Lisa Dawn. Rickey

Lisa Dawn. Rickey passed away on June 1, in the Great Falls hospital. Lisa was born June 27, 1952 to Bill Smith and Anona Landon. She graduated from Beaverhead County High School and attended Western Montana College, graduating with a degree in secondary education. With a desire to help developmental handicap citizens Lisa became involved with Dillon Special Resources. She helped to get funding and approval for a home that would accommodate special need citizens. Later, becoming the director.

Determined to give clients a better opportunity for education, Lisa gave her attention to getting a facility for a day program. Sometime later she put her talent and energy into getting the clients a new home. This resulted in the building of the "Kambich Home". She loved her work and enjoyed interaction with the people she served. Lisa retired when Butte bought the Dillon project.

Lisa was preceded in death by her son Dustin Rickey and parents Bill and Tonye Smith. She is survived by sister Marsh Cleverley, brother Daniel Smith of Dillon, sisters Sandra Peers and Cindy Combs of Shelby and nieces and nephews. Services are pending.

Finance Committee cont'd 5/30

By: MJ

Mr. Straus sent an e-mail to the Finance Committee you may be interested in reading. Read at www.dillonmt.org web site or ask the city for a copy.

One item discussed: Mr. Straus indicated that the mayor did not budget realistically the amount of interest revenue that would be received by the city in the last years budget. Straus estimated himself there would be around 80 to 90 thousand dollars and the mayor only estimated 50 thousand dollars.

Mayors response: The budgeting philosophy that I have followed since becoming Mayor when submitting my proposed budget is being conservative on revenue and liberal on expenses. I have tried not put the City in the position of trying to find cuts in expenditures for revenue that does not come in. In the worst-case scenario, revenues that do not cover already completed projects, puts the Mayor in a position of exceeding his spending authority and by State law he can be held responsible to personally pay for the cash shortage by the council.

Public Comment: During public comment Ms. O'Rourke stood up in support of Mr. Straus. She outlined his qualifications for the job via expounding on his education, experience... **NOTE: No one in the room expressed at any time that Mr. Straus was not qualified for the job.** She went onto say that the city should hire professionals to come and teach people how to work as a team. She expressed that a written detailed explanation of why council members leave their positions is needed. It appeared Ms. O'Rourke might be looking for someone to blame within the boundaries of the city like the mayor.

Council: During the time I have been in Dillon and attending City meetings, this is the best council, committees and boards I have ever encountered or had opportunity to work with. *These members express the desires and needs of the people in their wards and not themselves.* They do their best to work for the whole of the community by following all the laws and documents they are given to work with. They talk freely amongst themselves at meetings, discuss amicably different sides of issues, listen to each other, take the time to research and gather all information they can before making decisions and they respectfully allow public comments. *This is TEAM work in a cohesive manner.*

Is it 'Politics' or just a 'blame game'? Which is it? If blaming others is the game we are playing then; 1) we need to recognize that is

Does Your Child Need a Booster Seat?

To ride safely, most kids under age 12 do.

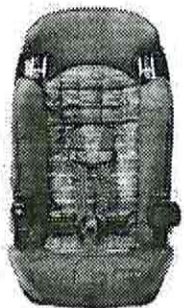

1. Does the child sit all the way back against the auto seat?
2. Do the child's knees bend comfortably at the edge of the auto seat?
3. Does the belt cross the shoulder between the neck and arm?
4. Is the lap belt as low as possible, touching the thighs?
5. Can the child stay seated like this for the whole trip?

(If you answered "no" to any of these questions, your child needs a booster seat to make both the shoulder belt and the lap belt fit right for the best crash protection. Your child will be more comfortable, too!)

Beaverhead County Public Health has a Certified Child Passenger Safety Technician!

Call 683-4771 to request a car seat, get your existing car seat checked, or need help installing a new car seat.

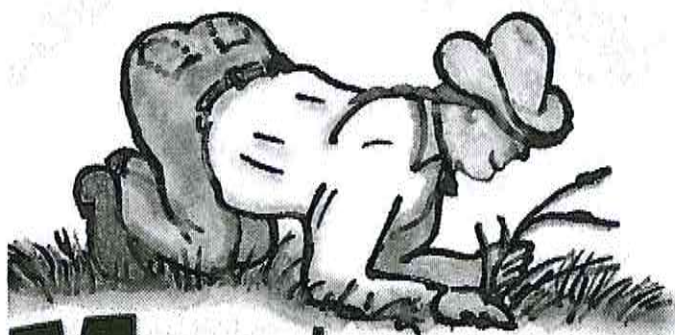

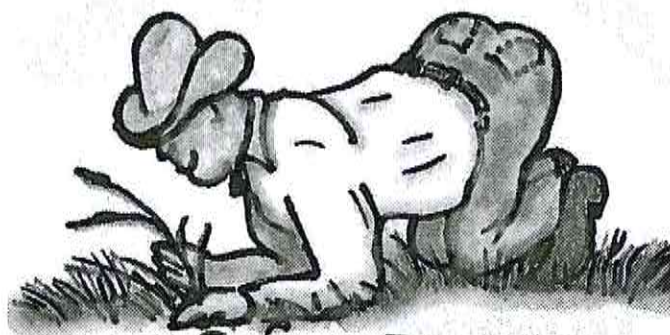

Beaverhead County Public Health will be offering **FREE** car

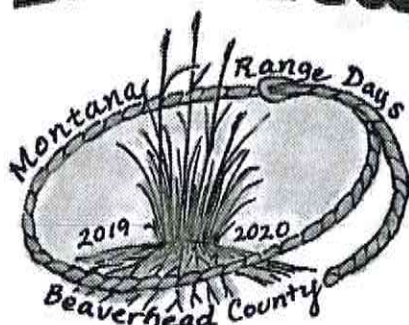

seat/booster seats with
installation training on Thursday,
June 6th from 10-2 at the Old
Depot during the Dillon Library
Summer Kick Off event.

These FREE car seat/booster seats will be given to those who need a car seat and do not have the financial resources to purchase one.

Help For Harlee

As many know BJ and Alena Klose lost there 26 year old son Garrett to an aggressive Glioma (brain tumor) April 6th 2019. There has been a Memorial fund set up at stockman bank in Garrett's honor to help a family friend who unfortunately was diagnosed with a brain tumor just one month after Garretts passing.

Harlee Salmi is 5 years old, she is the daughter of Matt and Taylor Salmi from Hot Springs Montana. She was diagnosed with a diffuse intrinsic pontine glioma on May 5th. This is a very aggressive non-curable brain stem tumor. She is currently receiving treatment at Denver children's hospital. Medical and incidental costs are mounting and time is of the essence to provide the resources that can help them. As symptoms progress she will become increasingly reliant on

every day cares and already needs assistance. Please pray for Harlee and her family they need a miracle! All donations will go to help the Salmi family ease the financial worry and reunite the family. Harlee's wish is to return home. Your kindness, generosity, and support are so greatly appreciated.

With Sincere gratitude,
BJ, Alena Klose and the Salmi family
