Weather: Dry air continues to stream into western Montana, and low RHs are expected with warmer temperatures today. Winds will increase this afternoon, but it will not be as breezy as yesterday. Friday will be even warmer under high pressure. A few thunderstorms are possible in the Beaverhead-Deerlodge NF late Friday, but the rest of the region looks dry. Westerly flow for the weekend will bring afternoon breezes, but continued dry conditions.

Additionally: Bannack State Park continues to be open to visitors, go to <http://stateparks.mt.gov/bannack/> for more information.

Prevention: As conditions continue to warm and fuels dry, people are reminded to be careful with all fires; be sure to extinguish campfires completely and to keep motorized vehicles on roads and trails.

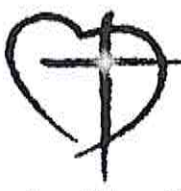

For more information about this and other large fires go online to <https://inciweb.nwcg.gov>.

THE SENIOR COMMODITY FOOD BOXES
Supplemental food boxes will be delivered Saturday July 27th. Anyone picking theirs up may do so from 9 AM to 10 AM on this date. We are located at 759 Kentucky Ave. Any questions call 865-0747.

Business Concern Meeting

ATTN: Meeting to discuss the issues facing business owners and vacancies in our downtown district. Please come to the Honeypot at 6 pm Tuesday July 30th. Items to be discussed below.

- Open space and general ideas
- Advertising the City as a destination in other towns via print, radio and web

Possible incentives for new business such as

- Property Tax breaks
- Micro-loans
- Discounted fees and permits
- Discounted advertising locally
- Guaranteed press involvement for new business
- Gym/YMCA Memberships
- Adding co-working spaces/business incubators
- Property managers discounting utilities or first months rent
- Promoting the City to the film industry
- Starting an apprenticeship workshop for trades

*On a side note, I know none of this is easy or it may not be something you think is possible. If we don't do something about the issues we are facing now it could become a real problem for the people who are still here running a small town business.

FWP and USFS to begin native trout restoration in North Fork Spanish Creek

Montana Fish, Wildlife & Parks and the Custer-Gallatin National Forest are initiating a project to restore native westslope cutthroat trout to 17 miles of upper North Fork Spanish Creek.

Crews will begin by removing non-native fish species in Big Brother and Chiquita lakes. The lakes will be treated with rotenone on Monday, July 29. Rotenone is a natural chemical used to remove fish. The two lakes will be closed to the public during the treatment. This closure is expected to last about 24 hours.

As stream flows subside, FWP will treat North Fork Spanish Creek and tributaries upstream of the fish barrier recently constructed on the lower end of the creek. Fish removals are expected to take at least two years to complete prior to re-establishing native fish.

An environmental assessment, which included collaborative planning with the U.S. Forest Service as well as opportunity for public comment, was completed for this project in 2017. For more information, please call FWP's Region 3 headquarters at 406-994-4042

Bible Truth... About who goes to heaven

[Statement of belief: the Bible was given by the inspiration of God (2 Timothy 3:16-17) and all beliefs in conflict with what is written therein are false.]

The idea that all good people go to heaven makes several assumptions: [1] God exists and He is all loving; [2] some "bad" people need punishment but most people are "good" and entitled to heaven; [3] entrance into heaven is based on actions rather than God's grace; [4] if hell exists it is only for a few who commit particularly heinous acts.

As the creator of the universe, God alone sets the standards man must meet to gain entrance into His heavenly home. Those who argue that all good people go to heaven claim that a loving God would not turn away good and sincere individuals. This position ignores the total attributes of God's nature. He is a loving & merciful God, but He is also holy, which means He requires justice against sin & sinners. Anything or anyone sinful cannot dwell in His presence.

The philosophy that people are basically good & entitled to heaven ignores the Biblical truth that the heart of man is "...deceitful above all things, and desperately wicked..." (Jeremiah 17:9). Psalm 51:5 states that we are sinful from the point of conception are brought forth in iniquity.

Based on God's standard of holiness no human being can be considered "good". Romans 3:23 says "...all have sinned, and come short of the glory of God." Note that there is no degree of sin mentioned here, which means that every person born is on equal grounds before God & all are in need of something to solve that problem.

The idea that "good" people are saved & go to heaven is based on the false premise that we can get to heaven by our actions. God reveals in Ephesians 2:8-10, however, that we are saved "by grace...through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast. For we are his workmanship, created in Christ Jesus unto good works..." According to Verse 10 it is only after we have been "created in Christ Jesus" that we are able to perform the works that God has "ordained [prepared before]" for us to perform.
