Last Chance For Tree Cost Share Program in 2019

If you have a location in need of a tree, the Dillon Tree Board can help.

The Tree Board cost/share program provides the opportunity for private homeowners to participate in enhancing the beauty of Dillon. Homeowners can purchase a tree for just \$75. The city and Tree Board cover the remaining portion of the purchase price. Trees can be planted on city owned land which includes the boulevards, Swenson Way, city parks, schools or Mountainview Cemetery. The program is first come, first served and limited to funds available.

Several species of trees are available, including Amur Chokecherry, Northern Acclaim Honey locust, Japanese Tree Lilac and Bur Oak. You can pick up an application or find out more information about the program at City Hall, the MT DNRC office, or the Tree Board website at www.dillontrees.org. The trees will be planted by Tree Board members and volunteers in mid-May.

The funding for the project is derived in full or in part from a federal award of the U.S. Forest Service, Department of Agriculture, sub-awarded by the Montana Department of Natural Resources and Conservation (DNRC), Forestry Division. The City matches the grant funding at 100% to accomplish project work.

Since 2008, the Dillon Tree Board has secured over \$100,000 in funding to enhance Dillon's urban forest. The mission of the Tree Board is to preserve, enhance, and expand our community forest through educating the public and promoting community involvement and individual dedication.

2019 AMERICAN LEGION AUXILIARY GIRLS' STATE

JUNE 9- JUNE 25TH

Beaverhead County High School will be sending two junior delegates to Helena and Carroll College to take part in the 71st session of MT Girls' State. Montana Campbell, daughter of Bethany Hauer, and Sarah Kizzar, daughter Virginia Chichesler will represent us. The girls will take part in leadership workshops, work through the process of city, state and national government and listen to many powerful speakers. They will be reminded of the importance of the veteran in our history, even visiting the Veteran's Hospital out at the fort.

Since 1948, Montana American Legion Auxiliary Girls' State has been part of many successful women's lives who continue to recall their experiences and their friendships that they had during their time at Girls' State.

This adventure is made possible by many local organization's support and kindness. Thank you Dillon!

Changes Made to East Fork Campground

The East Fork Reservoir area located 17 miles southwest of Philipsburg has seen an increase in use of the area. There are two campgrounds adjacent to the reservoir, East Fork and Spillway; but there are no available developed picnic sites with amenities. The East Fork Campground is a small campground that has seven individual camping sites in addition to a small group camping area with space for three trailers.

For the past several years we tried to accommodate and provide for group camping; however we've found it to be disruptive to continue to allow overnight groups in this small campground." said District Ranger Cameron Rasor.

The site will be managed for day use picnicking that will provide for families to gather and enjoy the area. Vehicles will be restricted to a parking area that will accommodate up to five vehicles. Use will be first come, first served.

Dispersed group camping opportunities are available outside of the campground near the East Fork Reservoir. Other group camping opportunities are available at Racetrack, Copper Creek dispersed, and Orofino campgrounds.

Visitors to the area are reminded to be courteous to camping and picnicking neighbors as well as adjacent private property owners.

For more information contact the Pintler Ranger Station at (406) 859-3211.

Mindy Kaufman Academic All-District Team

The 2019 Google Cloud Academic All-District® Men's and Women's Track & Field/Cross Country teams, selected by CoSIDA (College Sports Information Directors of America), recognize the nation's top student-athletes for their combined performances on the field and in the classroom.

For the third straight year Mindy Kaufman was selected to the CoSIDA College Division Academic All-District Team, district four for the 2018-19 season. District four is made up of schools from Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, New Mexico, Nevada, Oklahoma, Oregon, Texas, Utah, Washington, Wyoming, and Western Canada. Players are selected for both their athletic and academic prowess.

Kaufman is a senior from Alta, Wyo. and is majoring in interdisciplinary social science. She holds a 4.0 GPA (grade point average) and has been named to the Dean's List eight-straight semesters. She has qualified for the NAIA Cross Country National Championships four straight years, where this past season she finished 25th overall and earned All-American honors. This season she broke her own school record in the 5k with a time of 18:00.7 and was named Frontier Conference Runner of the Year. In the outdoor track season, she competed in the 5000m (17:32.88) and 1500m (4:43.33). She finished third in the nation at the National Championships where she was named All-American. She was named Academic All-Conference, and Daktronics Scholar-Athlete in both sports.

Kaufman is now eligible for the prestigious CoSIDA Academic All-America Team, which will be announced in June.
