met a beautiful young woman, Margaret Hoppe (originally from Casper, WY), at the USO Club at a dance. In 1954, he and Margaret became husband & wife, married in San Francisco and honeymooned in Carmel, CA – vowing to someday return to live.

After working several more years for the country as part of the space/missile program in 1950's in Florida, the couple and their newborn son, Tom, returned to California and finally to the Monterey Peninsula just after the birth of their daughter Jerri. The family thrived in Salinas/Monterey area for over 40 years.

Jack started his career in the aerospace industry after his discharge from the Navy, working for companies that supported both military and what eventually became NASA. He made a bold career change in the early 70's and worked in real estate loans before getting his Real Estate Broker's license and opening his own office, Jack Booth Realtors, which he maintained until his retirement and then move to Montana.

Jack's loved a party and was known by friends by his ability to pull together a group for a good time. Affectionately called "The Party Animal of Corral Oaks" by his friends and neighbors, Jack was proud of that distinction. Together with Margaret, they organized many neighborhood gatherings. He was known to be heard saying, "Parties are fun…why don't you have one?!".

Young Jack earned his Eagle Scout, the highest rank

attainable as a Boy Scouts of America, a life achievement of which he was extremely proud. As such, he gave back to Scouting by serving on the board of the Monterey Bay Council of Boy Scouts. Jack was also an avid golfer in his day and enjoyed his memberships at both Salinas Golf and Country Club and Corral de Tierra. During those times he was a strong supporter of the clubs' Jr. Golf programs. He was also a founding member of Northminster United Presbyterian Church in Salinas, CA and was pleased to watch as his signature on the mortgage burned at a celebration several years ago.

Jack was proceeded in death by his loving wife, Margaret, his Father and Mother, Koka (Sr.) and Susan Booth, his older brothers George, Howard and J.D as well as three infant sisters. He is survived by his younger brother Koka (II) and his wife Blanche (Cary, NC); son, Tom and his wife Nancy (Discovery Bay, CA); daughter, Jerri and her husband Rich Champlin (Dillon, MT); as well as many caring relatives and countless friends.

The family would like to express our sincere thanks for all of those physicians, nurses and myriad of other caregivers that have given, with unfailing kindness, so generously in Jack's care late in life. Without you, we would never have been able to maintain our day to day endeavors and still support and enjoy Dad's quest to maintain his dignity and quality of life in his sunset years. The people of Dillon welcomed Jack and Margaret with open arms with the typical Dillon hospitality and for that we are truly grateful. Our most sincere thanks to Dr. Anna Loge and her amazing team for the kindness and care that Jack and Margaret received.

A celebration of life will be held in California in the fall. In lieu of flowers, please donate to the Salvation Army, the Boy Scouts of America or a local pet shelter of your choice in Jack's name.

Montana Files Suit against Pharmaceutical Companies
and Executives in Price-fixing, Market-manipulation Conspiracies

Montana Attorney General Tim Fox and 43 other states/territories have filed a lawsuit against Teva Pharmaceuticals and 19 of the nation's largest generic drug manufacturers, alleging a broad conspiracy to artificially inflate and manipulate prices, reduce competition and unreasonably restrain trade for more than 100 different generic drugs.

The lawsuit also names 15 individual senior executive defendants at the heart of the conspiracy who were responsible for sales, marketing, pricing, and operations. The drugs at issue account for billions of dollars of sales in the U.S. The alleged schemes increased prices affecting the health insurance market, taxpayer-funded healthcare programs such as Medicare and Medicaid, and individuals who must pay artificially inflated prices for their prescription drugs.

"Montanans have been hit hard by the often shockingly high prices of prescription drugs. The evidence in this case shows that some of the most well-known generic drug manufactures were involved in a widespread conspiracy to fix prices and divide up market share, with the direct result of harming consumers in need of life-sustaining medicine," Attorney General Fox said. "The fact that generic drugs are supposed to be more affordable makes this conduct all the more troubling and harmful. We are committed to prosecuting and investigating this collusive conduct until these companies are held accountable for the harm they have caused."

The complaint alleges that 20 generic drug manufacturers engaged in a broad, coordinated, and systematic campaign to conspire with each other to fix prices, allocate markets and rig bids for more than 100 different generic drugs. The drugs span all types and classes, including tablets, capsules, suspensions, creams, gels, ointments, statins, ace inhibitors, beta blockers, antibiotics, anti-depressants, contraceptives, and non-steroidal anti-inflammatories. They treat a range of diseases and conditions from basic infections to diabetes, cancer, epilepsy, multiple sclerosis, HIV, ADHD, and more. In some instances, the coordinated price increases were over 1,000 percent.

The complaint shows an interconnected web of industry executives. These competitors met with each other during industry dinners, "girls nights out," lunches, cocktail parties, and golf outings. They communicated via frequent telephone calls, emails and text messages that sowed the seeds for their illegal agreements. Throughout the complaint, defendants use terms such as "fair share," "playing nice in the sandbox," and "responsible competitor" to describe how they unlawfully discouraged competition, raised prices, and enforced an ingrained culture of collusion.

The lawsuit seeks damages, civil penalties, and actions by the court to restore competition to the generic drug market.

Lucy Carson Library Receives Statewide Award

On April 13, 2019 at the 107th annual Montana Library Association conference held in Helena, Mont., the University of Montana Western's Lucy Carson Library received the 2019 Excellent Library Service Award from the Montana State Library Commission.

The ELSA recognizes libraries for achieving excellence in serving their communities by exceeding the essential Montana Public Library Standards.

The standards define excellence in thirteen categories, including collection development, information access, policies, planning and evaluation, fiscal management, board accomplishments, continuing education for staff and trustees, and outreach to the community.

"We are pleased to receive this award. The goal of every staff member at the Lucy Carson Library is to exceed established standards in library services. This year, the library staff demonstrated notable success in developing partnerships to enhance services and foster a welcoming studious environment. The staff takes pride in maintaining a library that is among our most valuable campus resources," said UMW Interim Library Director, Anne Kish.

Forty-four libraries received the ELSA in 2019. "The Montana State Library Commission is pleased to recognize Montana's excellent libraries with the Excellent Library Service Award," said Commission Chair Aaron LaFromboise. This is the fourth time Montana Western has won this award.

"Providing excellent library services in Montana during these challenging times is no small thing. These libraries have shown their commitment to serving Montanans. The Commission congratulates ELSA-winning libraries' trustees, library staff, and communities for their achievement and commitment to excellence."

For more information on the Excellent Library Service Award, visit the Montana State Library Commission website, or contact Tracy Cook at (406) 444-9816 or email tcook2@mt.gov.

Please stay off the grass for a week

PLEASE stay off the grass in the fenced areas in Jaycee Park. This will allow for the sod to establish. We know it looks like the quick route to the restroom or across the park, however it damages the new sod. PLEASE DO NOT tear down or remove snow fence to access the fenced areas. It is there for a reason.

RESTROOMS: WILL NOT BE OPEN until Memorial Day Weekend. Porta Potties have been added in the interim.

Metal Detecting/Digging in park: Please do not dig in the park, it can ruin the grass and also create tripping hazards.

The Park Committee and many volunteers have spent countless hours and the community has donated a lot of funds to create a nice inviting space. Please be respectful of the space.

Just ONE MORE WEEK. Please be patient. Thank you

SUMMER!!!!!!!!!!!!!!

I would like to take this opportunity to wish everyone a happy summer (if it decides to show up), and remind people of a few things to help make everyone's summer more enjoyable. Please take extra care when driving, walking, and cycling. We all have a responsibility to insure safety for ourselves and others. There are many summer events to enjoy which brings more traffic, please be mindful. There will be large crowds, and lots of kids in the Jaycee park area all summer enjoying the new playground and splash pad. There has been a lot of talk about dog feces in the park. While most people are respectful and pick up after their animals, some are not. Dedicated community members put a lot of time, money, and heart, in to making the park a beautiful place that Dillon can be proud of and enjoy. I believe most will agree that it is insulting to the entire community to allow your animals to defecate without cleaning it up. Please keep your community in mind when your dog is in the park and fulfill your obligation to clean up after them.

Congratulations to all graduates of both Beaverhead High School and Montana Western. You should be very proud. Enjoy and celebrate all of your accomplishments safely. PLEASE don't drink and drive and risk all that you and your classmates have worked so hard to achieve. Your future is full of potential.

I once again want to thank the Dillon community for its continued support for our department. Every card and thank you we receive is appreciated and accepted with gratitude and pride.

Bible Truth...About Jesus Christ being the only mediator between man and God

[Statement of belief: the Bible alone is the source of truth and all beliefs in conflict with the Bible are false.]

Scriptures given in this series reveal that Jesus Christ has always been God; that Jesus' blood was shed to cleanse mankind from sin; and that the death of Christ is the only acceptable sacrifice as payment for sin. Biblical evidence is now presented regarding Jesus Christ being the only mediator between man and God.

Mediator as used in the scriptures is defined as "one who intervenes between two in order to make or restore peace & friendship or to ratify a covenant. It also implies a reconciler."

We know from the scriptures that man needs a mediator because all are sinners by nature and therefore at odds with God.

Romans 6:23 states that the penalty for sin is death, but that God offers eternal life through Jesus Christ.

Jesus Christ alone mediates in providing justification & peace to mankind. Romans 5:1 says, "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ."

In 1 Timothy 2:3-6 Paul states, "For this is good and acceptable in the sight of God our Savior; Who will have [desires] all men to be saved and come to the knowledge of the truth. For there is one God, and one mediator between God and men, the man Christ Jesus: who gave himself a ransom for all, to be testified [witnessed] in due time."

Men can forgive one another of sins or offenses, but only Christ's forgiveness can save a soul. One person can lead another to Jesus Christ, but only Jesus can mediate peace between man and God, thus providing spiritual salvation because He is the only one who gave Himself a ransom for mankind.

Final thoughts: Jesus Christ was God manifest in the form of a human being. He lived a perfect life, offered His shed blood as payment for man's sin, and is the mediator between man and God. He said in John 5:24, "Verily, verily, I say to you, He that hears my word, and believeth on him that sent me, has everlasting life, and shall not come into condemnation; but is passed from death to life."

It's Music Appreciation Sunday at the First Presbyterian May 19th

and the last Sunday (until Fall) that our adult choir, led by Laurie Hagenbarth and accompanied by Charlene Loge, will sing.

We take this time and space to thank them heartedly and the children's choir Director Sandy Rice and assistants Carol Simonsen, Barb Malesich and pianist Raquel Morast.

We thank all adult and children who practice weekly and sing often to help us honor God as we worship together. Their music brings joy to each of us individually and as a church family.

Week after week, without Laurie, Charlene, Raquel, Carol Higgins and Ann Swanson's piano accompaniment, we would be lost. Thank you one and all, thank you!

While the two choirs won't sing this summer, our 5 pianists carry on. June 9th the Larks Quartet will sing and throughout the summer we will pull in visiting musicians and musical friends for an added touch of music during the summer. Join us as we grow and worship together! Again a heartfelt appreciation of our giving and skilled makers of music at the First Presbyterian!

We provide a **comfortable, caring** atmosphere designed for the **special needs** of aging Seniors. In our **all inclusive home-like** setting, we offer customized **home cooked** meals, planned **activities**, and specialize in personal care including **incontinence, respite & Alzheimer's/Dementia care.**

Keeping your whole family healthy

In response to the overwhelming need from the Dillon community, Southwest Montana Community Health Center is moving forward in establishing a pharmacy in the old Mitchell Drug building at 125 E. Glendale.
