Rockin' Relay For Life

Have you or someone you love been affected by cancer? Are you ready to stand up to cancer and make a difference in this fight? Join us for the local National Cancer

Survivor Day and Rockin' Relay For Life event Sunday, June 2nd!! The afternoon begins with a brunch with freewill donations at 12:00 pm at Jaycee Park. Opening ceremonies will be at 1:00, followed by a Survivor lap around the park. All community members are invited to join in walking a short time, or until 4:00 pm!

Different activities will take place every half hour, concluded by the Honor ceremony to recognize friends and family that have been diagnosed with cancer. Because it will not be dark during this year's Relay, we are adding a different feature- a Rock Garden of HOPE. Community members may decorate a rock (no larger than the size of your hand) with the name of a loved one. For a donation of \$5, rocks may be registered in the Rock Garden of HOPE and have the name included in the Honor Ceremony. You may bring your own rock, or pick up one at the event.

Closing remarks will be at 4:00 pm. For more information about this upcoming event, contact Mary Bearden at 925-2218. HOPE to see you there!

Healing Garden

A fresh floral memorial wreath will be on display inside the Healing Garden at Barrett Hospital & HealthCare Sunday May 26th through Thursday May 30th. Barrett Hospital Foundation invites you to experience Barrett Hospital & HealthCare's Healing Garden in honor of Montana Veterans.

Tennis, Lucky 7

The BCHS Boy tennis did a fantastic job and in their 7th year sense the boys program started, they took home the state title behind the second singles title won by Brad Rakich. The Beavers took the top spot as a team with the help of doubles title from Mark Southam and Nathaniel Leonardson.

Rakich has just one lose in the last two years, and that was this spring to Corvallis player Caleb Warnken. He plans to go on a play tennis at Morningside College in Iowa.

Coach Lois Woodard said the boys power is not as effective at the lower elevation so they need to work on great placement. She was very proud of all five senior boys, they all got points at state and that was awesome.

Mindy Kaufman set a School Record

University of Montana Western senior Mindy Kaufman brought her career to a crescendo as she set a school record as she ran her way to a third-place finish in the 5,000 meters (17:32.88) at the NAIA National Championships.

Based on available records, Kaufman is the first female track-athlete to podium at the NAIA national meet.

"I'm still in disbelief," a jubilant Kaufman said. "If this is my best day, this is what it looks like."

"It's really special for her going out exactly the way she wanted to," Montana Western head track coach Dylan Zitzer said.

As the race started, Kaufman held her own and stayed with the pack, as the runners bunched together with only a second separating spots 2-16. At the 3,000 meter mark, Kaufman sat in 11th place with still only a second separating 10 runners. Late in the race as the field started to separate she made her move.

"With three laps left, my thought was 'Why not me?'" Kaufman said. "I thought about all the hard workouts on the treadmill and by myself in a blizzard and I knew that the last 800 was going to hurt, but not as much as all those efforts combined."

Kaufman this past fall, was named Frontier Conference Runner of the Year and NAIA cross country All-American. She added to her resume with a third-place finish in Gulf Shores to become the first female track athlete to earn the prestigious All-American honor for Montana Western.

BCHS TRACK

The Dillon boys 1600 relay team took first place to bring them to a tie with the Laurel team. Dillon's last won the championship in 2016 and it is Laurel's first since 1991.

The girls side was won by Whitefish with their first title since 1984. The Dillon girls finished behind Whitefish's 82 with 62 points.

BCHS's Zane Johnson repeated as triple jump champion and won the long jump title as well. All Peterson went 6-6 to win the boys high jump. Dylan Cervelli took home the boys 400 title.

Freshman Ainsley Shipman won both the 100 and 300 hurdles.

How to Impress Your Wife

By: Bryce Angell

Way back in 1968, the price of gas was cheap.

Two bits would buy a gallon and a Five would fill my Jeep. The tickets at the Roxy were about a buck back then.

Two Cokes, a bag of popcorn, still left money from my Ten. That's been over fifty years. Those prices now sky high.

And when it comes to datin', well, I barely even try. Last Friday night I asked my wife, "How 'bout a date tonight?"

I swear the look she gave me was, "You sure you're feeling right?" A ton of bricks sure doesn't have to hit me on the head, to remind me where I'm slackin', just a look like hers instead.

I asked, "How 'bout a movie, even though they charge too much?"

I was lookin' to impress her. Said, "This time we won't go Dutch." So, we readied for the evenin', mind made up, hell bent to go.

I even took a shower, only been a week or so.

Sixty dollars filled my Chevy. Dang sure has an appetite!

We drove down to the movie house. The tickets took a bite! The attendant took my Twenty, then I said, "Two tickets please."

He needed five more dollars and demanded with such ease.

I stepped up to the snack bar. Found the prices out of reach.

'Cuz the popcorn and the soda pop were five whole dollars each. I'd spent a whoppin' hundred bucks before the movie showed.

My Mastercard was handy but was runnin' overload!

The Superheroes movie wasn't bad, I must admit.

But, ain't got much recollection 'cuz I slept through most of it.

So, next time when I am thinkin' that I should impress my wife.

We'll sit down on the porch swing, share a Coke and talk 'bout life.

Montana Range Days

Montana Range Days is coming to Beaverhead County in June 2019 and 2020! We expect 300 participants from southwest Montana and around the state at this event, which educates youth and adults, amateurs and professionals about Montana's rangelands and their management. Hosting the event will require an anticipated \$20,000 per year. I invite your support of and participation in Montana Range Days. Together we can raise the funds and make it a success.

Montana Range Days is a three-day educational event that offers speakers, tours, workshops, contests, and entertainment for individuals of all ages and levels of experience. The curriculum bridges the gap between agricultural users and others who wish to have a deeper understanding of the ecosystem we rely on and the inter-relationships of wildlife, livestock, recreational use, and ranching. Participants learn to identify plant species, assess soil types, determine rangeland health and productivity, calculate stocking rates, measure grazing utilization, and develop management plans.

It is our turn in Beaverhead County to host the 43rd and 44th Montana Range Days in 2019 and 2020. This event will be held here June 17-19, 2019 and June 15-17, 2020. This is an opportunity to show the state what southwest Montana has to offer in the way of innovative resource management, skilled instructors, and, of course, food and entertainment.

This program may seem expensive, but as the saying goes, "If you think education is expensive, try ignorance." We have worked hard to make Montana Range Days accessible to all, especially our youth, by keeping the registration cost low, even as the operating budget increases. Many volunteers contribute time and materials. To support the program each year, we will need to raise up to \$20,000. The Beaverhead Conservation District is the fiscal agent for the event; as an entity of local government, all donations are tax deductible. Montana Range Days is an event you can be proud to support, because you care about rangelands, and the people and communities that depend on them. Thank you for investing in this Montana tradition, and celebrating rangelands with us. Please contact us for additional information about Montana's rangelands and how you can support Montana Range Days.

Help For Harlee

As many know BJ and Alena Klose lost their 26 year old son Garrett to an aggressive Glioma (brain tumor) April 6th 2019. There has been a Memorial fund set up at stockman bank in Garrett's honor to help a family friend who unfortunately was diagnosed with a brain tumor just one month after Garrett's passing.

Harlee Salmi is 5 years old, she is the daughter of Matt and Taylor Salmi from Hot Springs Montana. She was diagnosed with a diffuse intrinsic pontine glioma on May 5th. This is a very aggressive non-curable brain stem tumor. She is currently receiving treatment at Denver children's hospital.

Medical and incidental costs are mounting and time is of the essence to provide the resources that can help them.

As symptoms progress she will become increasingly reliant on every day cares and already needs assistance. Please pray for Harlee and her family they need a miracle! All donations will go to help the Salmi family ease the financial worry and reunite the family. Harlee's wish is to return home. Your kindness, generosity, and support are so greatly appreciated.

With Sincere gratitude,
BJ, Alena Klose and the Salmi family

Help For Harlee

As many know BJ and Alena Klose lost there 26 year old son Garrett to an aggressive Glioma (brain tumor) April 6th 2019. There has been a Memorial fund set up at stockman bank in Garrett's honor to help a family friend who unfortunately was diagnosed with a brain tumor just one month after Garrett's passing.

Harlee Salmi is 5 years old, she is the daughter of Matt and Taylor Salmi from Hot Springs Montana. She was diagnosed with a diffuse intrinsic pontine glioma on May 5th. This is a very aggressive non-curable brain stem tumor. She is currently receiving treatment at Denver children's hospital. Medical and incidental costs are mounting and time is of the essence to provide the resources that can help them. As symptoms progress she will become increasingly reliant on

every day cares and already needs assistance. Please pray for Harlee and her family they need a miracle! All donations will go to help the Salmi family ease the financial worry and reunite the family. Harlee's wish is to return home. Your kindness, generosity, and support are so greatly appreciated.

With Sincere gratitude,
BJ, Alena Klose and the Salmi family
