Daniel Ralph Podunovich

Daniel Ralph Podunovich "Danny" was born August 26, 1977 in Minneapolis, Minnesota. He moved to Dillon, Montana at a young age where he grew up playing baseball, fishing, hunting and just enjoying Montana.

In 2003 Danny married Tara Straubhaar and became father to her two daughters Kenzie and Tatem and loved them as his own, within the next two years his own beloved daughters Taylor and Maddy were born. All he ever wanted was to be a father to his girls and he was a great one and he lived for them. Danny divorced and moved to

California, working as a lineman hanging from helicopters like it was second nature, during that time he met and became engaged to Kathie Nichols. She has a daughter Payton who Danny welcomed into his family of girls. In the last 6 years, he was also blessed with three grandchildren, granddaughter, Kaizley and grandsons; Kayden and Kayson. Even though he didn't get to know them as well as he would have liked to he loved them very much.

Danny enjoyed sports, hunting, fishing, and coming home to Montana whenever he got the chance. Danny worked at Par Electric at the time of his passing.

Danny is preceded in death by his grandma Jean, grandpa Dave, uncle Steve and father, Ralph.

He is survived by his mother, Debby his girls; Kenzie, Tatem, Taylor, Maddy, and Payton, and fiancé, Kathie, grandchildren, Kaizley, Kayden, and Kayson. He is also survived by uncles; Randy (Joyce) Spencer, Jimmy (Penny) Spencer, aunts; Judy (Tom), Grant, Susie Burgess and numerous cousins.

A celebration of life is scheduled for Saturday, July 6th at 2 PM at Brundage Funeral Home with a visitation scheduled between noon and 2PM. A guestbook is available online at www.brundagefuneralhome.com.

Geneva, Idaho, to immigrant parents. Her father, Albert Price, was born in Wales and her mother, Freida Boehme Price, was born in Germany and they both moved with their families as members of The Church of Jesus Christ of Latter Day Saints. June had three sisters and six brothers including one who died in infancy.

June married Weldon Buhler in October, 1938, in Montpelier, Idaho. They had two children, Arlene in 1940 and Rulon in 1943. They purchased a ranch in the Bitterroot Valley in 1944 and moved their family. At first the house did not have electricity or running water but they did have a spring for fresh water. June and Weldon had three more children, Sherry in 1945, Russell in 1949 and Billie in 1953. Weldon and June were active in their church and community.

In 1970, June and Weldon bought the Gravley Ranch. They moved to the present ranch along with Rulon, his wife Pat, their son, Dan, and Russ and Billie. June continued to be active in the Lima Stake of The Church of Jesus Christ of Latter Day Saints. She and her boys are proud to own one of the family-owned ranches in Beaverhead County.

After 54 years of marriage, June lost her beloved Weldon in 1993 after his long battle with cancer. She is grateful for their long life together and misses him every day.

June is grateful for the love and community of her friends and family. She thanks everyone who is celebrating this milestone birthday and for their love and friendship along the way.

**Montana Western's Head Athletic Trainer
 Kaleb Birney Wins National Award**

Kaleb Birney has received the National Athletic Trainers (NATA) Young Professional's Committee National Distinction Award.

The National Distinction Award is the Young Professionals' Committee's highest honor to recognize a young professional athletic trainer who has made an immediate and definitive impact on the athletic training profession at the national, district, state or community level. Birney will receive his award at the NATA National Convention in Las Vegas at the Mandalay Bay on Wednesday, June 26.

Birney is currently the Head Athletic Trainer at The University of Montana Western and is a member of the Montana Sports Medicine team with St. James Healthcare in Butte, Mont. He has held this position for three years but has recently finished his fifth year at UMW.

"I am very honored to receive this award," Birney said. "I wouldn't be able to do this without the guidance of Russ Richardson, Janelle Handlos, and Chris Heard or without the help of Zach McCarthy and Mary Placzowski. I'm blessed to be able to work with such a great family. But even more thankful for my wife Emilee who supports me with everything."

A native of Sublette, Kan., Birney is the primary athletic trainer for the Bulldog football and men's basketball program while also overseeing all sports. He has been a member of 4 straight Men's Basketball National Tournament teams (2015, 2016, 2017, 2018). Birney serves on the Montana Athletic Training Board of Licensure and is the Public Relations Chair for the Northwest Athletic Trainers Association.

July 4 Outdoor Adventure Reminders

As the July 4th holiday approaches, the Forest Service would like to remind those who are planning for the holiday weekend that there are great places throughout the Beaverhead-Deerlodge National Forest to visit. The forest has over 3,200 miles of trails, 76 campgrounds, picnic and recreation areas, as well as being home to the Anaconda Pintler Wilderness and the Lee Metcalf Wilderness.

Among the traditional camping, hiking and fishing activities, visitors are known to also enjoy wildflower viewing, photography, exploring the back country and a multitude of family activities. Additionally, there are 24 rustic cabins available throughout the forest for rent during the summer and fall hunting season. Go to www.recreation.gov to find out more and to reserve a cabin or a campsite.

Before you plan your trip, check for current road, trail and campground conditions by contacting the Forest Service, or go online to www.fs.usda.gov/bdnf. Always check to see what the current weather conditions are and go prepared for changing conditions. Visitors are cautioned to stay on roads to avoid getting stuck or starting wildland fires and to pay attention to road closed signs.

Many trails and roads may not be open at higher elevations due to snow, high water or trees that have fallen across trails or roads. Stay on trails and do not create new trails to get around hazards. Users should expect many trails to be impassable from fallen trees.

Falling trees present a serious hazard to visitors. Here are a few handy tips:

- Be aware of your surroundings and avoid dense patches of dead trees.
- Trees can fall without warning; place tents and park vehicles in areas where they will not be hit if a tree falls;
- Stay out of the forest when there are strong winds that could blow down trees, especially in areas where there have been fires or there are stands of trees that have been killed by bugs.
- If you are in the forest when winds kick up, head to a clearing out of reach of any potential falling trees.
- Carry an ax or saw with you to remove trees that may fall across roads and prevent you from either continuing on your

travels or preventing you from returning to your camp or home.

- Report downed trees that block roads or trails to the Forest Service.

Visitors are cautioned to stay on roads to avoid getting stuck or starting wildland fires. Please do not drive on closed roads, as identified by signs and/or the Forest visitor map. Both black bears and grizzlies are out and about. Keep your camp clean and store attractants (food, drinks, toiletries, barbeque grill, etc.) out of reach of all animals. The Beaverhead-Deerlodge NF requires all food, attractants, and refuse must be acceptably stored or attended. Attended means that someone is within 100 feet and in sight of accessible items. While attended these items do not have to be stored. To find out more about bear safety and links to certified bear resistant products go online to the Beaverhead-Deerlodge NF web page at <https://go.usa.gov/xyYxt>.

The Forest has a bear-resistant container loaner program to help forest visitors comply with food storage regulations. Forest visitors can check out a variety of bear-resistant containers such as horse panniers, backpacking "bear barrels" and bear-resistant coolers for their planned outings. There is a limited supply of these containers, so contact your local Beaverhead-Deerlodge NF office for details.

Target shooting is allowed on National Forest land, however, shooting is not allowed in developed sites such as campgrounds/day use areas and trailheads, including Thompson Park as well as shooting across streams, lakes and roads. Target shooters need to be at least 150 yards away from occupied areas and facilities. Additionally, possession and use of exploding targets is prohibited on National Forest land. Target shooters are advised to be cautious and aware of their surroundings as well as pick up their shooting trash when done.

Visitors are cautioned to be extremely careful with fire as, fuels such as grass, shrubs and trees are beginning to dry out.

Fireworks are prohibited in National Forests. Fireworks, dry grass and trees are a bad combination. Never leave a campfire unattended. Make sure your campfire is
