Daniel "Danny" Martin McGrath

On May 25, 2019 our beloved father, son, brother and friend Daniel "Danny" Martin McGrath went to be with our lord after a valiant fight with ALS (Lou Gehrig's disease). Danny was born January 25, 1960 to Dan and Jean (Martin) McGrath at Fairchild AFB, WA. He was raised in Spokane, Puerto Rico, Louisiana, Guam, and Cheyenne, WY, finally making his home in Butte his freshman year in high

school. He graduated from Butte Central as valedictorian and as best athlete in his graduating class. He then went to Montana Tech and MSU, graduating with Petroleum and Mathematics degrees. After graduation he taught at Northwest College in Powell, WY before becoming a mathematics professor at Western in Dillon.

In Dillon, Dan met Brenda Craft. They were married and had 4 children, Lane, MacKenzie, Dan, and Allie. In 1992, Dan was diagnosed with ALS and chose to go on a ventilator in 1994 so that he could see his children grow. Brenda and Danny later divorced but remained friends and were diligent to raise wonderful children who were the reason Danny chose to live. The love Danny had for his children cannot be put into words but could be seen in the way he fought to live to watch them grow. His love will be with them always.

Danny was preceded in death by his grandparents Frank and Pat Martin, Nig McGrath and June Ose, father Dan McGrath, sisters Debbie Hollow and Susie Grosso, aunts Rosie Anderson and Patsy Harrington, uncles and aunts Ross and Sissy Smathers and Jerry and Carol McGrath, and best friend Dave Morris.

In addition to his children, Lane, MacKenzie, Dan and Allie, he leaves behind his mother Jean who cared for him over the years, his brother Jim (Tracy) McGrath, Brother in law Tino Grosso, aunts Joan Thompson, Katie (Bill) Halvorson, uncles Lee Anderson, Ed Harrington, and Jack McGrath and numerous nieces, nephews, cousins and friends.

Danny was very fortunate to have loving friends who visited him as often as they could. A big thank you to Pat O'Dell and family, Dave O'Rourke and family, Catherine Cox, and Butte Central class of 1978.

Danny also had the best care a person could have. The family will forever be grateful for his home care nurses. A special thanks to uncles Lee Anderson and Ed Harrington for all the help during the years.

The family would also like to thank the doctors, nurses, and respiratory specialists at St. James for their compassionate care.

Also, a special thanks to Father Haffey, Father Porter, and Deacon John Uggetti.

In lieu of flowers, the family ask to please make donations to the ALS Foundation or Butte Central Catholic Education Foundation.

Friends may call Thursday, May 30, after 10 am at St. Ann's Church in Butte. Funeral Mass will be celebrated at 11 am at St. Ann's. A reception will follow.

Rest in peace Danny. Your journey here is done.

THANK YOU
The Walker and Dalimata families would like to extend a heartfelt and sincere "thank you" for the tremendous outpouring of support upon Lindy's passing. We are blessed and proud to have such caring family, friends and community members during this difficult time and we thank you for your support as we begin the healing journey together.

Patriotic Art Award

Miss Chloe Keller has won the art contest for the Dillon VFW Auxiliary, the Montana District 4 Auxiliaries and the State of Montana's Veterans of Foreign Wars Auxiliaries Young American Creative Patriotic Art Award competition! Chloe's artwork will be judged for National recognition July 20 thru 24, 2019 at the VFW and Auxiliary National Convention in Orlando, Florida. National winners are recipients of scholarships with First Place receiving a \$15,000.00 scholarship!

Chloe was born and raised in Dillon and is the daughter of Dan & Shannon Keller. Her grandfather is Bill Carroll VFW Post 9040 member PJ Mahoney. She has had art classes only during school time and hopes to continue with art classes in college. We wish her luck at the National Competition! Way to go Chloe!!!

FWP offers free water recreation safety workshop in Bozeman

Opportunities for water recreation in Montana are abundant and diverse, making the state a premium destination for anglers, boaters and other recreationists.

As temperatures rise and spring runoff continues, wardens with Region 3 of Montana Fish, Wildlife & Parks will host a water recreation safety workshop in Bozeman. The free workshop will be held from 6 p.m. to 8 p.m. on Thursday, June 13, at FWP's Region 3 office, 1400 S. 19th Ave., in Bozeman.

The workshop will include a demonstration on life jackets and a discussion on how life jacket regulations apply to youth and certain types of watercraft. Participants are asked to preregister for the workshop online at <https://bit.ly/2JVCbML>.

For more information, please contact FWP's Region 3 headquarters at 406-994-6931.

Toll Mountain Campground Closed

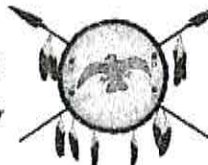

Toll Mountain Campground southeast of Butte will temporarily close due to an earthen dam located three-quarters of a mile upstream of the campground that is at risk of failure. Spring runoff has caused rising waters to weaken the integrity of the dam. Predictions are for spring runoff to continue through the weekend as temperatures gradually rise and rain continues.

"We are taking precautions in order to keep visitors safe in the event the dam should fail," said Butte District Ranger Dave Sabo.

Officials from the Forest Service have reviewed the site and are developing both long and short term strategies to address the situation. Currently, the Forest Service is pumping water from the pond to draw down the water level. For more information contact the Butte Ranger District at (406) 494-2147.

Camping in Bear Country
The Beaverhead-Deerlodge National Forest has finally thawed after a long winter, and we're all ready to revel in the summer months ahead. However, grizzly and black bears are also taking advantage of the warm weather and will be catching up on feeding through late fall. While you're out recreating in the forest this year, always be bear aware!

The Beaverhead-Deerlodge NF has a food storage ordinance requiring proper storage of all attractants. As more people are living and recreating in bear habitat there will be a higher rate of bear encounters. If bears get access to attractants and become food conditioned, they are often removed from the ecosystem due to human safety. The only way to prevent this is to keep all items with a smell away from bears.

To store attractants properly: 1) put in a hard-sided vehicles with windows and doors shut and locked; 2) store in a certified bear-resistant container; 3) hang in a tree 10 feet above the ground and four feet from supporting structures. Remember, regular coolers are not bear-resistant! Attractants include food, refuse, sealed cans and bottles, alcoholic beverages, hygiene products, pet food, fish parts, and chainsaw bar oil. Where possible, camp 100 yards from attractant storage and cooking areas.

Several campgrounds have bear resistant food storage lockers available for campers to use. Remember to remove your food and trash from these lockers when you are done camping. Officials also recommend changing your clothes before going to bed. Often smells from cooking food linger on the clothes worn while cooking and are considered an attractant to bears.

Beaverhead-Deerlodge National Forest Offices have a popular bear-resistant container loaner program to help forest visitors comply with food storage regulations. Forest visitors can check out bear-resistant horse panniers, backpacking bags and bear-resistant coolers for planned outings.

When hiking in the woods, your best defense is bear spray. Here are some tips on how to effectively use your bear spray: draw it from an accessible location; remove the safety cap and press the trigger; spray at 30-60 feet away; aim slightly down and adjust for crosswinds; discharge the spray in front of the bear's face; the spray will create a cloud in front of you; keep spraying until the bear changes direction. It is also a good idea to carry two canisters of bear spray if you are travelling alone. When you buy a can of bear spray, make sure is clearly marked for use

against bears, not humans, and replace it when it has exceeded its expiration date.

Be prepared to play dead if attacked by a bear or to fight back in a predatory encounter (when a bear is following you or approaching unsurprised and unprovoked) with either bear species. Bear spray has proven to be extremely effective at preventing injury in 98% of encounters. Statistics show that people who use firearms against bears show the same rates of injury or death as if they had not used their gun at all. Remember that you can expect to see black bears and grizzly bears anywhere on the Beaverhead-Deerlodge National Forest.

For information about local regulations or about bears, go to the Beaverhead-Deerlodge National Forest website at www.fs.usda.gov/bdnf, or stop by a local Forest Service office.

Jon's Gulch Wildflower and Pollinator Walk Set for Saturday June 1

Flowers are blooming at Thompson Park! Come join the Beaverhead-Deerlodge National Forest on Saturday, June 1 for a walk through the woods, and learn about the colorful wildflowers of the area. As an added bonus, entomologists from MSU and the Rocky Mountain Research Station in Bozeman will provide pollinator identification expertise.

This family friendly event is free to all and designed for those interested in learning more about the local flora and pollinators. The hike will begin at 10 a.m. at Sagebrush Flats in Thompson Park and participants will hike approximately two miles of Jon's Gulch trail.

Those interested should come dressed for inclement weather and bring a snack, water, rain gear, sunscreen, camera and a snack or lunch. A wildflower field guide and magnifying hand lens is also encouraged, but they will be available to share on the tour.

For more information, contact the Forest Service in Butte at (406) 494-2147.

Help For Harlee

As many know BJ and Alena Klose lost their 26 year old son Garrett to an aggressive Glioma (brain tumor) April 6th 2019. There has been a Memorial fund set up at stockman bank in Garrett's honor to help a family friend who unfortunately was diagnosed with a brain tumor just one month after Garrett's passing.

Harlee Salmi is 5 years old, she is the daughter of Matt and Taylor Salmi from Hot Springs Montana. She was diagnosed with a diffuse intrinsic pontine glioma on May 5th. This is a very aggressive non-curable brain stem tumor. She is currently receiving treatment at Denver children's hospital. Medical and incidental costs are mounting and time is of the essence to provide the resources that can help them. As symptoms progress she will become increasingly reliant on

every day cares and already needs assistance. Please pray for Harlee and her family they need a miracle! All donations will go to help the Salmi family ease the financial worry and reunite the family. Harlee's wish is to return home. Your kindness, generosity, and support are so greatly appreciated.

With Sincere gratitude,
BJ, Alena Klose and the Salmi family

WE NEED YOUR PHOTOS!

Our remodel is almost complete and we'd love to put
the finishing touches in the branch with some photos
of this beautiful area. Send us your photos and your
photography could be displayed in our branch.

B^{of} The Bank of Commerce

No purchase or account necessary. To enter, submit
photos of the Dillon or southwestern Montana area
between May 1st and May 31st. Both Montana and
non-Montana residents are eligible to enter. Entries
can be taken to the Dillon branch of The Bank of
Commerce located at 110 S. Idaho Street or emailed
to lindsay.buhr@bankofcommerce.org. Winning
photos will be displayed in the newly remodeled
Dillon branch. Bank of Commerce employees are
excluded from participating. If you have questions
or need more information, call us at 406.683.2393.
