Forest Service Prepares for Camping Season

Memorial Day weekend marks the kickoff for outdoor summer recreation and camping season. The Beaverhead-Deerlodge covers over 3.3 million acres in seven counties of Southwest Montana and offers an abundance of recreational opportunities for people to enjoy. Visitors will find some campgrounds, trails, and cabins open and available. However, several are not open or accessible due to late season snow that has yet to melt.

In the Big Hole area, May Creek, Steel Creek, Mussigbrod and Pintler campgrounds will be available for use with limited services. Twin Lakes Campground is not yet accessible due to snow. Many roads and trailheads will still be under snow and inaccessible.

The following campgrounds along the northern portion of the Pioneer Mountains Scenic Byway will be available for use: Little Joe, Willow, Lodgepole, Pettengill, Mono Creek, Fourth of July, and Boulder Creek. The Byway remains closed along the southern portion of the byway due to snow. Grasshopper and Price Creek Campgrounds are not open. The road to the historic Coolidge/Elkhorn mining town is closed at the Mono Creek Campground due to unsafe conditions. Travelers may reach the historic Canyon Creek charcoal kilns west of Melrose; however, Vipond Park is not fully accessible.

Call our Forest Service Offices either in Wisdom at (406) 689-3243, Wise River at (406) 832-3178, or Dillon (406) 683-3900 for more information before heading out for your trip.

In the Eastern Pioneer Mountains and south of Dillon, other Forest roads blocked by snow include the upper end of Thief Creek road, above the Birch Creek Center, and Upper Willow Creek. Travel may not be possible up-drainage to Gorge or Tendoys Lakes until mid-June.

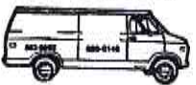

All major access roads into the Lima Peaks, Tendoys, and Bloody Dick Range are open. Access to Reservoir Lake is open; however travel over the Big Hole Divide is closed due to snow.

Lemhi Pass and the Sacajawea Memorial Camp are open. Browns Lake, out of Glen, along Interstate 90, on Rock Creek is open, but access further up the drainage is not possible or is limited. Be aware that creek and river levels can change significantly with warmer temperatures. Contact the Dillon Ranger District at (406) 683-3900.

In Madison County, Potosi and Mill Creek campgrounds are currently open and water is available. The Branham Lake Campground in upper Mill Creek is not yet accessible. The Ruby River Campgrounds are open, Elk Lake in the Centennial is open; however, water is not available at either of these sites. Campgrounds are anticipated to be open Memorial Day weekend along the Madison River and including West Fork, Riverview, Madison River, Wade Lake, Cliff Point, and Hill Top.

Bears are out and sightings at lower elevations are common. In particular "Be Aware", grizzly bears are very active this time of year. Make sure you store attractants appropriately.

Many roads in the Gravelly Range won't be open until July 1. This allows roads to dry before they get traffic. For more information, call the Forest Service in Sheridan, at (406) 842-5432, or Ennis, at (406) 682-4253.

Things to know before you go!

Be prepared for changing weather conditions and bring potable drinking water for dispersed camping and hiking activity. Contact your local Forest Service office to find current status of camping opportunities and trail/road conditions. Spring weather can be very unsettled.

Avoid soft and muddy roads, as this is unsafe and can damage the roadbed, leading to expensive repairs.

Numerous roads on the forest have seasonal closures for wildlife. Many trails may not be open at higher elevations due to mud, snow, or downed trees. Stay on the trail and do not create new trails to get around hazards. Expect many trails to be impassable from fallen trees.

Be careful with fire and to never to leave a campfire unattended, and make sure your coals are cool to the touch before you leave. Fireworks on National Forest system lands are not permissible.

To protect Montana's waters and native aquatic species, please follow the rules and guidelines of "Clean, Drain and Dry."

The Beaverhead-Deerlodge NF offers 24 backcountry cabins for rent. You'll need to bring food and bedding, but most cabins come with firewood, beds, and utensils. To rent a cabin, call toll free, 1-877-444-6777 or go online to <http://www.recreation.gov/>.

For more information contact your local Forest Service office or go online to www.fs.usda.gov/bdnf.

Remembering the Fallen (A Memorial Day Tribute)

Far away are the horrors of war, long forgotten in our minds
For the heroes who served, fought and died, we left far behind

They fought for our freedom, we take for granted from thee
Blood spilled on foreign soil, for the fallen we shall never see

The sacrifices for those who died, we honor this 27th day of May
They deserve our respect and gratitude each and every day

The fallen gave us our freedoms we cherish without chains
To those who returned in coffins, my heart weeps with pain

Place an American flag upon their graves and thank them well
We are their legacy, their hopes and dreams, with stories to tell

See "Old Glory", its color fly high against the blue skies so proud
Sing our national anthem, its music and words but sing it out loud

Remember the fallen for the ultimate sacrifice they gave to you and me
So that Americans in this great nation of ours could all be free

Kevin H. Brown, Senior Chief
United States Navy (Retired)

Garnet Day celebrates mining heritage of Montana's most intact ghost town

The sights, sounds and smells of a 19th-century mining town will come back to life during this year's family-friendly Garnet Day.

The annual event, which brings a bustle of activity to the now-dormant ghost town 50 miles east of Missoula, will be held on Saturday, June 15 from 10:30 a.m. to 3:30 p.m. It is hosted by the BLM and the Garnet Preservation Association.

This year, Montana pioneer impersonator Jennie Pak will give an appearance as Garnet resident Jennie Starr Adams telling tales about the town. Music throughout the day will be provided by the Old Time Montana Fiddlers Band.

Other activities on the day's schedule include a wool-spinning display, gold panning (fee charged), various old-fashioned games for children, and a pie auction. Other highlights for all ages are a watermelon eating contest, free sarsaparilla and taffy. Lunch will also be available for purchase on site. The day's events are designed to give families a fun, wild-west experience in one of Montana's most intact ghost towns, located 35 miles east of Missoula.

Visitors will be charged the standard usage fee of \$3; no admission is charged for those 15 and younger. For those needing assistance, a shuttle service will be provided from the main parking lot to the town's main street.

More than 100 years ago, Garnet was an active gold-mining town, but after a fire destroyed many of the buildings and as the gold became more difficult to mine, the once prosperous town slowly went into a deep sleep until its last full-time resident passed away in 1947. The ghost town is now publicly owned and managed by the Bureau of Land

Bible Truth...Spiritual Judgment vs. Human Reasoning

[Statement of belief: the Bible alone is the source of truth and all beliefs in conflict with the Bible are false.]

In the last century science and technology has grown by leaps and bounds. This has brought tremendous changes in American culture. Many of these changes have been beneficial, but on the negative side they have caused millions to consider God, His word, & spirituality to be obsolete.

The Bible states in 1 Corinthians 2:14 that those who have not experienced the spiritual birth by believing in Jesus Christ the personal Savior cannot understand the things of the Spirit. This is why many who are very intelligent about some things are blind to the truth about other things. The theory of evolution is a good illustration of this, as many very highly educated and intelligent people have accepted this perverted view of creation as fact.

True spirituality comes only from the God spoken of in the Bible. Man was created by God with the capacity for spirituality and reveals to man by the Holy Spirit how to understand spiritual things. In speaking to Christians in 1 Corinthians 2:10-12 the Apostle Paul states that we can only know the things of God by the Spirit of God. Romans 8:9b states that if you don't have that Spirit of Christ you are not His and verse 16 states that He bears witness of that relationship with God within each child of God.

Spiritual judgment and human reasoning are polar opposites. Humanist reasoning moved the leaders of the time to crucify Christ. 1 Corinthians 2:7-8 states that if those leaders had known the spiritual truth that Jesus was the Messiah they wouldn't have crucified Him.

1 Corinthians 2:15a states, "...he that is spiritual judges [discerns, perceives] all things." This spiritual condition is the reason a true Christian perceives the truth about the origin of creation and life. It's why the children of God understand the nature of God, the nature and penalty of sin, the way to God through Jesus Christ, and the eternal penalty for rejecting Christ as the Savior. An unsaved person cannot understand any of these things because they lack the spiritual insight of one who has been "born again" as Jesus taught in John 3.

Please join us in celebrating Relay week!!!
Relay for Life, Sunday, June 2– Jaycee Park 12 noon**

TUESDAY, 5/28

"Purple Pride Day" ...share a purple ribbon day. Anyone interested in picking up a FREE purple ribbon to give to someone can stop by The Bookstore, 3D, NV Salon, or Womack's Printing. By sharing a purple ribbon, you are sharing HOPE, which is what Relay for Life is all about.

WEDNESDAY 5/29

Relay supports ALL Survivors of ALL cancers and a person becomes a Survivor the minute they hear the words "you have cancer". 47¢ of every dollar raised goes to programs that help support Survivors in Montana.

THURSDAY 5/30

FRIDAY 5/31

ESTABLISHING A PHARMACY

**Southwest Montana
Community Health Center**

Keeping your whole family healthy

In response to the overwhelming need from the Dillon community, Southwest Montana Community Health Center is moving forward in establishing a pharmacy in the old Mitchell Drug building at 125 E. Glendale.

"We are very excited for the opportunity to expand our retail pharmacy" services into the Dillon Community. Our staff is dedicated to providing personalized service at an affordable price, as we have in our communities for nearly 20 years," said Tammy Cox, director of pharmacy services for the SWMTCHC.

The pharmacy is expected to open in summer 2019, following a remodel of the building.

In the meantime, CHC pharmacies in Sheridan and Butte are available to assist with medication needs. Call Mac's CHC Pharmacy at (406) 842-7434 or Butte CHC Pharmacy at (406) 496-6001 to discuss options to obtain your prescriptions.

If you need a medical provider, now is the time to establish at our clinic by calling (406) 683-4440 for an appointment.

Help For Harlee

As many know BJ and Alena Klose lost there 26 year old son Garrett to an aggressive Glioma (brain tumor) April 6th 2019. There has been a Memorial fund set up at stockman bank in Garrett's honor to help a family friend who unfortunately was diagnosed with a brain tumor just one month after Garrett's passing.

Harlee Salmi is 5 years old, she is the daughter of Matt and Taylor Salmi from Hot Springs Montana. She was diagnosed with a diffuse intrinsic pontine glioma on May 5th. This is a very aggressive non-curable brain stem tumor. She is currently receiving treatment at Denver children's hospital. Medical and incidental costs are mounting and time is of the essence to provide the resources that can help them. As symptoms progress she will become increasingly reliant on

every day cares and already needs assistance. Please pray for Harlee and her family they need a miracle! All donations will go to help the Salmi family ease the financial worry and reunite the family. Harlee's wish is to return home. Your kindness, generosity, and support are so greatly appreciated.

With Sincere gratitude,
BJ, Alena Klose and the Salmi family
